Enjoying Stories Bk 2:

Scintillating Stories Book- 2 R. Jonnavittula, 2016-02-20 Life is too short to gain all knowledge by personal experience one has to learn from the experiences of others The best way to do this is through books A short story deals with an issue generally faced by us and interestingly shows how to tackle it Whether you agree with the author or not it is certainly educative Authors have a knack of casting a spell on you and attracting you to their point of view Readers should step off from the author from time to time and reexamine author's logic critically to be able to decide for yourself This is a collection of stories therefore I am giving a brief idea of each story Realization Some persons are incapable to express or expose their love they are often mistaken and families might get disrupted A marriage is for a lifetime in spite of occasional misunderstandings or lapses Sleep walker Sleep walking is an ailment the afflicted person is unaware of what the person does or what is done to the person during such a period it can lead to a lot of misunderstanding 7053 Sometimes a number may prove embarrassing It can also lead to a happy consequence An invasion history forgot to record Sometimes miracles defy the greed of unjust invaders A Deepavali gift Some people are prejudiced against Birth Control operation because they fear loss of potency due to the operation What a marriage There is a limit of tolerance even for a docile daughter in law when the limit is crossed she behaves differently No vacancy Some persons are proud about their beauty and expect the world to accord them primacy in all matters but life has its own norms and opportunities don't keep waiting for anyone Mangamma's prowess Some people profit by fooling gullible public Can you blame one for adopting the same path when her husband is making merry with another woman Awakening It is time that persons are judged by their characters rather than by their birth The umbrella A school girl forgets her umbrella at the bus shelter a student helps its restoration **A Gutterful Life (Change Stories - Book 2)** Kapil Raj, 2023-08-10 About the Book A Gutterful Life Change Stories Book 2 Hindus and Muslims live in harmony across an open gutter naala at the edge of the city Whether it's the story of Somu and Aklaq two innocent souls from different religions who stumble into each other on the naala and foster a friendship like no other Billu and Arif two budding businessmen trying to make a living who are subjected to inter community politics through the tryst of fate or the community's favourite Chai Chachu an old tea seller with unknown origin but an important story to tell A Gutterful Life brings forth a plethora of sentiments culminating in an emotional climax Will Aklaq and Somu's friendship survive the vagaries of communal division Will Chai Chachu be able to bridge the gap between Hindus and Muslims across the naala Will religious propaganda compel people to forget their hardships and sow seeds of division in the illusion of unity About Change Stories Each short story interweaves a heartening story with a deeply imbibed social issue hardened public belief and associated fabrications As you read the narrative you watch and evolve with the characters sometimes feeling yourself in them empathizing in circumstances that may or may not have existed in your lives A Gutterful Life is the second story launched in the series after Kuroopa My Struggle: Book 2 Karl Ove Knausgaard, 2013-05-02 The second book in

perhaps the most significant literary enterprise of our time from the international bestselling author of *The Third Realm* Rachel Cusk *The Guardian* Finalist *The Independent Foreign Fiction Prize* *A Wall Street Journal* Best Book of the Year In the second installment of Karl Ove Knausgaard's monumental six volume masterpiece the character Karl Ove Knausgaard moves to Stockholm where having left his wife he leads a solitary existence He strikes up a deep friendship with another exiled Norwegian a Nietzschean intellectual and boxing fanatic named Geir He also tracks down Linda whom he met at a writers workshop a few years earlier and who fascinated him deeply *My Struggle Book 2* is at heart a love story the story of Karl Ove falling in love with his second wife But the novel also tells other stories of becoming a father of the turbulence of family life of outrageously unsuccessful attempts at a family vacation of the emotional strain of birthday parties for children and of the daily frustrations rhythms and distractions of city life keeping him from and filling his novel It is a brilliant work that emphatically delivers on the unlikely promise that many hundreds of pages later readers will be left breathlessly demanding more Achieves an aching intimacy one that transcends the personal and makes Knausgaard's pursuit of grand artistic ideals his daily joys and misgivings strangely familiar *Time Out New York* Knausgaard has written one of those books so aesthetically forceful as to be revolutionary *The Paris Review* *Book #2 Short Stories about, The Time Travelers Travels* Charles Neuf, 2018-04-03 This is a continuation of a series of short stories about real things and happening of a real Detective Time Traveler covering a time period of 70 years most stories having a 10 to 20 minute reading time a few may be longer Police PI's Tao Zen Past Now TimeTravel These are stories of Cities little towns and Farms of the past Police stories about every kind of Police action Private Investigator stories taken from real case files of The Investigator Charles E Neuf Many of the stories are based on the Investigators beliefs of Zen Dimensions Tao Laws of the Universe and Oneness Written in easy to understand and read formats as true Short Stories about things the Writer has learned through personal experiences and research For the convenience of the reader the stories are easy to read in book form since the type is 14 point with 6 points between lines This means you could be reading the stories in low light and while moving in a car bus plane or train
