Entering The Stone On Caves And Feeling Through The Dark:

Entering the Stone Barbara Hurd, 2005 Entering the Stone is an exhilarating work as much a spiritual essay as it is a natural history of caves that presents the cave as a place to find solitude and to confront the self Boston Herald *Entering the Stone* Barbara Hurd, 2008-06-01 In this exhilarating work Barbara Hurd explores some of the most extraordinary places on earth from sacred caves in India to secret caves in Arizona With passionately informed prose Hurd makes these strange dark spaces come to light illuminating the natural history and spiritual territory of caves as powerfully as Kathleen Norris portrayed the Dakotas Entering the Stone provides an awe inducing tour through a fragile and beautiful subterranean world

Walking the Wrack Line Barbara Hurd, 2008 This final volume in the author's trilogy which began with *Stirring the Mud* and *Entering the Stone* gives nature writing a human dimension and throws light on the mysterious and overlooked wonders on beaches as far flung as Morocco St Croix or Alaska and as familiar as California and Cape Cod *Inhuman Nature* Jeffrey Jerome Cohen, 2014 Collection of essays examining the ways in which humanity is enmeshed in its surroundings *Learning to Walk in the Dark* Barbara Brown Taylor, 2014-06-30 In this long awaited follow up to the best selling *An Altar in the World* Barbara Brown Taylor explores the treasures of darkness that the Bible speaks about What can we learn about the ways of God when we cannot see the way ahead are lost alone frightened not in control or when the world around us seems to have descended into darkness *The Changing World Religion Map* Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and

identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

Landscapes with Figures Robert L. Root,2007-04-01 For some a sense of place is about travel about plunging oneself into new settings For others it is about being and knowing home This book is a collection of essays memoirs nature writing and travel narratives that document the impact this sense of place has on writing In locations as familiar as Cape Cod or Mesa Verde and as exotic as Krak w or Kyrgyzstan thirteen accomplished writers of contemporary creative nonfiction share some of their most memorable work disclosing how place alters our perception and influences our insight Taking readers to deserts and forests islands and mountains Landscapes with Figures is an encounter not only with places but also with writers themselves Each contribution is accompanied by an author s commentary that discusses the relationship to place in his or her writing The authors reveal the connections they feel to the places they write about the role that place plays in the choices they make in relating their experiences and the strategies and work habits that produce such writing This compilation is at once a wide ranging anthology of the nonfiction of place for the armchair traveler and a book about writing for those who aspire to understand and practice the craft carrying with it the invitation to reflect on one s own special places

Cave Ralph

Crane, Lisa Fletcher, 2015-04-15 Shortlisted for the Tratman Award 2015 To enter caves is to venture beyond the realm of the everyday From huge vaulted caverns to impassable water filled passages from the karst topography of Guilin in China to the lava tubes of Hawaii from tiny remote pilgrimage sites to massive tourism enterprises caves are places of mystery Dark spaces that remain largely unexplored caves are astonishing wonders of nature and habitats for exotic flora and fauna This book investigates the natural and cultural history of caves and considers the roles caves have played in the human imagination and experience of the natural world It explores the long history of the human fascination with caves across countries and continents examining their dual role as spaces of both wonder and fear It tells the tales of the adventurers who pioneered the science of caves and those of the explorers and cave divers still searching for new unmapped routes deep into the earth This book explores the lure of the subterranean world by examining caving and cave tourism and by looking to the mythology literature and art of caves This lavishly illustrated book will appeal to general readers and experts alike interested in the ecology and use of caves or the extraordinary artistic responses earth's dark recesses have evoked over the centuries

Fearless Confessions Sue William Silverman, 2010-01-25 Everyone has a story to tell Fearless Confessions is a guidebook for people who want to take possession of their lives by putting their experiences down on paper or in a Web site or e book Enhanced with illustrative examples from many different writers as well as writing exercises this guide helps writers navigate a range of issues from craft to ethics to marketing and will be useful to both beginners and more accomplished writers The rise of interest in memoir recognizes the power of the genre to move and affect not just individual readers but society at large Sue William Silverman covers traditional writing topics such as metaphor theme plot and voice and also includes chapters on trusting memory and cultivating the courage to tell one's truth in the face of forces from family members to the media who would prefer that people with inconvenient pasts and views remain silent Silverman an award winning memoirist draws upon her own personal and professional experience to provide an essential resource for transforming life into words that matter Fearless Confessions is an atlas that contains maps to the remarkable places in each person's life that have yet to be explored

By Night Reverend E. Clifford Cutler, 2010-01-21 Saint Paul's Church in Philadelphia where most of these sermons were given is reminiscent in architecture to those old pilgrimage churches of France with its rose window and gargoyles flying buttress and flèche that pierces the horizon of Chestnut Hill At one time the cross at the top of the flèche was the highest point in Philadelphia Coming to Saint Paul's brings one to a place of peace for me as one parishioner described it that helps me to try and work toward peace in the world An omen of peace for the parish is how our third rector described a gathering of clergy from North and South at Saint Paul's only six months after Lincoln's assassination Enemies just months prior they now stood before God at the altar of Saint Paul's A hundred years later in May of 1962 the parish established a memorial and planted a Red Oak on Rogation Day to honor Dag Hammarskjöld and all who died for world peace In a night of disunity and polarization that marks the opening of a third millennium the sermons and

meditations in this book describe what is taking place beyond a flaring together that holds the brilliant prospect of peace This is the pilgrimage that is worth taking **Ecomysticism** Carl von Essen, 2010-10-19 Explores the philosophy science and spirituality of nature mysticism and its Green calling Offers a solid bridge between spiritual practice and environmental activism Reveals how we can heal the environment by renewing our connection to it Shows how spiritual encounters in nature are healing the Nature Deficit Disorder of our psyches and bodies Many have been struck by a majestic moment in nature a sole illuminated flower in a shady grove an owl swooping silently across a wooded path or an infinitely starry sky and found themselves in a state of expanded awareness so profound they can feel the interconnectedness of all life These trance like moments of clarity unity and wonder often incite a call to protect and preserve the earth to support Nature as she supports us Termed nature mysticism people from all cultures have described such experiences However the ever increasing urbanization of the world s population is threatening this ancient connection as well as the earth itself In Ecomysticism Carl von Essen explores nature mysticism through the recorded experiences of outdoor enthusiasts as well as scientific studies in biology psychology and neuroscience Citing consciousness scholar William James and a variety of well known nature lovers such as Ansel Adams Henry David Thoreau and Ralph Waldo Emerson von Essen shows how the spiritual transcendence from an encounter in nature like other mystical experiences is healing the Nature Deficit Disorder of our psyches and bodies leading to an expansion of our worldview and a clearer understanding of our self and of our natural world Offering a solid bridge between spiritual practice and environmental activism von Essen s spiritual ecology reveals how only through a renewal of humanity s spiritual connection to nature can we effect true environmental healing
