Enteral Nutrition Handbook For Dietitians And Health Professionals

Connie W. Bales, Christine S. Ritchie

Enteral Nutrition Handbook For Dietitians And Health Professionals:

Enteral Nutrition Barry Herman, 1991-01-15 Tells how to analyze the complete nutritional content of available enteral nutrition formulas perform nutritional assessments conduct enteral feedings treat complications monitor laboratory tests and plan at home care The purpose of this handbook is to aid dietitians and other health professionals in evaluating and making recommendations for patients receiving enteral nutrition The handbook is organized to guide the practitioner through various stages of support The initial section is designed to assist in performing a nutritional assessment This is followed by the main section on enteral feedings selection methods complications etc There are additional sections on laboratory tests to monitor and on discharge planning The information provided is designed to be practical and to facilitate efficient delivery of enteral feedings Examples are used to make calculations easily understood At the end of the book specific references are provided for statements made in the text This book is not intended as a conclusive text on enteral feedings It is instead a convenient guide for the professional to use during daily practice It also has the advantage of being written by dietitians currently working with enteral feedings at the clinical level

Nutrition Care of the Older Adult: a Handbook for Dietetics Professionals Working Throughout the Continuum of Care Kathleen C. Niedert, Becky Dorner, 2004 Completely revised with new chapters and sections covering everything the health care provider needs to know when working with the older adult either at home or in nursing and long term care facilities Chapters cover factors affecting nutrition nutrition and disease nutritional assessment dining challenges and regulatory compliance This scientifically sound and practical resource for new and experienced nutrition professionals includes new forms resources the food guide pyramid for older adults and an index of tales

Current Catalog National Library of Medicine (U.S.), 1993 First multi year cumulation covers six years 1965 70
