4D Leadership Alan Watkins, 2015-12-03 Today's leaders need to change radically to meet the challenge of complex organizations in business landscapes that are in flux This requires a step change in development in three fundamental dimensions how you do things who you are and how you relate to other people 4D Leadership is what happens when this step change in doing being and relating takes place When you move up to the next

level of ability and sophistication in these three dimensions you will have unlocked the fourth dimension verticality and you will receive a significant competitive advantage Neuroscientist and leadership coach Dr Alan Watkins draws on groundbreaking research into adult development to present a framework that will transform your ability to excel as a leader 4D Leadership isn't just a software patch for leadership skills this is an upgrade to the next level of the human operating system the next level of leadership development 4D Leadership is the book for anyone who feels overwhelmed by the competing priorities of their jobs anyone who feels stressed by trying to maintain competitive advantage through innovation anyone looking to develop a more responsive and rewarding strategy drive change and take people with them and become a truly rounded and 4 dimensional leader The Extraordinary Workplace Danna Beal, 2010 Millions of people whether leaders or employees spend three quarters of their waking hours in energy depleting environments Today's workplace is often a web of egos competing for power managers disempowering employees and co workers hurting and sabotaging each other The troubles within the auto and financial industries are simply extreme examples of what is occurring in many businesses and in government In a complex uncertain workplace environment many feel on the brink desperate for a way out of their sense of entrapment This book reveals the source of fear and conflict in organisations and provides the solution for unravelling the complex web of interacting egos It offers a personal restoration plan that leads to inner security and a path to freedom As individuals connect with their higher selves they are rejuvenated and can contribute to transformation in the workplace This book shows us how to heal the workplace culture by rebuilding relationships to honour our own and others spirits When fear is replaced with trust and compassion a shift in consciousness can occur The shallow interpretation of ourselves as people who need to battle for power and validation belies our incredible authentic power You will learn how to Rebuild relationships throughout organisations Give up the constraints of the ego and its need for external validation Replace fear with trust and compassion so people can perform at their best Build teamwork co operation and synergism instead of internal rivalry and competition Expand productivity creativity profitability and enthusiasm of team members Increase loyalty respect retention and commitment End power struggles paranoia gossip personal agendas and drama that drain time and money Develop leaders and managers who have the inner courage and authenticity of great leaders The Leadership In Management: Understanding Leadership Wisdom C. Rajendra Kumar, 2007 **Buddhist Approach to Global Leadership and Shared Responsibilities for Sustainable Societies** Thich Nhat Tu, Thich Duc Thien, 2019-05-03 FOREWORD In 1999 the General Assembly of the United Nations adopted the resolution to recognize the Vesak Day as an International Day of Recognition of Buddhists and the contribution of the Buddha to the world Since then the people and the Royal Government of the Kingdom of Thailand in general and Mahachulalongkornrajavidyalaya University in particular were very honored to have successively and successfully held for twelve years the United Nations Day of Vesak Celebrations in Thailand From 2004 to date we have come a long way in the celebrations and we are happy to be the host and organizer but it is time for the

celebrations to grow and evolve The United Nations Day of Vesak is coming to maturity with twelve celebrations under our belt much experience gained and it is time now to share this with others There will always be room for growth and development and we are elated to see it grow In 2006 2007 having joined the International Organizing Committee for the UN Day of Vesak as Deputy Secretary General Ven Dr Thich Nhat Tu has played a crucial role in building strong relationships between the National Vietnam Buddhist Sangha and the International Council for Day of Vesak in particular and the Global Buddhist communities in general We have supported and congratulated Vietnam on organizing successful UNDV celebrations and conference in 2008 and 2014 respectively We have full trust in Vietnam being the host of UNDV 2019 for the third time We like to thank all those who have contributed to the success of previous celebrations and wish all future celebrations be successful The teachings of the Buddha see no boundaries the minds of all are alike the sufferings of all are similar and truly and the liberation of all is the same We are happy to initiate the process develop the scope and now it is time for others to follow in similar footsteps evolve the celebrations into a truly international event that can be shared with Buddhists and Non Buddhists alike Let the Dhamma of the Buddha be the beacon to the world shredding away the ignorance within our hearts bringing development into sustainable capacity for humanity and more importantly peace and harmony to the world Most Ven Prof Brahmapundit President International Council for Day of Vesak ICDV President International Association of Buddhist Universities IABU PREFACE The history of mankind records how the Buddha got enlightenment and showed a path which not only leads but also guides the world till date That is solely to emanate wisdom and offer insights which help us overcome numerous challenges and achieve the welfare of humanity Recognizing his pragmatic approach values and contribution of Buddhism the United Nations in a resolution in 1999 decided to celebrate the Triply Blessed Day of Vesak Birth Enlightenment and Passing Away of Gautama falling mostly in a lunar calendar in the month of May The first celebrations were held way back in the year 2000 at the United Nations Headquarters in New York and subsequently the day has been celebrated hugely in different countries Today our planet is confronted with a number of crises and unprecedented natural disasters The imminent threat of terrorism and ethnic violence tackling poverty providing education and sustainable development leads us to strive for social justice There is an urgent need for concerted and constant planning and right effort at an international level to foster permanent peace in the societies and in the lives of individuals Against the backdrop of such widespread misery and strife leading to complex issues and crises Buddhism with its rich heritage of tolerance and non violence can contribute immensely and inspire us with His message of loving kindness peace and harmony in today s world The United Nations Day of Vesak UNDV 2019 is a testimony to this fact Vietnam got the chance and responsibility of hosting this international Buddhist event UNDV in 2008 and 2014 respectively The event proved an amazing spectacle of religious and spiritual festivity with thousands of Buddhists from around the world converging in Vietnam to spread the Buddha s message of peace love and harmony This is the third time that Vietnam is hosting this important international event which is

viewed by Buddhists as an opportunity to spread the Buddha's message and values of love, peace, non-violence, tolerance and compassion across the world. It is a great honor for Vietnam, the Vietnamese people, the National Vietnam Buddhist Sangha and Buddhists all around the world to participate in the UNDV celebrations and spread the rich Buddhist heritage, especially its teachings of equality, social justice, respect and understanding for the benefit of all humanity. World Buddhists and particularly the Vietnamese people are excited about their country hosting this auspicious and important event for the third time. This international religious, cultural and academic event would also certainly promote interaction and exchange of Buddhist cultural and intellectual values among diverse countries. The International Buddhist conference with the main theme of Buddhist Approach to Global Leadership and Shared Responsibilities for Sustainable Societies during the celebrations could not have been more relevant and timely. The present book is the outcome of one workshop representing one perspective of the conference. Other perspectives of the conference include: i) Mindful Leadership for Sustainable Peace; ii) Buddhist Approach to Harmonious Families, Healthcare and Sustainable Societies; iii) Buddhist Approach to Global Education in Ethics; iv) Buddhism and the Fourth Industrial Revolution; and v) Buddhist Approach to Responsible Consumption and Sustainable Development. This international conference aims to foster cooperation among Buddhist communities and institutions and to develop Buddhist solutions to the global crisis. Papers selected for this volume are those that combine thematic relevance, familiarity with the main theme or sub-themes, significant research in primary resources, innovative theoretical perspectives, clarity of organization and accessible prose style. Acceptable articles in this volume are determined by the Academic Peer Review Committee. UNDV 2019 certainly is an opportunity for the world Buddhists, the National Vietnam Buddhist Sangha and all the members of the international community to benefit from the rich traditions, values and spiritual ideals of Buddhism. The pragmatic path shown by Buddha can make the world a better, safer, more peaceful and harmonious place to be cherished and enjoyed by all sentient beings.
