The Enormous Carrot

Narrative

Once upon a time, there was an old man and an old woman. They lived in a small town. They loved to grow vegetables.

One day, the old man planted some carrot seeds. It took a long time to grow.

Then, it was the biggest carrot he had ever seen. He tried to pull it out. It would not move. So he called for his wife to come and help.

The man and lady pulled and pulled and pulled, but the carrot would not move. What were they going to do?

Then, they saw a boy collecting eggs. "Come and help us get this carrot out," said the man. The boy helped them. They pulled and pulled and pulled. The carrot still stuck.

They saw a girl walking past on her way to school. "Come and help us, please!" the lady said. She did, and the four people all held on and pulled and pulled and pulled. The carrot still did not move. "Let's find someone stronger!" they said.

Then, the man saw a sheepdog. "You are strong, so you can help us," said the farmer. Together, they all pulled and pulled and pulled, but it was still stuck. What could they do?

They found a cat and a tiny mouse to help. Together, they pulled and pulled and pulled. Finally, the carrot popped out of the ground and the man, the woman, the boy, the girl, the dog, the cat and the mouse all fell over!

"The good deed!" said the farmer, and he invited everyone back to his house for a lovely carrot dinner!
