**Enneatypes** Tad Dunne,1999-10 Enneatypes Method Spirit gives an introduction to our nine basic neuroses and a program for using it in clinical practice and pastoral counseling The first two chapters describe the history of the theory and define two key terms compulsion and spirituality The next chapter presents a method for organizing the profusion of empirical data on the types Chapter Four uses this method to give a complete account of the enneatypes including explanations on how each compulsion originates how it relates to egotism and how it may be transcended This is followed by a chapter on how to diagnose a compulsion Chapter Six presents a critique of the Naranjo Ichazo models and an introduction to a model based on the generalized empirical method of Bernard Lonergan The book closes with an essay for teenagers on

How to Be **Managers, Part of the Problem?** Camaron J. Thomas, 1999-02-28 A public manager herself and successful consultant in the public sector Camaron Thomas argues for a whole new way of being a public manager She introduces a new paradigm for how the public sector should work a collaborative functional environment in which fast paced purposeful change civility and initiative are actually the norm Real positive change is part of every employee s job control in the public sector must be replaced with shared responsibility and for her new paradigm to be realized it must be understood and internalized by managers one at a time This book argues for a whole new way of being a public manager one that affects what managers do how they do it and who they are as people It replaces the concept of agencies and control with shared responsibility and tests the idea in the arena of public sector budgeting Most importantly it recognizes that it is managers themselves who must change if the profession is ever going to improve This book is written for the 19 million plus current public sector managers who grind through every day It s also written for their successors for whom the task only promises to be more difficult

*Rediscovering You* Craig Walker, 2022-05-24 Who are you the Caterpillar asked Alice in Wonderland It s a question that many of us might ask ourselves What makes us grumpy one day and cheerful the next Why would some of us prefer to receive little love notes from our spouse rather than a back rub What makes some people behave like Energizer bunnies until they collapse In short what makes us tick Author Craig Walker sets out to put the puzzle pieces together in *Rediscovering You* He merges personality tests the Enneagram the Five Love Languages and the Word of God into one mosaic to provide you with a detailed and accurate self portrait so that you can see yourself as you truly are with all of your strengths weaknesses and complexities Decades of conducting counseling sessions taught me that self awareness is the single greatest leap forward to personal happiness and better relationships Craig says The Word of God personality Enneagram and love languages honestly answer the question Who are you Knowing that answer will change everything It will create a ripple effect across all of your relationships *Rediscovering You* uses Scripture to address three areas Personality the way we operate day to day The Enneagram what motivates us to do what we do Love Languages how we give and receive love This book will speak to those who truly want to learn how to love others as they love themselves but first they must learn to love themselves as God sees them Craig says Taking a deep look into your personality the personalities of specific men and women throughout Scripture learning how you are truly meant to be loved and being honest with yourself will together build a beautiful and unique tapestry of your identity in Christ
