**Douglas E. Ashford**

## **Economic Decline And Political Change Canada Great Britain The United States:**

Economic Decline and Political Change Harold D. Clarke, Marianne C. Stewart, Gary Zuk, 2010-11-23 In the 1970s an age of affluence ended abruptly in Canada Great Britain and the United States Skyrocketing inflation persistent unemployment and sluggish growth became new oppressive realities for government and citizens alike This book examines the changes that occurred in economic policymaking on the governmental level and the public's response to such changes This timely collection of essays sheds light on the political economy of three of the world's oldest democracies in an era of economic distress and uncertainty

Controversies In Political Economy Harold D Clarke, 2019-09-26 This book addresses a number of controversies in political economy of political support in three Anglo American polities Canada Great Britain and the United States It addresses a range of theoretical issues concerning which variables properly belong in political economy models

The Canada-US Border in the 21st Century John B. Sutcliffe, William P. Anderson, 2018-11-02 Borders are critical to the development and survival of modern states offer security against external threats and mark public policy and identity difference At the same time borders and borderlands are places where people ideas and economic goods meet and intermingle The United States Canada border demonstrates all of the characteristics of modern borders and epitomises the debates that surround them This book examines the development of the US Canada border provides a detailed analysis of its current operation and concludes with an evaluation of the border's future The central objective is to examine how the border functions in practice presenting a series of case studies on its operation This book will be of interest to scholars of North American integration and border studies and to policy practitioners who will be particularly interested in the case studies and what they say about the impact of border reform

**Economic Crisis in Europe** J. DeBardeleben, C. Viju, 2013-02-27 The financial crisis of 2008-09 took an unexpected turn upon challenging a core symbol of Europe's integration project the Euro In this volume leading experts tackle questions on the capacity of the EU to respond the manner discontent electorates will hold their leaders to account and the implications for Europe's future relations with Russia

*Critical Citizens* Pippa Norris, 1999-03-25 Critical Citizens Global Support for Democratic Government analyses a series of interrelated questions The first two are diagnostic how far are there legitimate grounds for concern about public support for democracy world wide Are trends towards growing cynicism evident in the United States evident in many established and newer democracies The second concern is analytical what are the main political economic and cultural factors driving the dynamics of support for democratic government The final questions are prescriptive what are the consequences of this analysis and what are the implications for strengthening democratic governance This book has brought together a distinguished group of international scholars who develop a global analysis of these issues that looks at trends in established and newer democracies as we approach the end of the twentieth century It also presents the first results of the 1995-7 World Values Study as well as drawing on an extensive range of comparative empirical evidence Challenging the conventional wisdom this original and

stimulating book concludes that accounts of a democratic crisis are greatly exaggerated By the mid 1990s most citizens world wide shared widespread aspirations to the ideals and principles of democratic government At the same time there remains a marked gap between evaluations of the ideal and the practice of democracy The public in many newer democracies in Central and Eastern Europe and in Latin America proved deeply critical of the performance of their governing regimes And in many established democracies the 1980s saw a decline in public confidence in the core institutions of representative democracy including parliaments the legal system and political parties The book considers the causes and consequences of the development of critical citizens It will prove invaluable for those interested in comparative politics public opinion and the dynamics of the democratization process ADVANCE PRAISE The great democratic paradox of the 1990s is that it has simultaneously been the decade of democratization and the decade of growing distrust of democratic institutions This volume admirably dissects the complex and multi dimensional background of these conflicting trends and presents a judicious evaluation of the grounds of optimism and pessimism in which fortunately the former prevails AREND LIJPHART University of California San Diego Critical Citizens is the most comprehensive collection of comparative work on confidence in government and sources of public support for democracy I strongly recommend it SEYMOUR MARTIN LIPSET George Mason University Pippa Norris and her colleagues examine claims and counter claims about the erosion of public confidence in democracy describe the depth and dynamics of trust in government and lay out a broad and differentiated approach to the phenomenon They sort out the rather high degree of support for democracy from widespread uneasiness with the workings of institutions and with the behaviour of politicians Their book is must reading for survey researchers and comparative students of democracy alike SIDNEY TARROW Cornell University This is the most impressive comparative study of how citizens in contemporary democracies relate to their governments In an age of expanding democratic institutions around the globe the authors of Critical Citizens capture the reader's interest and provide a masterful update on one of the critical issues of our time CHRISTOPHER J ANDERSON Binghamton University SUNY It is the Civic Culture study 40 years later Critical Citizens is a landmark comparative study of trends in attitudes toward nation government regime political institutions and leaders in some forty regionally well distributed countries bringing together the research of a cross national team of social scientists led by Pippa Norris of the Harvard Kennedy School It is full of theoretically interesting insights as well as findings that have an important bearing on public policy GABRIEL ALMOND Stanford

**The Canadian Election Studies** Mebs Kanji, Antoine Bilodeau, Thomas J. Scotto, 2012-01-01 Why do Canadians vote the way they do For more than forty years the primary objective of the ongoing Canadian Election Studies CES has been to investigate that question This volume brings together principal investigators of the Studies to document the history of this impressive collection of surveys examine what has been learned and consider their future The wide ranging collection of essays provides useful background and insights on the relevance of the CES and lends perspective to the debate about where to steer the CES in the years

ahead     *Canada Votes, 1935-1988* Frank B. Feigert, 1989 This work updates and enhances Howard Scarrow's *Canada Votes* 1962 with complete election data from the constituency level through the province region and nation for more than a half century of Canadian political life since the benchmark election of 1935 Frank Feigert adds a description of the circumstances of all the elections since and he gives background descriptions of the electoral systems in each province and territory The result is a compendium of data and analysis that can be found nowhere else and which will be an invaluable sourcebook for students of Canadian political behavior     *The State Roots of National Politics* Michael B. Berkman, 2010-11-23 Winner of the William Anderson Award of the American Political Science Association Explores the role of state politics in shaping the national agenda during the 1980s By focusing on the federal tax policy from 1978-1986 Berkman argues that a conservative political agenda slowly replaced the liberal agenda dominant since World War II The state roots model asserts that national policymakers particularly members of Congress are products of their state political systems and environments Berkman applies this model to the tax cutting policies that took hold nationally in 1978 before Reagan came to office and continued in the tax acts of 1981 and 1986     *Making Regulatory Policy* Keith Hawkins, John N. Thomas, 2010-11-23 Contributors Barry Boyer Colin S Diver Daniel J Gifford Keith Hawkins Peter K Manning Errol Meidinger Robert L Rabin Paul Rock and John M Thomas Few scholars have applied modern behavioral and organization theory to study U S regulatory agencies and fewer still have integrated this approach with frameworks drawn from administrative law and analysis This multidisciplinary collection combines detailed case studies with theoretical discussions drawing upon legal concepts organizational analysis and behavioral theory     *The Speaker and the Budget* Daniel J. Palazzolo, 2010-11-23 One of the most important changes in Congress in decades were the extensive congressional reforms of the 1970s which moved the congressional budget process into the focus of congressional policy making and shifted decision making away from committees This overwhelming attention to the federal budget allowed party leaders to emerge as central decision makers Palazzolo traces the changing nature of the Speaker of the House's role in the congressional budget process from the passage of the Budget and Impoundment Control Act of 1974 through the 100th Congress in 1988 As the deficit grew and budget politics became more partisan in the 1980s the Speaker became more involved in policy related functions such as setting budget priorities and negotiating budget agreements with Senate leaders and the president Consequently the Speaker's role as leader of the institution was subordinated to his role as a party leader     **Politics within the State** Ben Ross Schneider, 2010-11-23 Brazil was one of the most successful examples of state led industrialization in the post 1945 era Yet on the surface the Brazilian bureaucracy appears highly fragmented personalized and ad hoc Ben Ross Schneider looks behind this facade to explain how the Brazilian bureaucracy contributes to industrialization by analyzing career patterns and appointments which structure incentives and power more than formal organizations or institutions Politics and personalism of the right sort Schneider argues can in fact enhance policy effectiveness and state capacity     Fiscal Policy Convergence from Reagan to

Blair Arthur T. Denzau, Ravi K. Roy, 2003-10-30 The elections of Bill Clinton and Tony Blair in the 1990s saw the consolidation and completion of critical aspects of the Reagan Thatcher fiscal agenda This impressive book critically analyzes this process It has been previously thought that this process of adopting common fiscal policies was caused by economic integration and globalization Fisc

**History and Context in Comparative Public Policy** Douglas E. Ashford, 2010-11-23 Douglas E Ashford joins a growing number of scholars who have questioned the behavioralist assumptions of much policy science The essays in this volume show why policy analysis cannot be confined to prevailing methods of social science Policy making behavior involves historical contextual and philosophical factors that also raise critical questions about the concepts and theory of the discipline Ashford asks difficult questions about the contextual conjunctural and unintentional circumstances that affect actual decision making His bridging essays summarize opposing viewpoints and conflicting interpretations to help form a new agenda for comparative policy analysis

**The Japanese Prime Minister and Public Policy** Kenji Hayao, 2014-08-09 Despite the undeniable importance of Japan in world affairs both politically and economically the office of the Japanese prime minister has received far less attention from scholars than have the top political offices in other advanced industrialized democracies This book is the first major systemic analysis of the Japanese prime minister's role and influence in the policy process Kenji Hayao argues that the Japanese prime minister can play a major if not critical role in bringing about a change in policy In Japan the prime minister's style is different from what is considered usual for parliamentary leaders rather than being strong and assertive he tends to be reactive How did the role develop in this way If he is not a major initiator of policy change how and under what conditions can the prime minister make his impact felt Finally what are the consequences of this rather weak leadership In answering these questions Professor Hayao presents two case studies educational reform and reform of the tax system involving Nakasone Yasuhiro to see how he became involved in the policy issues and how he affected the process Hayao then examines a number of broad forces that seem important in explaining the prime minister's role in the policy process how a leader is chosen his relationships with other important actors in the political system the political parties and the subgovernments and the structure of his inner staff and advisors

**Communication and Information Technologies Annual** Laura Robinson, Jeremy Schulz, Hopeton S. Dunn, 2016-12-19 This volume examines many aspects impacting the digital divide in Latin America and the politics of digital inclusion including mobile youth identities technology affordability school transformation by digital media the diffusion of e-commerce platforms and digital technology in SMEs

*Interests and Institutions* Robert H. Salisbury, 1992-10-15 Interest and Institutions is a collection of essays written by distinguished political scientist Robert Salisbury a leading analyst of interest group politics He offers his theories on the workings and influence of groups organizations and individuals in many different areas of American politics

Native Americans and Public Policy Fremont J. Lyden, Lyman H. Legters, 2010-11-23 Native Americans who are recognized simultaneously as sovereign tribal groups and as American citizens present American society and its policy

making process with a problem fundamentally different from that posed by other ethnic minorities In these essays the contributors discuss the historical background certain pathologies of Indian white relations questions of legal sovereignty and economic development and efforts to find new ways of successfully resolving recent controversies Contributors Gary C Anders Russel Lawrence Barsh Guillermo Bartelt Duane Champagne Ward Churchill Michael J Evans M Annette Jaimes Anne McCulloch C Patrick Morris Nicholas C Peroff Kurt Russo Dave Somers Richard W Stoffle Ronald L Trosper Steven Zubalik and the editors *The Budget-Maximizing Bureaucrat* Andre Blais, Stephane Dion, 1991-11-15 Thirteen scholars reexamine one of the most provocative and debated models of bureaucratic behavior as developed by William A Niskanen in his seminal book *Bureaucracy and Representative Government* The essays evaluate a wide array of findings both qualitative and quantitative relevant to the various aspects of the model and offer conclusions about its merits and limits suggesting alternative explanations of bureaucratic behavior Niskanen provides his own reassessment and reflections on the debate

**Affirmative Action at Work** Bron Raymond Taylor, 2010-11-23 Bron Taylor unites theoretical and applied social science to analyze a salient contemporary moral and political problem Three decades after the passage of civil rights laws criteria for hiring and promotion to redress past discrimination and the sensitive quota question are still unresolved issues Taylor reviews the works of prominent social scientists and philosophers on the moral and legal principles underlying affirmative action and examines them in light of his own empirical study Using participant observation in depth interviewing and a detailed questionnaire he examines the attitudes of four groups in the California Department of Parks and Recreation male and female white and nonwhite workers Because the department has implemented a strong program for ten years its employees have had firsthand experience with affirmative action Their views about the rights of minorities in the economy are often surprising This work presents a comprehensive picture of the cross pressures the racial fears and antagonisms the moral ethical and religious views about fairness and opportunity the rigid ideas that guide popular attitudes Tage Erlander Olof Ruin, 2010-11-23 Prime minister of Sweden and leader of the Social Democratic party from 1946 1969 Tage Erlander enjoyed a career that was remarkable both for its major accomplishments and longevity Under his leadership Sweden became an exemplary welfare state following World War II Universal pensions child support health insurance extended paid vacations subsidized housing and many other benefits made Sweden's standard of living the envy of the world This definitive political biography is both the study of an individual style of leadership and the role of the prime minister in a parliamentary state It shows Erlander as a complex and engaging intellectual fiercely loyal to his party agitative yet dedicated to cooperation between parties Olof Ruin analyzes Erlander's various roles as Riksdag caucus leader cabinet organizer party leader promoter of domestic consensus and foreign policy maker Ruin is the first scholar to be given unrestricted access to Erlander's diaries

### **Economic Decline And Political Change Canada Great Britain The United States Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Economic Decline And Political Change Canada Great Britain The United States free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF

files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Economic Decline And Political Change Canada Great Britain The United States free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Economic Decline And Political Change Canada Great Britain The United States free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Economic Decline And Political Change Canada Great Britain The United States. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Economic Decline And Political Change Canada Great Britain The United States any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Economic Decline And Political Change Canada Great Britain The United States Books**
