Enlightenment Is Losing Your Mind:

Are You Getting Enlightened Or Losing Your Mind? Dennis Gersten, Larry Dossey, 1998 Many Americans who claim to have had an unusual spiritual experience also have had problems handling stress anxiety and depression Now in paperback psychiatrist Dennis Gersten's program for psychological spiritual peace fitness and integrity provides information for dealing with the sense of dislocation that often accompanies spiritual experiences *How to Go Mad without Losing Your Mind* La Marr Jurelle Bruce, 2021-04-26 Hold tight The way to go mad without losing your mind is sometimes unruly So begins La Marr Jurelle Bruce's urgent provocation and poignant meditation on madness in black radical art Bruce theorizes four overlapping meanings of madness the lived experience of an unruly mind the psychiatric category of serious mental illness the emotional state also known as rage and any drastic deviation from psychosocial norms With care and verve he explores the mad in the literature of Amiri Baraka Gayl Jones and Ntozake Shange in the jazz repertoires of Buddy Bolden Sun Ra and Charles Mingus in the comedic performances of Richard Pryor and Dave Chappelle in the protest music of Nina Simone Lauryn Hill and Kendrick Lamar and beyond These artists activate madness as content form aesthetic strategy philosophy and energy in an enduring black radical tradition Joining this tradition Bruce mobilizes a set of interpretive practices affective dispositions political principles and existential orientations that he calls mad methodology Ultimately *How to Go Mad without Losing Your Mind* is both a study and an act of critical ethical radical madness [Losing Your Mind To Find Your Soul](#) Stephen Bradley-Waters, 2023-11-22 Join us from the humble beginnings of a Spiritual Awakening to the revelations of Enlightenment We are all unique with a purpose and with an open mind our connection to Spirit can be filled with blessings joy and the potential for a wonderfully inspired life Supporters of *Losing Your Mind To Find Your Soul* People would have to buy multiple books to get everything you two are putting into this book I absolutely love your book Honestly I'm reading it again because it had so much information It's deep and embodies so many aspects of spirituality That's what I enjoyed the most about it It's different because of that Everything around spirituality books usually focus on only one or two areas I think back to that time when I was desperately seeking answers and had no one around me to ask or talk to about this If your book would have been available wow a game changer I can't tell you how many books I've read especially when I was desperately seeking out everything and anything that talks about universal beliefs all of it Many things were well a waste of time Then I would find a book which is a gold nugget That's what makes your book amazing You've covered so many things around this that even if only a few things resonate with a reader you've given that person a trail and a path to follow It will lead them to go and open more doors Beta Reader This is a great read I loved that it had little nuggets of information on many areas of spirituality The author was open minded It's a wonderful book to grab and explore Amazon Review Wow I can't put this book down such a great read Amazon Review I stumbled across this book by mere coincidence although there is no such thing While scrolling through TikTok there were so many books tokens to try the book out and I am so glad I did The

Dr. Sandy Range Ph.D. LMHC,2019-07-19 I wasn t always Dr Sandy I once was a lost little girl seeking for anyone to love and care about me I didn t feel human and felt like I was from another planet I just didn t belong I went through this cycle for many years until I discovered that I was Soul This discovery led me to get my graduate and then doctoral degrees It led me down a path I had been taught in childhood but had forgotten That was the path of medicine woman and shaman and then I became an esoteric metaphysical minister You see in order to find your soul you really do have to lose your mind I did and I questioned everything What is God Who are humans really What are we supposed to be doing here I found that as humans we are becoming plagued in a stagnant pattern of pain illness and suffering everywhere in the world This is not how it is meant to be I found that living through our Soul Self allows us to see the world more clearly and accurately and can remove the patterns of suffering and struggle The world is changing and many people have forgotten how to be fully human however many are awakening knowing sensing and feeling there is something more If you are one of those people open these pages and discover how to raise your consciousness and heighten your awareness Discover how we should be fully aware of the ego mind that will lead us to believe we are either greater than great or just no good Even when we are neither we believe it anyway That is the power of ego What you will discover is how to pay much more attention to your soul consciousness by getting out of our heads and begin living from the place of soul We ve forgotten who we are Being fully human requires reigning in the ego and becoming the Divine Beings we truly are Soul is Divine after all Kadam: Stages of the Path, Mind Training, and Esoteric Practice, Part One Jamgon Kongtrul Lodro Taye,2024-04-02 A comprehensive selection of texts central to the Kadam lineage of Tibetan Buddhism including topics like Mind Training Stages of the Path and esoteric tantric instructions The Treasury of Precious Instructions by Jamg n Kongtrul Lodr Taye one of Tibet s greatest Buddhist masters is a shining jewel of Tibetan literature presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet In its eighteen volumes Kongtrul brings together some of the most important texts on key topics of Buddhist thought and practice as well as authoring significant new sections of his own The Kadam lineage derives from the teachings and practices taught by the Indian master Ati a and his Tibetan students Ati a spent twelve years in Tibet and left a scholarly and devotional lineage that would be significant to all traditions of

Tibetan Buddhism but particularly the Geluk the tradition of the Dalai Lamas which fashioned themselves as the New Kadam tradition Jamg n Kongtrul s catalog to The Treasury of Precious Instructions classifies Kadam literature into five categories treatise instruction esoteric practice ancillary works and associated works The first two are the main topics covered in this volume Lamrim or Stages of the Path and Lojong or Mind Training These two Kadam teachings continue to exert a significant influence on Tibetan Buddhism and therefore represent the legacy of the Kadam tradition The first centers around The Lamp for the Path to Enlightenment written by the eleventh century Indian master Ati a who spent twelve years in Tibet and this volume also includes stories of Ati a s life and travels The second set of teachings consists of aphorisms known as the Seven Point Mind Training meant to be used as contemplative practices to develop compassion and transform the mind These selections show not only the foundational texts of the Kadam tradition but also the widespread impact these teachings continued to have across traditions
