**Child Welfare Practice with Immigrant Children and Families** Alan Dettlaff, Rowena Fong, 2014-06-11 Children in immigrant families represent nearly one fourth of all children living in the United States As this population of children has increased so has their representation among children involved in child welfare and related systems Once immigrant families come to the attention of these systems they often have multiple and complex needs that must be addressed to ensure children s safety and well being Culturally competent practice with Latino Asian and African immigrants requires that professionals understand the impact of immigration and acculturation on immigrant families to conduct adequate assessments and provide interventions that respond appropriately to their needs Professionals also need to be familiar with federal and state policies that affect immigrant families and how those policies may affect service delivery At the system level child welfare agencies need to educate and train a culturally competent workforce that responds appropriately to children and families from diverse cultures This book addresses these critical issues and provides recommendations for the development of culturally competent assessment intervention and prevention activities in child welfare agencies This information can be used as a resource by child welfare administrators practitioners and students to improve the child welfare system s response to immigrant children and families and promote culturally competent practice This book was published as a special issue of the Journal of Public Child Welfare

**Of Forests and Fields** Mario Jimenez Sifuentez, 2016-03-08 2016 Choice Outstanding Academic Title Just looking at the Pacific Northwest s many verdant forests and fields it may be hard to imagine the intense work it took to transform the region into the agricultural powerhouse it is today Much of this labor was provided by Mexican guest workers Tejano migrants and undocumented immigrants who converged on the region beginning in the mid 1940s Of Forests and Fields tells the story of these workers who toiled in the fields canneries packing sheds and forests turning the Pacific Northwest into one of the most productive agricultural regions in the country Employing an innovative approach that traces the intersections between Chicana o labor and environmental history Mario Sifuentez shows how ethnic Mexican workers responded to white communities that only welcomed them when they were economically useful then quickly shunned them He vividly renders the feelings of isolation and desperation that led to the formation of ethnic Mexican labor organizations like the Pineros y Campesinos Unidos Noroeste PCUN farm workers union which fought back against discrimination and exploitation Of Forests and Fields not only extends the scope of Mexican labor history beyond the Southwest it offers valuable historical precedents for understanding the struggles of immigrant and migrant laborers in our own era Sifuentez supplements his

extensive archival research with a unique set of first hand interviews offering new perspectives on events covered in the printed historical record A descendent of ethnic Mexican immigrant laborers in Oregon Sifuentez also poignantly demonstrates the links between the personal and political as his research leads him to amazing discoveries about his own family history [www.mariosifuentez.com](http://www.mariosifuentez.com) *The SAGE Encyclopedia of Psychology and Gender* Kevin L.
