Numa Sadoul

Entretiens Avec Herge

Yvette Rocheron, Christopher Rolfe

Entretiens Avec Hergé:

Tintin et moi Hergé, Numa Sadoul, 2004 Numa Sadoul a eu le premier l'idée d'interviewer longuement le créateur de Tintin Dans ces entretiens on découvre la personnalité affable d'Hergé sa simplicité son attachement à sa vision de la vie son humour On découvre aussi sa réserve son désir de ne pas dévoiler On découvre le regard qu'il portait sur son œuvre sa genèse les réactions des lecteurs les critiques le succès Source première et référence indispensable l'ouvrage aujourd'hui reste demeure un passage obligé pour l'approfondissement de l'œuvre et de la personnalité d'Hergé **Hergé, Son of Tintin** Benoit Peeters, 2012 Author of the critically acclaimed Tintin and the World of Hergé and the last person to interview Remi Benoit Peeters tells the complete story behind Hergé's origins and shows how and why the nom de plume grew into a larger than Remi personality as Tintin's popularity exploded Drawing on interviews and using recently uncovered primary sources for the first time Peeters reveals Remi as a neurotic man who sought to escape the troubles of his past by allowing Hergé's identity to subsume his own As Tintin adventured Hergé lived out a romanticized version of life for Remi Jacket Hergé Pierre Assouline, Charles Ruas, 2009-11-12 One of the most beloved characters in all of comics Tintin won an enormous international following Translated into dozens of languages Tintin's adventures have sold millions of copies and Steven Spielberg is presently adapting the stories for the big screen Yet despite Tintin's enduring popularity Americans know almost nothing about his gifted creator Georges Remi better known as Hergé Offering a captivating portrait of a man who revolutionized the art of comics this is the first full biography of Hergé available for an English speaking audience Born in Brussels in 1907 Hergé began his career as a cub reporter a profession he gave to his teenaged world traveling hero But whereas Tintin was fully formed clear headed and positive Assouline notes his inventor was complex contradictory inscrutable For all his huge success achieved with almost no formal training Hergé would say unassumingly of his art I was just happy drawing little guys that's all Granted unprecedented access to thousands of the cartoonist's unpublished letters Assouline gets behind the genial public mask to take full measure of Hergé's life and art and the fascinating ways in which the two intertwine Neither sugarcoating nor sensationalizing his subject he meticulously probes such controversial issues as Hergé's support for Belgian imperialism in the Congo and his alleged collaboration with the Nazis He also analyzes the underpinnings of Tintin how the conception of the character as an asexual adventurer reflected Hergé's appreciation for the Boy Scouts organization as well as his Catholic mentor's anti Soviet ideology and relates the comic strip to Hergé's own place within the Belgian middle class A profound influence on a generation of artists such as Andy Warhol and Roy Lichtenstein the elusive figure of Hergé comes to life in this illuminating biography a deeply nuanced account that unveils the man and his career as never before **The Comics of Hergé** Joe Sutcliffe Sanders, 2016-07-28 Contributions by J. Nathan Miranda de Araujo Guillaume de Syon Hugo Frey Kenan Kook Andrei Molotiu Annick Pellegrin Benjamin Picado Vanessa Meikle Schulman Matthew Screech and Gwen Athene Tarbox As the creator of Tintin Hergé 1907-1983 remains one of the most important and influential figures in the history of comics

When Hergé born Georges Prosper Remi in Belgium emerged from the controversy surrounding his actions after World War II his most famous work leapt to international fame and set the standard for European comics While his style popularized what became known as the clear line in cartooning this edited volume shows how his life and art turned out much more complicated than his method The book opens with Hergé's aesthetic techniques including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of action Broad views of his career describe how Hergé navigated changing ideas of air travel while precise accounts of his life during Nazi occupation explain how the demands of the occupied press transformed his understanding of what a comics page could do The next section considers a subject with which Hergé was himself consumed the fraught lines between high and low art By reading the late masterpieces of the Tintin series these chapters situate his artistic legacy A final section considers how the clear line style has been reinterpreted around the world from contemporary Francophone writers to a Chinese American cartoonist and on to Turkey where Tintin has been reinvented into something meaningful to an audience Hergé probably never anticipated Despite the attention already devoted to Hergé no multi author critical treatment of his work exists in English the majority of the scholarship being in French With contributors from five continents drawing on a variety of critical methods this volume's range will shape the study of Hergé for many years to come

L'ultime album d'Hergé Ludwig Schuurman, 2001 Hergé Serge Tisseron, 1987-01-01 T00:00:00+01:00 Mille sabords qui ne connaissent pas Hergé Avec Hergé impossible de quitter le monde de l'enfance Combien de fois a-t-il fallu retenir son souffle devant les aventures de Tintin et Milou De l'Amérique au château de Moulinsart du professeur Tournesol au capitaine Haddock de la Chine la banquise le petit reporter et ses culottes de golf ont fait voyager des millions de lecteurs Hergé appartient notre siècle au même titre que les plus grands écrivains Qui ne possède pas un seul album de Tintin tant et tant de fois relu Bien des années après le monde d'Hergé reste présent nos mémoires

The Metamorphoses of Tintin Jean-Marie Apostolides, 2010 The Metamorphoses of Tintin a pioneering book first published in French in 1984 offers a complete analysis of Hergé's legendary hero

Handbook of French Popular Culture Pierre L. Horn, 1991-05-21 Throughout the world there has been much scholarly and general interest in French popular culture but very little has been written on the subject in English The authors of this book address that lack in a series of highly readable and well documented essays describing French life styles attitudes and entertainments as well as the writers and performers currently favored by the French public Several chapters explore French tastes in popular literature and other reading matter including comics cartoons mystery and spy fiction newspapers and magazines and science fiction Film popular music radio and television are also discussed in detail and influences from other cultures particularly American imports are assessed The remaining essays examine French sports the use of leisure time the French style of eating and drinking and relations between men and women and their attitudes toward romantic love Each chapter provides up to date historical and bibliographic information that will enable the reader to pursue subjects of particular interest Written by an

international group of specialists this handbook offers the benefits of broad coverage a variety of viewpoints and solid scholarship *Representing Multiculturalism in Comics and Graphic Novels* Carolene Ayaka, Ian Hague, 2014-11-20

Multiculturalism and its representation has long presented challenges for the medium of comics This book presents a wide ranging survey of the ways in which comics have dealt with the diversity of creators and characters and the lack of visibility for characters who don't conform to particular cultural stereotypes Contributors engage with ethnicity and other cultural forms from Israel Romania North America South Africa Germany Spain U S Latino and Canada and consider the ways in which comics are able to represent multiculturalism through a focus on the formal elements of the medium Discussion themes include education countercultures monstrosity the quotidian the notion of the other anthropomorphism and colonialism Taking a truly international perspective the book brings into dialogue a broad range of comics traditions

Adult Comics Roger Sabin, 2013-10-11 In a society where a comic equates with knockabout amusement for children the sudden pre eminence of adult comics on everything from political satire to erotic fantasy has predictably attracted an enormous amount of attention Adult comics are part of the cultural landscape in a way that would have been unimaginable a decade ago In this first survey of its kind Roger Sabin traces the history of comics for older readers from the end of the nineteenth century to the present He takes in the pioneering titles pre First World War the underground comix of the 1960s and 1970s fandom in the 1970s and 1980s and the boom of the 1980s and 1990s including graphic novels and Viz Covering comics from the United States Europe and Japan Adult Comics addresses such issues as the graphic novel in context cultural overspill and the role of women By taking a broad sweep Sabin demonstrates that the widely held notion that comics grew up in the late 1980s is a mistaken one largely invented by the media Adult Comics An Introduction is intended primarily for student use but is written with the comic enthusiast very much in mind **Geographia Literaria: Studies in Earth,**

Ethics, and Literature Jagannath Sarkar, Jayjit Basu, 2021-10-19 By sensing the fundamental ideas of earth and the earth thought this collection seeks to negotiate with and react to the underlying semasiological or psycho geographical principle of geopoetics that cuts across varied and at times conflicting schools From reading some geopoetical texts to understanding the idea of earth in Humboldt and Marx Engels topolitics in Tintin reef thinking geopoet h ics and Asiabodh the volume tries to perceive how we poetically exist with the earth Isn't literature taking a cue from H lderlin a symptom of the way man lives poetically on the earth How is our body and psyche integral parts of the earth thought How does literature deal with the concepts of space and place How literature enables us to comprehend the underlying principle of geopoetics the principle of finding art in earth These are some of the critical questions which this volume seeks to explore Literature exemplifies a geographical consciousness an intimate and subjective experience of the earth This book is an attempt to conceive this eclectic infusion of art and earth so that we are able to ensure that the world of the art always remains in touch with the earth of the world Let us through this book un earth this deep rooted spatiality and geographicality in literature Let us

imitate earth through art as this is the only place where we can live **Beyond MAUS** Ole Frahm,Hans-Joachim Hahn,Markus Streb,2021-08-09 Beyond MAUS The Legacy of Holocaust Comics collects 16 contributions that shed new light on the representation of the Holocaust While MAUS by Art Spiegelman has changed the perspectives other comics and series of drawings some produced while the Holocaust happened are often not recognised by a wider public A plethora of works still waits to be discovered like early caricatures and comics referring to the extermination of the Jews graphic series by survivors or horror stories from 1950s comic books The volume provides overviews about the depictions of Jews as animals the representation of prisoner societies in comics as well as in depth studies about distorted traces of the Holocaust in Herg s Tintin and in Spirou the Holocaust in Mangas and Holocaust comics in Poland and Israel recent graphic novels and the use of these comics in schools With contributions from different disciplines the volume also grants new perspectives on comic scholarship *Masters of the Ninth Art* Matthew Screech,2005-01-01 In English speaking countries Francophone comic strips like Herg s s Les Aventures de Tin Tin and Goscinny and Uderzo s Les Aventures d Asterix are viewed and marketed as children s literature But in Belgium and France their respective countries of origin such strips known as bandes dessin es are considered a genuine art form or more specifically the ninth art But what accounts for the drastic difference in the way such comics are received In Masters of the Ninth Art Matthew Screech explores that difference in the reception and reputation of bandes dessin es Along with in depth looks at Tin Tin and Asterix Screech considers other major comics artists such as Jacque Tardi Jean Giraud and Moebius assessing in the process their role in Francophone literary and artistic culture Illustrated with images from the artists discussed Masters of the Ninth Art will appeal to students of European popular culture literature and graphic art **Tintin: Hergé and His Creation** Harry Thompson,2011-10-13 The little black and white cartoon figure of Tintin first appeared in Belgium in 1929 in a Catholic newspaper where his creator Herg worked Harry Thompson looks at the story of Herg of Tintin and his origins and beyond to when President de Gaulle could call Tintin his only rival **Shifting Frontiers of France and Francophonie** Yvette Rocheron,Christopher Rolfe,2004 This volume consists of selected papers from a conference organised under the aegis of the Association for the Study of Modern and Contemporary France at the University of Leicester in September 2000 P 9 **Les Aventures d'Hergé** José-Louis Bocquet,Jean-Luc Fromental,2017-12-01T00:00:00+01:00 Des ann es de scoutisme aux premi res publications en passant par les d couvertes artistiques et les rencontres avec Edgar P Jacobs Tchang Tchong jen ou Andy Warhol tout un parcours qui est retrac dans cette biographie en bande dessin e d Herg l auteur l gendarme des Aventures de Tintin Les auteurs nous racontent avec une ma trise poustouflante de la ligne claire une vie passionnante faite de doutes et de certitudes qui donna une oeuvre universelle Une biographie non autoris e mais dont chaque case montre le respect tant pour l homme que pour l oeuvre **Hergé musicien?** Jean-Jacques Nattiez,Renaud Nattiez,2025-02-07T00:00:00-05:00 La pr sence de la musique dans Les Aventures de Tintin montre que les go ts et les emprunts de son cr ateur aux diff rents genres musicaux avec la truculente

Bianca Castafiore comme figure emblématique témoignent d'une culture musicale plus vaste qu'on aurait pu le croire. Cependant, Herg fait preuve d'une inventivité remarquable, notamment lorsqu'il dessine le fameux air des Bijoux du Faust de Gounod qu'il incline en variations d'une vignette à l'autre ou d'un album à l'autre. Pourtant, alors que voitures, voyages, rêves ou rires ont fait l'objet d'analyses approfondies, la place de la musique reste encore peu explorée. La diva en serait-elle la seule incarnation ? Cet ouvrage dresse un inventaire des manifestations du musical dans l'univers d'Herg en allusions des airs d'opéra, des musiques de variété ou de tradition orale, des chansons populaires, des chants d'enfants. Les notations musicales, parfois fantaisistes, qu'Herg dissimule ici ou là reflètent-elles une méconnaissance de la musique, comme le suggèrent certains tintinologues, ou au contraire une culture plus riche qu'on ne l'imagine ? Les auteurs se penchent ici sur cette question fascinante : Herg était-il musicien ?

British Children's Fiction in the Second World War Owen Dudley Edwards, 2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world. This time was unique for British children: parental controls were often relaxed if not absent, and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future. Owen Dudley Edwards discusses reading, children's radio, comics, films, and book-related play activity in relation to value systems, the child's perspective versus the adult's perspective, the development of sophistication, retention and loss of pre-war attitudes, and their post-war fate. British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa, and also through an exploration of wartime Europe as it was shown to British children. Questions of leadership, authority, individualism, community, conformity, urban/rural division, ageism, class, race, and gender awareness are explored. In this incredibly broad-ranging book covering over 100 writers, Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children's literary diet was altered in the war temporarily or permanently. Concerned with the effects of the war as a whole on what children could read during the war and what they made of it, he reveals the implications of this for the world they would come to inhabit.

Tintin et moi Numa Sadoul, 2000 Numa Sadoul a eu le premier plaisir d'interviewer longuement le créateur de Tintin. Dans ces entretiens, on découvre la personnalité affable d'Herg, sa simplicité, son attachement à sa vision de la vie, son humour. On découvre aussi sa réserve, son désir de ne pas céder. On découvre le regard qu'il portait sur son œuvre, sa genèse, les réactions des lecteurs, les critiques, le succès. Source première et référence indispensable, l'ouvrage aujourd'hui redit demeure un passage obligé pour l'approfondissement de l'œuvre et de la personnalité d'Herg.

Un oncle nommé Hergé Georges Junior Rémi, 2013-02-06 Georges Rémi Jr est l'homonyme de son oncle, plus connu sous son nom de plume Hergé. 22 mai 1907 - 3 mars 1983. Il raconte ici ses souvenirs avec tristesse et volte-face, le sentiment d'un rendez-vous manqué. Mais comment se faire une place au soleil alors que domine l'ombre projetée par le créateur de Tintin ? Entre un père peintre, qu'est-ce de talent et un oncle célèbre, ombrageux et susceptible, la fois candide et sincère. Georges Rémi Jr raconte pour la première fois le destin de son père, ses relations difficiles avec Hergé et ses proches. Le livre

raconte aussi la succession mouvement e du cr ateur de Tintin Un t moignage o se m lent joies et chagrins admiration et col
re tonnements et d ceptions

This is likewise one of the factors by obtaining the soft documents of this **Entretiens Avec Herge** by online. You might not require more get older to spend to go to the books instigation as well as search for them. In some cases, you likewise reach not discover the statement Entretiens Avec Herge that you are looking for. It will very squander the time.

However below, taking into account you visit this web page, it will be correspondingly definitely easy to get as without difficulty as download lead Entretiens Avec Herge

It will not assume many time as we explain before. You can complete it even if appear in something else at house and even in your workplace. thus easy! So, are you question? Just exercise just what we pay for below as skillfully as evaluation **Entretiens Avec Herge** what you later to read!
