The Jewish Background of Christianity in God's Plan of Salvation Marianne Ivany D. Min.,2019-04-01 Modern Catholics may be dissuaded from reading or studying the Old Testament simply because the stories seem unusual or implausible and the language foreign and confusing Still we must not neglect the inestimable value of God s self disclosure and the wealth of wisdom within the Hebrew scriptures nor the Jewish prayers and traditions contained within as many of them lie at the core of our faith and worship In a simple yet enlightening approach to scripture interpretation Marianne Ivany provides a simplified overview of the major narratives that comprise the story of salvation history while offering appreciation for the role of Israel as God s chosen nation Throughout her study Dr Ivany invites spiritual seekers to explore the Old Testament comprehend its continuum within the message of the New Testament and reflect on its implications for understanding the life and teachings of Christ By engaging with the text Catholics will gain a new outlook on the depth of scripture as God s personal revelation to humanity enriched by the timelessness and wisdom of His word In this Catholic study believers will gain a new appreciation for the Hebrew scriptures of Jesus and the way they serve as the background for the Catholic faith

The Seven Feasts of Israel and the Messiah Ronald Jean,2014-03-11 Scene by scene we are surrounded by the theatrics of the passion The panorama begins as Israel performs her seven solemn ritualistic feasts pointing to the downfall of the walls of her spiritual captivity The messianic application to Israels memorial feasts is central to her preparation to enjoy her long awaited eternal freedom As this theme remains the central focus it is followed by the redemption of the world as revealed through these feasts So beautifully illustrated in the Tenach the Jewish Bible is how the Messiah was predicted by these feasts to be the Savior of the world In retrospect reliving scenes through the narrative you will discover hidden truth underneath the surface of Israels celebrations Discover the purposes of the different Sabbaths given to Israel and how each points to a unique aspect of either creation or redemption Here you have it from many years of lectures discussions and devoted contemplation on the passion of the Christ is brought to you from a unique and inspirational perspective Gods message to His called and chosen people Many mysteries and controversies with regard to Christs week of passion are brought to the surface and addressed Harmony of the four Gospels addressing days and times of each event is clearly mapped How you can as an individual or as a body of believers apply these lessons from a Christian or Messianic perspective is clearly revealed Understanding internalizing and applying Gods Word should be the object of every Bible study
