Enlightenment The Way To Eternal Life:

Enlightenment I AM.2001-02-01 Miletstones of the Way: How East Meets West to Enrich Your Life Reverend Paul Lachlan Peck, 2011-07-15 Author Reverend Paul Lachlan Peck believes that millstones can be turned into milestonesthat adverse experiences can become opportunities for spiritual growth and magnificent manifestations By listening to the small voice of Spirit God you too can overcome the millstones in your own life Peck explores the intriguing ideas and puzzling questions of New Age teachings in this revised volume originally titled Intermediate Spiritual Metaphysics By examining the positive forces that manifest throughout the four major quadrants of life health wealth work and love Peck also shows how these forces work within the four primary institutions church finance government and education The Judaic Christian student of New Age theology will find answers to complex spiritual questions in this easy to read book that has been divided into the following three sections Part One considers dharma karma reincarnation and life between lives Part Two discusses the governance authority and responsibility of the universe Part Three devotes itself to the Revelation of St John the Divine the teachings that relate to daily spiritual life Milestones of the Way will provide you with an empowerment that heals and ultimately advances you on a path toward spiritual contentment The Final Testaments Uche Chuku, 2004-07 The story of Adam Eve God and the Serpent in the Garden of Eden is the true story of the miserable life we live as human beings on this earth But our understanding of the fateful events in Eden had been solidly formed by the falsified mind bending Bible stories we were told as children by parents and church ministers And even as adults organized religion still tells us the same illogical fables and somehow most of us have continued to reason and understand these crucial events that totally control our lives as children despite the fact that they do not agree with common sense So What is the Truth Jesus Christ came specifically to bear witness to the truth Yahweh the god of Eden had him killed through his religious agents who continue to muffle the truth and to mislead humanity But The Final Testaments offers the true definition of the events in Eden The Fall of the Human Souls the Actual Original Sin the Actual Genesis of this World the Diabolic Nature of Yahweh the God of Eden the Actual Antichrist or the Expected Immanuel Who really Killed Jesus Christ all these and more are authoritatively revealed
