**The Enterprising Americans** John Chamberlain,1991      The Enterprising Americans John Rensselaer Chamberlain,1961      *The Enterprising American* John Chamberlain,1963      *The Birth of Big Business in the United States, 1860-1914* David O. Whitten,Bessie E. Whitten,2005-11-30 The economic and cultural roots of contemporary American business can be traced directly to developments in the era between the Civil War and World War I The physical expansion of the country combined with development of transportation and communication infrastructures to create a free market of vast proportion and businesses capable of capitalizing on the accompanying economies of scale through higher productivity lower costs and broader distribution The Birth of Big Business in the United States illuminates the conditions that changed the face of American business and the national economy giving rise to such titans as Standard Oil United States Steel American Tobacco and Sears Roebuck as well as institutions such as the United States Post Office During this period commercial banking and law also evolved and as the authors argue business and government were not antagonists but partners in creating mass consumer markets process innovations and regulatory frameworks to support economic growth The Birth of Big Business in the United States is not only an incisive account of modern business development but a fascinating glimpse into a dynamic period of American history      The Americans: The National Experience Daniel J. Boorstin,1967-02-12 This second volume in The Americans trilogy deals with the crucial period of American history from the Revolution to the Civil War Here we meet the people who shaped and were shaped by the American experience the versatile New Englanders the Transients and the Boosters Winner of the Francis Parkman Prize      *Film Histories* Paul Grainge,2007-01-11 An introduction to film history this anthology covers the history of film from 1895 It is arranged chronologically and each chapter contains an introduction on the key developments within the period Various types of film history are undertaken to enable students to become familiar with different types of film historical research      *A Humorous Account of America's Past: 1898 to 1945* Richard T. Stanley,2010-09-02 In 1898 the United States became an empire by accident due to our splendid little war against Spain At the beginning of the 20th Century the most famous men in America were not athletes or politicians they were inventors and businessmen like Bell Edison Morgan and Rockefeller Teddy Roosevelt built the Panama Canal launched the Great White Fleet and became a Bull Moose Woodrow Wilson was reelected in 1916 because He Kept Us Out of War World War I began as a family feud between three European cousins named Georgie Willie and Nicky The War to end all wars set the stage for World War II Americas first female President was Edith Wilson and our first Black President was possibly Warren Harding Aside from Babe Ruth Charles Lindbergh Al Capone Sigmund Freud Emily Post or Sinclair Lewis novels and Hollywoods movies Calvin Coolidge personified the Roaring Twenties Following the Stock Market Crash FDRs New Deal and his fireside chats helped up survive Hoovervilles but it took World War II to end the Great Depression What happened between Pearl Harbor and the Atomic Bomb Read my book      **The Science of Economic Development and**

**Growth: The Theory of Factor Proportions** C.C. Onyemelukwe,2016-07-08 A theoretical framework aiming to facilitate study of development economics The author presents his theory in three sections how advanced nations developed a proposed third dimension in addition to labour and capital and why capital accumulation is unnecessary even potentially harmful

**Conservatives and the Constitution** Ken I. Kersch,2019-03-28 Since the 1980s a ritualized opposition in legal thought between a conservative originalism and a liberal living constitutionalism has obscured the aggressively contested tradition committed to and mobilization of arguments for constitutional restoration and redemption within the broader postwar American conservative movement Conservatives and the Constitution is the first history of the political and intellectual trajectory of this foundational tradition and mobilization By looking at the deep stories told either by identity groups or about what conservatives took to be flashpoint topics in the postwar period Ken I Kersch seeks to capture the developmental and integrative nature of postwar constitutional conservatism challenging conservatives and liberals alike to more clearly see and understand both themselves and their presumed political and constitutional opposition Conservatives and the Constitution makes a unique contribution to our understanding of modern American conservatism and to the constitutional thought that has in critical ways informed and defined it

**Reform Movements in Methodism Brought on by Societal Issues 1830-1885** Paul McCleary,2015-02-13 A thoughtful critic of his denomination who sees its future bound to the way in which it reacts to reformers and reform movements In times of social change social institutions feel the stress to be faithful to their purpose as well as the tension to be relevant to innovation The institutions that survive will be those which are capable of responding to change as well as continuing to be faithful to its loyal supporters The best way to manage that tension is by understanding the organizations history in dealing with prior encounters with reform movements

**A Humorous Account of America's Past** Richard T. Stanley,2009-05 America was discovered by a few Norwegians who got lost while sailing to Greenland Had they established a permanent settlement America might be the United States of Wine Land In 1492 Columbus gave the men of San Salvador shiny glass beads and their women gave his crew syphilis Who took advantage of whom If not for the defeat of the Spanish Armada in 1588 America today would likely be Spanish and Catholic Early English explorers were pirates of the Caribbean and early American colonists were illegal immigrants The first English colony in America was a lot like Gonzalvo and the husband of Pocahontas was responsible for lung cancer and slavery in the south More recently Teddy Roosevelt and his Rough Riders had to run up San Juan Hill someone forgot to transport their horses So how did America become the greatest nation on earth Read my book

**Tredegar Iron Works: Richmond's Foundry on the James** Nathan Vernon Madison,2015-11-30 One of the most important industrial landmarks in the nation lies in the heart of historic Richmond The Tredegar Iron Works was the most prodigious ordnance supplier to the Confederacy during the Civil War as well as an industrial behemoth in its own right Named for the hometown of the Welsh engineers who built it Tredegar remained one of Richmond's chief industrial entities for over a century It produced ordnance

during five wars and helped build the railroads that rapidly spread across the nation during the Gilded Age Author Nathan Vernon Madison utilizing a wealth of primary sources and firsthand accounts chronicles the full history of a Richmond industrial icon Problems and Prospects of Entrepreneurial Development in Small Scale Industry With Special Reference to Chikan Handicraft Industries of Lucknow Dr. Rasheedul Haque,2024-02-08 Every human endeavour every achievement every success and every worthwhile effort is based on the invaluable and indispensable support of many individuals known and unknown The credit of the endeavour by and large may go to a single individual but it is implied that it would not have been possible without the various kinds of support provided by others Similarly for this research work I am indebted to many people and with all the humility I accept that words fail me to express gratitude for all their help To acknowledge their invaluable contribution is a humble effort in the direction of expressing the feeling that this research work owes a lot to them and I feel honoured privileged and fortunate for the support

**Locke in America** Jerome Huyler,1995 An account of the link between Locke s thought and the American Founding The author argues that previous writers have misread Locke s influence on the Founders he portrays the philosopher as a moderate 17th century moralist advocating an individualism that fits well with classic republicanism *Capitalism and Commerce* Edward Wayne Younkins,2002-01-01 In Capitalism and Commerce Edward Younkins provides a clear and accessible introduction to the best moral and economic arguments for capitalism Drawn from over a decade of business school teaching Younkins s work offers the student of political economy and the educated layperson a clear systematic treatment of the philosophical concepts that underpin the idea of capitalism and the business legal and political institutions that impact commercial enterprises Divided into seven parts the work discusses capitalism and morality individuals communities and the role of the state private and corporate ownership entrepreneurship and technological progress law justice and corporate governance and the obstacles to a free market and limited government

**The Conservative Tradition in America** Charles W. Dunn,J. David Woodard,1996 This book presents the first full scale survey written since the 1950s of American conservatism from the Founding to the Contract With America The Trumps Gwenda Blair,2015-10-06 The definitive family biography of President Donald Trump The revealing story of the Trumps mirrors America s transformation from a land of striving immigrants to a world in which the aura of wealth alone can guarantee a fortune The Trumps begins with a portrait of President Trump s immigrant grandfather who as a young man built hotels for miners in Alaska during the Klondike gold rush His son Fred took advantage of the New Deal using government subsidies and loopholes to construct hugely successful housing developments in the 1940s and 1950s The profits from Fred s enterprises paved the way for President Trump s roller coaster ride through the 1980s and 1990s into the new century With his talent for extravagant exaggeration he calls it truthful hyperbole President Trump turned the deal making know how of his forebears into an art form By placing this much publicized life within the context of family Gwenda Blair adds a new dimension to the larger than life figure who ascended to the American Presidency *Congressional Record*

United States. Congress,1992      Rethinking Consumer Protection Thomas Tacker,2019-07-15 For many decades consumer protection laws have focused on preventing bad choices Though that approach has some value this book explains we are much more often harmed even killed by the needless delay of new inventions that could save lives or vastly improve life quality Thomas Tacker explains how we can revamp regulation to embrace inventions that save and improve lives while still holding companies accountable for actions that harm consumers Case studies include price gouging the FDA approval process airport passenger screening and occupational licensing particularly as it relates to Uber This book demonstrates that enacting appropriate liability laws and providing information to guide consumers rather than strictly controlling their choices will save thousands of lives annually increase consumer freedom and make life more enjoyable      Handbook of Organizations (RLE: Organizations) James March,2013-06-26 This book charts the state of organizational research and theory during the 1960s A compendium of results references concepts ideas and theories this Handbook will be of interest to both academics in organizational theory and managers facing operating problems of organizations
