Economics Today Roger LeRoy Miller, 2003-06 *Economics Today The Macro View* has long led the field in offering students and instructors a dynamic application rich approach to teaching and learning macroeconomics. The book is based on the belief that students learn more when they are involved and engaged. The 12th edition features all new examples that have been selected to grab and hold students' attention. These examples serve one basic purpose to drive home the application of the theory just presented. One of the keys to the success of *Economics Today The Macro View* is that it is suitable for many teaching styles. Instructors who wish to stress theory can do so. Those who wish to stress applications and examples can do that. Those who wish to incorporate technology into the class can do so with ease using MyEconLab. [Economics Today](#)
