**Publisher description The Stakeholder Strategy** Ann Svendsen,1998-12 In today s highly networked and competitive global economy mounting social and environmental problems are forcing corporations to focus on more than just their stockholders interest in meeting bottom line profitability More and more companies are recognizing the value of identifying and building relationships with all of their organization s stakeholders employees customers suppliers and even communities In fact recent research has shown that companies that treat their employees well create jobs in the local economy develop innovative products and services take care of the environment and contribute to the community are often more profitable In

The Stakeholder Strategy sociologist Ann Svendsen presents an effective and practical step by step guide that companies can use to forge a network of powerful and profitable collaborative stakeholder relationships While some forward thinking corporations have tried limited collaborative approaches focusing on one stakeholder group at a time few have taken a comprehensive and strategic approach to building relationships with all of their stakeholders notes Svendsen And while considerable commitment to the idea of stakeholder collaboration exists there is a lack of knowledge and understanding about how to develop these relationships The Stakeholder Strategy is the first book to show business leaders and managers how to establish and maintain positive mutually beneficial stakeholder relationships Based on a synthesis of ideas from community relations corporate philanthropy stakeholder management organizational change sustainability and the corporate social responsibility literature it offers an integrated framework as well as the practical tools for developing new kinds of collaborative relationships Svendsen uses easy to grasp concepts from everyday life such as the process we go through in finding a mate or developing a long term friendship to illustrate these relationship building strategies She lays out the steps a company should take to create a collaboration friendly organization establishing a social mission values and ethical guidelines assessing corporate readiness for collaboration and making changes in communication information and reward systems to support internal and external collaboration Featuring case study examples from companies in North America and Europe who are working to build collaborative relationships with their stakeholders The Stakeholder Strategy is the first book to provide a detailed explanation of how to conduct stakeholder audits and social audits so that companies can evaluate their relationship building success and keep on track

#### **Spirituality and Sustainability** Satinder Dhiman, Joan

Marques, 2016-06-13 This book aims to examine sustainability and spirituality philosophically with ethics as the balancing force The goal is to reveal the important intersection between sustainability and spirituality by using spirituality as the invisible guiding hand in the quest for sustainability The editors and contributors examine old social and economics dilemmas from a new perspective in order to provide alternative approaches to economic and social development The enclosed contributions cover a broad range of topics such as sustainable development and human happiness contemporary spirituality environmental ethics and responsibility and corporate social responsibility In addition the title features real world case studies and discussion questions that inspire self reflection and theoretical and empirical deliberation in academic courses and business seminars Contemporary approaches to economic and social development have failed to address humankind's abiding need for spiritual growth For material development to be sustainable spiritual advancement must be seen as an integral part of the human development algorithm While the policy makers and governments can play their respective role each one of us has to consciously adopt spirituality and sustainability as a way of life This book will rely on the spiritual power of individuals to heal themselves and the environment Featuring interdisciplinary perspectives in areas such as science marine biology environmental policy cultural studies psychology philosophy ecological economics and ethics this

book will provide extensive insights into the complimentary fields of spirituality sustainability and ethics **In Business**,1993 *Einstein's Business* Dawson Church,2007-01-10 At this threshold of our species evolution there is an increasing recognition that new approaches are needed to create the radical changes necessary for humanity to survive on this planet Business is not exempt it s at the center of this radical change Business can even be the lynchpin around which the rest of social transformation takes place and can lead the way as we relinquish our addiction to control and to the extreme competitiveness that has paralyzed us and prevented us from uniting to address the urgency of the crisis at hand In this anthology some of the best selling business authors of today infuse their visions experiences and insights into the ongoing conversation about how to find solutions to seemingly impossible challenges The guiding principles for the book are derived from the inspiring timeless wisdom of Albert Einstein a man who modeled the ability to be a channel for intuitive imaginative and collective intelligence From that realm we can draw on collective intelligence to re invent ourselves and transform business **Sustainability: The Business Perspective** , *Business Lessons from a Radical Industrialist* Ray Anderson,2011-03-29 America s greenest CEO and the hero from the award winning documentary The Corporation makes the urgent compelling case that sustainable business pays His story is now legend In 1994 after reading The Ecology of Commerce by Paul Hawken Ray Anderson felt a spear in the chest the founder of Interface Inc a billion dollar carpeting manufacturer realized that his company was plundering the environment and he needed to steer it on a new course Since then Interface has cut its greenhouse gas emissions by 82% and the goal is to reach zero environmental footprint by 2020 Thoughtful and winning Confessions of a Radical Industrialist shows how Anderson revolutionized his company in the process bringing costs down improving quality making it one of Fortune s 100 Best Companies to Work For and driving up profits The publisher has aimed for sustainability in all aspects of this book s production from the inks and glues to the trim size The interior paper is 100% post consumer recycled certified by the Forest Stewardship Council and ancient forest friendly Instead of a jacket the cover boards are wrapped in 100% recycled paper stock coated in a biodegradable varnish and these are just two examples among many Business Ethics ,1993 Business Lessons from a Radical Industrialist Ray C. Anderson,Robin White,2011-03-29 The founder and chairman of a major carpet manufacturer describes how he transformed his company in accordance with Earth friendly initiatives and sustainable practices and reveals how his company s examples can be adopted by other businesses **Forthcoming Books** Rose Army,1994-02
