Economic Growth And Development In Jordan:

Economic Growth and Development in Jordan Michael P. Mazur, 2023-01-20 First Published in 1979 Economic Growth and Development in Jordan is a comprehensive analysis of the economies of pre 1967 Jordan and the post 1967 East Bank Part I includes statistical data that measures the growth performance of Jordan's prewar economy and presents the first quantitative explanation of its concentration in the service sector Part II surveys the postwar East Bank economy including a critical analysis of statistical data The third section of the book covers Jordan's development policies and experiences in the areas of agriculture industry and planning Dr Mazur concludes with speculations on the future of the Jordanian economy with and without a Middle East peace settlement This is an interesting read for students and researchers of economics Middle East studies and Middle East economics

Economic Growth and Development Olivier La Grandville, 2011-12-12 Since the very beginnings of economics as a science which might be dated from Ibn Khaldun's Introduction to History 1377 the challenge of making societies escape from poverty and attain some degree of prosperity has always been and can remain a fundamental issue This book presents research on each of these issues

Nationalist Voices in Jordan Betty S. Anderson, 2005-05-01 According to conventional wisdom the national identity of the Jordanian state was defined by the ruling Hashemite family which has governed the country since the 1920s But this view overlooks the significant role that the Arab street in this case ordinary Jordanians and Palestinians played and continues to play in defining national identity in Jordan and the Fertile Crescent as a whole Indeed as this pathfinding study makes clear the street no less than the state has been a major actor in the process of nation building in the Middle East during and after the colonial era In this book Betty Anderson examines the activities of the Jordanian National Movement JNM a collection of leftist political parties that worked to promote pan Arab unity and oppose the continuation of a separate Jordanian state from the 1920s through the 1950s Using primary sources including memoirs interviews poetry textbooks and newspapers as well as archival records she shows how the expansion of education new jobs in the public and private sectors changes in economic relationships the establishment of national militaries and the explosion of media outlets all converged to offer ordinary Jordanians and Palestinians who were under the Jordanian government at the time an alternative sense of national identity Anderson convincingly demonstrates that key elements of the JNM's pan Arab vision and goals influenced and were ultimately adopted by the Hashemite elite even though the movement itself was politically defeated in 1957

The Economic Development of Jordan (RLE Economy of Middle East) Bichara Khader, Adnan Badran, 2014-10-30 Jordan is one of the most important countries of the Fertile Crescent Although it is not richly endowed with material resources its political significance in the region gives it considerable authority This book focuses on the economic development of Jordan over the last decade It analyses the structural changes the economy has undergone and examines the experience of the key sectors It also looks at the contribution of foreign aid and emigrant workers remittances to the economy The book concludes that there

is a significant potential for the Jordanian economy but the current political and economic problems facing it are daunting

First published in 1987 Jordan in Transition Curtis R. Ryan, 2002 Jordan has long been regarded as a pivotal country in the Middle East one whose policy choices carry strong implications for regional stability Jordan in Transition offers a cogent and compelling analysis of the country's domestic and international politics Ryan argues that there have been four dramatic transitions in Jordan's recent past ambitious economic restructuring efforts toward political liberalization realignments in foreign relations culminating in the 1994 peace agreement with Israel and the succession of King Abdullah II Exploring these transitions and how each in turn affects the others he provides a major contribution to our understanding of Jordan **A**

Select Bibliography On Economic Development John P. Powelson, 2019-05-20 This bibliography of more than 2 000 titles contains both books and journal articles primarily those published since 1970 Most of the entries are annotated The material is classified according to forty eight categories and there is also a list of relevant titles for each major country in Africa Asia and Latin America *The role of agriculture and agro-processing for development in Jordan* Figueroa, Jose Luis, Mahmoud, Mai, Breisinger, Clemens, 2018-02-01 This paper aims to support the implementation of the strategic development plans of Jordan by analyzing the role of agriculture and farmers in the Jordanian economy the role that productivity and structural change can play for fostering agricultural growth and the role agro processing may play in Jordan's economic development We argue that the development of the agro processing sector often has stronger backward and forward linkages with the agricultural sector than other sectors and thus plays an important role for rural transformation **Jordan Economic and Development Strategy Handbook Volume 1 Strategic Information and Programs** IBP. Inc., 2015-12-11 2011 Updated Reprint Updated Annually Jordan Economic Development Strategy Handbook *Artificial Intelligence (AI) and Finance* Bahaaeddin A. M. Alareeni, Islam Elgedawy, 2023-08-26 Artificial intelligence AI has the potential to significantly improve efficiency reduce costs and increase the speed and accuracy of financial decision making making it an increasingly important tool for financial professionals One way that AI can improve efficiency in finance is by automating tasks and processes that are time consuming and repetitive for humans For example AI algorithms can be used to analyze and process large amounts of data such as financial statements and market data in a fraction of the time that it would take a human to do so This can allow financial professionals to focus on higher value tasks such as interpreting data and making strategic decisions rather than being bogged down by mundane tasks AI can also reduce costs in finance by increasing automation and eliminating the need for certain tasks to be performed manually This can result in cost savings for financial institutions which can then be passed on to customers in the form of lower fees or better services AI can be used to identify unusual patterns of activity that may indicate fraudulent behavior This can help financial institutions reduce losses from fraud and improve customer security AI powered chatbots and virtual assistants can help financial institutions provide faster more efficient customer service particularly when it comes to answering common questions and handling routine tasks Some financial institutions are using

AI to analyze market data and make trades in real time AI powered trading algorithms can potentially make faster and more accurate trading decisions than humans In terms of speed and accuracy AI algorithms can analyze data and make decisions much faster than humans and can do so with a high degree of accuracy This can be particularly useful in fast moving financial markets where quick and accurate decision making can be the difference between success and failure This book highlights how AI in finance can improve efficiency reduce costs and increase the speed and accuracy of financial decision making Moreover the book also focuses on how to ensure the responsible and ethical use of AI in finance This book is a valuable resource for students scholars academicians researchers professionals executives government agencies and policymakers interested in exploring the role of artificial intelligence AI in finance Its goal is to provide a comprehensive overview of the latest research and knowledge in this area and to stimulate further inquiry and exploration

Intellectual Property and Development Rami M. Olwan,2013-03-15 The book examines the correlation between Intellectual Property Law notably copyright on the one hand and social and economic development on the other The main focus of the initial overview is on historical legal economic and cultural aspects Building on that the work subsequently investigates how intellectual property systems have to be designed in order to foster social and economic growth in developing countries and puts forward theoretical and practical solutions that should be considered and implemented by policy makers legal experts and the World Intellectual Property Organization WIPO
