Enter the Realm of Political Ideas and Thoughts Chadd N. Hatfield, Steve Payne, 2001-10-01 The Collected Writings of Louis James Block Louis James Block, 1928 **The Media Environment of Political Thought** Asaf Y. Shamis, 2017-10-11 The Media Environment of Political Thought offers a novel way of looking at the tradition of political thought by reconstructing the historical media landscapes in which great political texts of the past were produced It brings to light the little charted media environments in which two political innovators Jean Jacques Rousseau and Karl Marx operated and analyzes both how writing systems shaped their intellectual growth and how they used those systems to communicate their pioneering ideas The historical analysis is followed by a critical reflection on the future of political thought in the age of computer mediated communication Together the three studies presented in the book conjure up a view of the tradition of political thought as highly regulated stream of information shaped by historical writing systems Public Administration Howard E. was from the early 1890s to the mid 1920s an anti democratic nationalist political thinker and that his political thought eventually took on a fascist character This book makes no attempt to vilify or demonize Gottlob Frege nor does it try to rescue him from criticism It simply seeks to tell the truth about Frege s descent into fascism to document it in hitherto unprecedented detail to situate it in the context of intellectual and political debates in early Weimar era Germany and to explain how it could have happened that someone so intelligent and so manifestly devoted to reason and logic could have embraced fascism with such unreserved enthusiasm Frege and Fascism will be of interest to scholars of analytic philosophy intellectual history fascism and anti democratic thought *A Comparative Study of Thirty City-state Cultures* Mogens Herman Hansen,2000
