## **Entertainment And Ritual 600 1600:**

Entertainment and Ritual, 600 to 1600 Peter A. Bucknell, 1979      Entertainment and Ritual 600-1600 Peter Arthur Bucknell, 1979-10-01      **Entertainment and Ritual 600 to 1600** Peter A.. Bucknell, 1979      *Constructing a World* Martha Tuck Rozett, 2012-02-01 Taking its title from Umberto Eco's postscript to *The Name of the Rose* the novel that inaugurated the New Historical Fiction in the early 1980s *Constructing the World* provides a guide to the genre's defining characteristics. It also serves as a lively account of the way Shakespeare, Marlowe, Raleigh, Queen Elizabeth I and their contemporaries have been depicted by such writers as Anthony Burgess, George Garrett, Patricia Finney, Barry Unsworth and Rosalind Miles. Innovative historical novels written during the past two or three decades have transformed the genre producing some extraordinary bestsellers as well as less widely read serious fiction. Shakespearean scholar Martha Tuck Rozett engages in an ongoing conversation about the genre of historical fiction drawing attention to the metacommentary contained in Afterwords or Historical Notes, the imaginative reconstruction of the diction and mentality of the past, the way Shakespearean phrases, names and themes are appropriated and the counterfactual scenarios writers invent as they reinvent the past.      Media Entertainment Dolf Zillmann, Peter Vorderer, 2000-05-01 This collection represents a systematic exploration of media entertainment from an academic perspective. Editors Zillmann and Vorderer have assembled scholars from psychology, sociology and communication to provide a broad examination of the primary function of media entertainment, the attainment of gratification. Chapters included here address vital aspects of media entertainment and summarize pertinent findings, providing an overview of what is presently known about the appeal and function of the essential forms of media entertainment and offering some degree of integration. Written in a clear, non-technical style, this volume provides a lively and entertaining study of media entertainment for academic study and coursework.      **Sacred Music Drama** Carl Gerbrandt, 2006-12-28 The indelible imprint of sacred music drama throughout history is undeniable and its resurgence in the twentieth and twentieth-first centuries stirs the curiosity. Carl Gerbrandt, in pursuing these issues, has brought to our fingertips a stimulating historical perspective on sacred music drama as well as an extensively annotated list of repertoire. Years of research have gone into providing information on centuries of sacred music dramas, operas, which for the most part have been known to very few. Included in these pages of his Second Edition are over 330 sacred music dramas, operas, each with scholarly and practical information that will be of interest and great value to the opera director, the performer, the scholar, the conductor and the church musician. Gerbrandt's *SETTING THE STAGE* section is an enlightening overview of sacred music history. The repertoire selected includes works from the Middle Ages to works being written today. Each work is reviewed with regard to the source of libretto, the style and difficulty of its musical content, the date and location of the first performance, the number of acts and scenes and the performance length of the work. Additionally, each role is listed by name and voicing and in most cases the vocal range is indicated. The choral demands, orchestrations and dance requirements are

identified A thorough plot synopsis as well as the location of scores and parts is given Ten appendices cross reference textual sources and topical content while assisting in the selection of works for worship services or theatrical performances Select contact information of publishers and composers is also included Sacred Music Drama The Producer s Guide fills a long standing void by acquainting directors students performers and interested readers with the numerous sacred music dramas which are available
