Environmental Management In Petroleum Industry:

Environmental Management in Petroleum Industry Surendra Kumar Wahi, Anil Kumar Agnihotri, J. S. Sharma, 1992

Environmental Management in Oil and Gas Exploration and Production Oil Industry International Exploration and Production Forum, 1997 *Environmental Management in the Petroleum Industry* Piotr Tomasz Winther, 2014-09-30 As

known natural resources are becoming exhausted discoveries of new resources are required to fill the growing global need for energy This is forcing the oil industry to constantly stretch existing reserves and develop new technology to get to the more difficult oil and gas In this way the oil industry is constantly operating on the edge of available technology and the risk of failures is increased The main future challenges for the petroleum industry are risk and environmental management company culture and contingency planning Environmental Control in Petroleum Engineering DR. John C. Reis

Ph.D., 1996-04-25 The petroleum industry must minimize the environmental impact of its various operations This extensively researched book assembles a tremendous amount of practical information to help reduce and control the environmental consequences of producing and processing petroleum and natural gas The best way to treat pollution is not to create it in the first place This book shows you how to plan and manage production activities to minimize and even eliminate some environmental problems without severely disrupting operations It focuses on ways to treat drilling and production wastes to reduce toxicity and or volume before their ultimate disposal You ll also find methods for safely transporting toxic materials from the upstream petroleum industry away from their release sites For those sites already contaminated with petroleum wastes this book reviews the remedial technologies available Other topics include United States federal environmental regulations sensitive habitats major U S chemical waste exchanges and offshore releases of oil Environmental Control in Petroleum Engineering is essential for industry personnel with little or no training in environmental issues as well as petroleum engineering students Environmental Management in the Petroleum Industry Insight Information Inc, 1994
