Entering The Life Of Prayer:

Entering the Castle Caroline Myss, 2007-03-06 Internationally renowned motivational teacher spiritual instructor and popular theologian Caroline Myss has created a transcendent work of unique insight and revelation in *Entering the Castle*. This exciting new teaching of contemporary mysticism is also a brilliant synthesis of the psychology of consciousness and of Eastern and Western mystical traditions. Myss provides a highly original inner path to self knowledge which is also the road into a spiritual knowledge of God and your own soul as she reveals a necessary external path one that takes you out into the world to serve God and others as a mystic without a monastery without having to retreat into total silence self denial or isolation. As her main template for this extraordinary modern spiritual journey Myss uses the beloved revered writings of *The Interior Castle* by Teresa of vila. Adapting Teresa's vision of the soul as a beautiful crystal castle with many floors or mansions and many rooms within those mansions Myss guides us from room to room helping us meet different aspects of our self our soul and our spirit preparing us for the ultimate encounter with God and our own divinity. Through intense practices and methods of spiritual inquiry adapted for contemporary life she helps us to develop our personal powers of prayer contemplation and intuition and to ascend the seven levels of soul knowledge that build an ever stronger interior castle of our own a soul of strength and stamina. As in all her books Myss also recounts stories of profoundly moving real life experiences of her own as well as of her students and of renowned spiritual figures that bring home the universal truth of her insights. Presiding over the entire book and journey are the great mystics ancient and contemporary of Christianity Judaism Islam and Hinduism with their inspiring lives and discerning spirits. And over all the benevolence truth and gentle and tough love of Teresa of vila shine through. Doubtless Myss's most deeply personal revealing compassionate and transforming book yet *Entering the Castle* is a comprehensive guidebook for the journey of your life a journey into the center of your soul. There peace God and a fearless bliss wait for you to discover them and claim them for your own. [Entering the Life of Prayer](#)

Gould,2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned *It Works* Philip John Halstead,Angelika Halstead,2025-07-17 Do you feel stuck on your journey toward spiritual and psychological growth Do you desire to deepen your insights from God's word develop a more intimate prayer life and relate to your Creator in a more meaningful way Then this book is for you It offers a wide ranging creative and practical map of spiritual practices that will help you to understand yourself draw closer to God and encourage psycho spiritual transformation Readers of this book will learn how to listen with their minds and hearts to Scripture to awaken to the sacredness and beauty found in nature and to receive and return God's loving gaze As readers make their way through this book and adopt some of these practices to their own lives they will discover that every moment of life holds possibilities for spiritual vitality and further growth They will expand their understanding of how to engage with the Divine in a way that
