The Translations of Seamus Heaney Seamus Heaney, 2023-03-21 The complete translations of the poet Seamus Heaney a Nobel laureate and prolific revolutionary translator Seamus Heaney's translation of Beowulf published in 1999 was immediately hailed as an undisputed masterpiece something imperishable and great James Wood The Guardian A few years after his death in 2013 his translation of Virgil's Aeneid Book VI caused a similar stir providing a remarkable and fitting epilogue to one of the great poetic careers of recent times Nick Laird Harper's Magazine Now for the first time the poet critic and essayist's translations are gathered in one volume Heaney translated not only classic works of Latin and Old English but also a great number of poems from Spanish Romanian Dutch Russian German Scottish Gaelic Czech Ancient and Modern Greek Middle and Modern French and Medieval and Modern Italian among other languages In particular the Nobel laureate engaged with works in Old Middle and Modern Irish the languages of his homeland and early education As he said If you lived in the Irish countryside as I did in my childhood you lived in a primal Gaeltacht In The Translations of Seamus Heaney Marco Sonzogni has collected Heaney's translations and framed them with the poet's own writings on his works and their composition sourced from introductions interviews and commentaries Through this volume we come closer to grasping the true extent of Heaney's extraordinary abilities and his genius *Sightlines* Eileen Kane, 2022-10-03 It is the 1960s and Ireland is hoping to join what will later become the European Union The government has devised a plan to stem emigration and save the Irish language by supporting small factories in the Gaeltacht traditional Irish speaking villages in remote western areas But is the plan working With her signature humor and charm Eileen Kane transports the reader to County Donegal with a detailed account of rural Irish life during this period of rapid change This is a story about people living beyond the margins of maps boundaries language groups and government departments people bound by borders that have little or no correspondence to their own cultural economic and historical margins Ultimately it is a story about life on the edges and the places and people who fall outside them **The Adventures of Dr. Whitty** George A.

Birmingham, 2022-06-13 In The Adventures of Dr Whitty George A Birmingham crafts a delightful narrative that blends humor with social commentary set against the backdrop of early 20th century Ireland The novel follows the titular character Dr Whitty as he navigates a labyrinth of eccentric characters and absurd situations showcasing Birmingham's sharp wit and keen insight into human behavior The prose is laced with a playful tone drawing readers into a whimsical exploration of cultural norms and individual quirks embedding the work within the broader context of Irish literature that often critiques societal conventions through satire George A Birmingham a prominent Irish author and clergyman brought to his writing a unique perspective influenced by his experiences in a transitional Ireland His background in the Church of Ireland and his keen observance of the social landscape profoundly impacted his narrative style which often intertwines themes of morality with humor Birmingham's own adventures around Ireland and overseas along with his reflections on national identity inform

the vibrant settings and characters in the novel making it a rich tapestry of early 20th century life This engaging novel is highly recommended for readers interested in timeless tales that deftly balance humor with insightful commentary on the human condition The Adventures of Dr Whitty is not just an entertaining read it is an invitation to reflect on the intricacies of life making it a must read for fans of classic Irish literature and those who appreciate the art of storytelling *The Prose Literature of the Gaelic Revival, 1881-1921* Philip O'Leary, 2011-12-31 The Gaelic Revival has long fascinated scholars of political history nationalism literature and theater history yet studies of the period have neglected a significant dimension of Ireland's evolution into nationhood the cultural crusades mounted by those who believed in the centrality of the Irish language to the emergent Irish state This book attempts to remedy that deficiency and to present the lively debates within the language movement in their full complexity citing documents such as editorials columns speeches letters and literary works that were influential at the time but all too often were published only in Irish or were difficult to access Cautiously employing the terms nativist and progressive for the turnings inward and toward the European continent manifested in different authors this study examines the strengths and weaknesses of contrasting positions on the major issues confronting the language movement Moving from the early collecting or retelling of folklore through the search for heroes in early Irish history to the reworking of ancient Irish literary materials by retelling it in modern vernacular Irish O'Leary addresses the many debates and questions concerning Irish writing of the period His study is a model for inquiries into the kind of linguistic literary movement that arises during intense nationalism **The Silver Gander** Frances Kelly, 2023-10-16 Ireland 1540s The Silver Gander set against the tapestry of Celtic society is a novel about one woman's devotion to her people amid a web of political intrigue Saoirse Brennen a trusted advisor to her chieftain must walk a careful path when his son murders a local farmer But that path is overshadowed when the English king Henry VIII claims all of Ireland as his own The treachery of one chieftain and the cunning of another forces Saoirse into an impossible situation to submit to English subjugation or watch her people lose their livelihoods Either way her way of life will be destroyed When Saoirse becomes chieftain she realizes the ancient laws of the Celts are failing under the burden of change Navigating impending economic ruin discriminatory laws a scattered family and murderous interlopers Saoirse builds alliances and calls on old wisdom to find a new path But there is a piece of her own past that keeps intruding Her decision to carry her burden alone threatens to turn away the one man who can help her most The Silver Gander weaves a story of love and determination amid the last vestiges of an ancient society a story that centuries later is unexpectedly familiar [Mickaleen's Humble Times](#) , [Music and Migration](#) Alexei Eremine,, Ana Fernandes Ngom, Bart Vanspauwen, Carla Soares Barbosa, Carlos Martins, Dan Lundberg, Dieter Christensen, Godelieve Meersschaert, Gustavo Roriz, Isabel Elvas, J.A.
