Publishing Record ,1982-04 **Subject Guide to Books in Print** ,1971 **The economy, liberty and the state** Calvin

B. Hoover,1959 *The Economic Liberty and the State* Calvin B. Hoover,1959 The Challenge to Liberty Herbert

Hoover,1971 *American Individualism* Herbert Hoover,1989 From the Preface Hoover s message in American

Individualism was not so gray as his prose Like most one time Progressives he looked forward to perpetual advance spurred on by technology inhibited only by irrational politicians greedy interest groups and what he called individualism run riot His was an incremental idealism wherein personal success was tempered and purified by service to others Character is made in the community as well as in the individual by assuming responsibilities wrote the man who had abandoned his engineering career to feed war ravaged Europe not by escape from them In his 1922 work the future president envisioned a delicate balancing act between capitalists workers and a public represented by the national government Should one group gain authority over the others the result would be fascism socialism or tyranny by bureaucracy And individualism the mainspring of American greatness would be crippled for good Twelve years would pass before Hoover s next attempt at codifying values The Challenge to Liberty was necessarily a very different work less a summons to cooperation than a warning against incipient fascism I am no more fond of the Wall Street model of liberty than I am of the Pennsylvania Avenue model asserted the former president for whom the Bill of Rights took precedence over property rights Now as in 1922 Hoover wrote in the shadow of revolution nationalistic frenzy and economic confusion But he did not fear Depression era mobs in the streets of American cities The threat to liberty was more subtle than that What Hoover termed the tragedy of Liberty followed a similar pattern on both sides of the Atlantic idealism without realism slogans phrases and statements destructive to confidence in existing institutions demands for violent action against slowly curable ills unfair representation that sporadic wickedness in the system itself Next came the man on horseback demanding delegation of authority from elected representatives denouncing all opposition and exploiting propagandists in the pay of the state State of the Union Addresses Herbert Hoover,2022-06-02 In State of the Union Addresses Herbert Hoover presents a poignant reflection of his Presidential ethos amid the foreboding economic climate of 1929 This seminal work encapsulates Hoover s first address as President delivered as the herald of the Great Depression loomed The literary fabric of this work is woven with the gravitas of historical timing and the rhetorical commitment to American ideals Hoover s prose characterized by its forthright and earnest cadence is contextualized within the larger narrative of American statesmanship providing readers with a snapshot of

the nation's psyche at a time of significant turmoil and transition. The book not only documents Hoover's policy positions but also enshrines the values he deemed essential to the American spirit: justice, liberty, equality, and the advancement of knowledge among them. As the 31st President of the United States, Herbert Hoover was a man shaped by his expertise in international relief and an illustrious career as a mining engineer, public administrator, and Secretary of Commerce. His holistic vision, tempered by humanitarian endeavors and administrative acumen, is evident in his conviction to address and alleviate the hardship faced by the American public. The tumultuous onset of the Great Depression gave an urgent impetus to communicating a plan that would embody resilience and optimism. Hoover's address consequently serves as a testament to his belief in American fortitude and the promise of progress grounded in civic virtues and individual industriousness. Scholarly interest and general readers alike will find State of the Union Addresses to be an indispensable text. It is a clarion call for reflection, offering in-depth understanding of Hoover's presidential philosophy, contextual insights into a pivotal moment in U.S. history, and an appreciation for the rhetoric embodied in presidential communications. This volume is recommended for students of American history, political science, and rhetoric, and for any reader seeking to delve into the complexities and challenges of leadership at one of the country's most defining junctures.

The Challenge of Liberty
 Herbert Hoover, 1971 **The Challenge to Liberty, by Herbert Hoover** Herbert Hoover, 1934 Economic Systems and Public Policy Calvin Bryce Hoover, 1966 **The Memoirs of Herbert Hoover** Herbert Hoover, The volume by President Hoover is organized as follows: Introduction, The Origins of the Depression, 1.
