Entertainment Law Sherri Burr, William D. Henslee, 2004 This law school casebook provides insight into the entertainment industry and teaches law students how to protect the rights of entertainers Leading directors screenwriters musicians artists and several others discuss the impact of the law or social issues on their work The book also includes essays submitted by experts on particular cases such as the OJ Simpson trial and the New Kids on the Block litigation and features chapters on Globalization of The Entertainment Industry and The Devil Media Made Me Do It claims of industry responsibility for tortious and violent behavior *Burr and Henslee's Entertainment Law* Sherri L. Burr, 2008-06 This supplement brings the principal text current with recent developments in the law Entertainment Law Arthur W. Campbell, California Western School of Law, 1993 *Media & Entertainment Law* Ursula Smartt, 2025-09-15 Now in its sixth edition this leading Media and Entertainment Law textbook continues to combine comprehensive coverage with rigorous analysis of a key area of the law The sixth edition has been comprehensively updated reflecting in particular the enormous changes brought about by artificial intelligence and how it is influencing not only intellectual property law e g music copyright but also common law development in the UK EU and USA Topics covered include the regulation of online harms and new legislation in the form of The Online Safety Act 2023 and The Media Act 2024 This edition also looks across European borders to US legislation in areas such as copyright internet regulation defamation and contempt Case law features noteworthy examples such as Vardy v Rooney the Wagatha Christie Trial 2021 and other topics covered include tweeting jurors and contempt and Prince Harry The Duke of Sussex s legal actions against the tabloid press on phone hacking and invasion of privacy With a variety of pedagogical features to encourage critical thinking this unique textbook is essential reading for media and entertainment law courses at undergraduate and postgraduate levels and an insightful resource for students and reflective practitioners of journalism public relations and media studies **Entertainment Labor** Jonathan Handel, 2013 A must have for academics and attorneys working in entertainment labor *Entertainment Labor An Interdisciplinary Bibliography* is a 345 page annotated

bibliography of over 1 500 books articles dissertations legal cases and other resources dealing with entertainment unions and guilds and select other aspects of entertainment labor Also included are Annotations where necessary to explain the relevance of the book or article Capsule descriptions of legal cases Page references where only a portion of the book or article is relevant URLs for full text articles that are available online at no charge A detailed chapter on materials available from the unions and guilds themselves A 90 page index **Media and Entertainment Law** Ursula Smartt,2011-04-19

Media and Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework Looking at key aspects such as TV and radio broadcasting the print press the music industry online news and entertainment and social networking sites this textbook provides students with detailed coverage of the key principles cases and legislation as well as a critical analysis of regulatory bodies such as the Press Complaints Commission and OFCOM Media and Entertainment Law is also the first book to discuss superinjunctions and the phone hacking scandal involving News of the World Cases, Materials and Text on Contract Law

Hugh Beale,Bénédicte Fauvarque-Cosson,Jacobien Rutgers,Stefan Vogenauer,2019-02-28 This is the third edition of the widely acclaimed and successful casebook on contract in the Ius Commune series developed to be used throughout Europe and beyond by anyone who teaches learns or practises law with a comparative or European perspective The book contains leading cases legislation and other materials from English French and German law as the main representatives of the legal traditions within Europe as well as EU legislation and case law and extracts from the Principles of European Contract Law Comparisons are also made to other international restatements such as the Vienna Sales Convention the UNIDROIT Principles of International Commercial Contracts the Draft Common Frame of Reference and so on Materials are chosen and ordered so as to foster comparative study complemented with annotations and comparative overviews prepared by a multinational team The third edition includes many new developments at the EU level including the ill fated proposal for a Common European Sales Law and further developments linked to the digital single market and in national laws in particular the major reform of the French Code civil in 2016 and 2018 the UK's Consumer Rights Act 2015 and new cases The principal subjects covered in this book include An overview of EU legislation and of soft law principles and their interrelation with national law The distinctions between contract and property tort and restitution Formation and pre contractual liability Validity including duties of disclosure Interpretation and contents performance and non performance Remedies Supervening events Third parties **Entertainment Law and Business** William D. Henslee,Elizabeth Henslee,2018-09-14

Designed to provide a business basis for legal applications Entertainment Law and Business provides a practical approach to learning the law that applies to the entertainment industry and covers the processes involved from submitting an idea to creating an actual product The book includes the most up to date material along with the seminal cases that have shaped the industry Organized by substantive areas of law and by business practice areas so that an instructor can use the book in a survey

course or for a specialty seminar this casebook will reflect the business driven nature of the Entertainment Law course area Professors and students will benefit from Recent cases and articles Primary cases edited to include only pertinent facts law and reasoning for the outcome Notes which include both practical information about the case and additional information to enhance the understanding of the reasoning Discussion questions Organization by substantive areas of law and by business practice areas Flexibility an instructor can use the book in a survey course or for a specialty seminar Experienced authors William Henslee received an M F A from UCLA film school and has practical entertainment experience As a principal in the firm of Henslee and Weisberger he has represented clients in the music and sports industries Elizabeth Henslee is a former clerk for 5th District Court of Appeal law librarian and wrote one of the best law review articles related to entertainment publishing and or the arts published within the last year in 2015 voted by Thomson She is the owner of October Boys Entertainment LLC a company primarily engaged in music publishing Online companion materials including updates of recent cases and links to supplemental videos and websites that follow the text Teaching materials include Teacher s Manual including additional reading suggestions and film television music and websites to enhance the text The Manual will explain the authors reasons for including the case in the text and provide contextual background information when helpful Sample syllabi

Media & Entertainment Law 2/e Ursula Smartt,2014-03-21 Media and Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework It provides a clear current and comprehensive account of this exciting subject Fully updated and revised this second edition is one of the first texts to contain a full analysis of the Leveson Inquiry and the implications for our press and media that are arising from it The new edition contains a new chapter analysing the Defamation Act 2013 the Digital Economy Act 2010 which aimed to toughen up against copyright infringement online and has been subject to parliamentary review since coming into power and the liability of internet service providers including recent cases such as Tamiz vs Google 2012 which goes some way to define the extent to which an ISP may or may not be found liable for their bloggers content With integrated coverage of Scots and Northern Irish law Media and Entertainment Law also highlights comparisons with similar overseas jurisdictions such as with the liability of ISPs where there are differences in both US and European law in order to help students demonstrate an awareness of media laws which may then influence UK legislation Looking at key aspects such as TV and radio broadcasting the print press the music industry online news and entertainment and social networking sites this text provides detailed coverage of the key principles cases and legislation as well as a critical analysis of regulatory bodies such as OFCOM and the new regulator for the UK s newspapers and magazines and online editions the Independent Press Standards Organisation Ipso The text also provides the most comprehensive and up to date coverage of the law relating to Intellectual Property law for the entertainment industry with recent changes in EU law relating to performers rights See what goes behind the writing of Media Entertainment Law <http://youtu.be/XiCGmnRDvb0>

The AALS Directory of Law Teachers ,2006

The Oxford Handbook of American Sports Law Michael A.

McCann,2018 The Oxford Handbook of American Sports Law is a timely and engaging compilation of commentaries by leading experts on the most significant issues in US sports law The book blends analysis of historical and contemporary controversies with prescriptions for how courts and lawmakers can reconcile the competing interests of leagues owners and players The Handbook also establishes a foundation for future research on sports law issues As technology and social media alter the ways fans athletes and team officials interact legal doctrine will be challenged to adapt and the Handbook both forecasts these debates and outlines where the law may be headed *Sports Law* Patrick K. Thornton,2010-02-04 Sports Law looks at major court cases statutes and regulations that explore a variety of legal issues in the sports industry The early chapters provide an overview of sports law in general terms and explore its impact on race politics religion and everyday affairs Later chapters address hot button issues such as gender equity drug testing and discrimination Written from a sport management perspective rather than from a lawyer s this text covers all the major areas presented in sports law today including cases relating to torts contracts intellectual property and agents Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive Important Notice The digital edition of this book is missing some of the images or content found in the physical edition *The Routledge Handbook on Sports Law and Governance* Annette Greenhow,John Wolohan,2025-03-25 The Routledge Handbook on Sports Law and Governance provides a definitive guide to the regulation of international and national sport through the lens of both regulatory governance and legal frameworks Over the past several decades law regulation and governance associated with international and national sport has grown exponentially aligned with professional and elite level sport development The organisation and sophistication of international and national sporting competitions create an environment where pressures such as the sports ethic and strong incentives to win give rise to both novel problems and reoccurring themes Exploring a wide range of perspectives across disciplines and transcending jurisdictional boundaries the handbook analyses complex international and national sports challenges Taking a nuanced approach to traditional themes it recognises the context and sport as a regulatory domain when applying law and legal frameworks This book is an essential resource for students and academics exploring issues in international and national sports law sports regulation and sports governance

The NCAA and the Exploitation of College Profit-Athletes Richard M. Southall,Mark S. Nagel,Ellen J.

Staurowsky,Richard T. Karcher,Joel G. Maxcy,2023-05-04 A well constructed and reasoned debunking of the mythology of amateurism in for profit NCAA athletics For the last 60 plus years as the revenue generating capacity of Power Five football and men s basketball has dramatically increased NCAA Division I Power Five football and men s basketball players college profit athletes have been economically exploited their labor has been severely restricted To mask this inequity the NCAA and its members created disseminated and embedded a fictitious collegiate model of athletics established and repeatedly

modified for the benefit of member schools designed to ensure profit athletes were denied employment status and just compensation for their athletic labor The NCAA and the Exploitation of College Profit Athletes An Amateurism That Never Was provides a comprehensive historical sociological legal financial and managerial argument for the reclassification of profit athletes as employees Such a reclassification would permit profit athletes to gain not only fair financial compensation but also equal access to educational benefits that have been promised but systematically denied The authors trace how Power Five college sports have morphed into a hyper professionalized and commercialized sport business enterprise They provide evidence that at least since 1956 the NCAA s amateurism has been a collusive exploitative and racialized pay for play scheme that disproportionately affects Black profit athletes The authors cut through the institutional doublespeak of approved benefits cost of attendance stipends or name image likeness NIL collectives to lay bare the immorality of Power Five college sports The NCAA and the Exploitation of College Profit Athletes makes the case that profit athletes and their representatives must have the right to unionize and freely negotiate a collective bargaining agreement with management e g NCAA Power Five conferences and athletic departments In addition this book offers a forward thinking structure in which individual labor contracts or a potential collective bargaining agreement address profit athlete compensation and working conditions

The Handbook of International Advertising Research Hong Cheng, 2014-01-21 This timely handbook brings academic excellence to international advertising research in the form of 28 contributions from over 40 leading scholars The handbook s comprehensive treatment highlights existing knowledge reports major findings across the subject and recommends directions and agendas for future research Fills the existing gap between the rapid growth in scholarly research on international advertising and the pressing need for more high quality research in the area Covers 28 major areas in international advertising research with contributions from more than 40 international advertising scholars based in over 10 countries or territories Comprehensive treatment includes the history of international advertising audiences and media strategy and execution content effects regulation ethics and advertising education Highlights existing knowledge in international advertising reports major findings on a broad range of topics and offers expert recommendations on directions for future research Contributors represent the most highly respected academics among international advertising researchers
