Entering The Path Of Enlightenment:

The Bodhicaryāvatāra of Śāntideva Śāntideva, 2007-01-01 art of life and not a theory **Entering the Path of Enlightenment** Śāntideva, 1970 **Practicing the Path** Yangsi, 2012-08-20 The Lamrim Chenmo or Great Treatise on the Steps of the Path by Je Tsongkhapa is a comprehensive overview of the process of individual enlightenment Meditation on these steps has been a core practice of Tibetan Buddhists for centuries The Lamrim Chenmo presents the Buddha's teachings along a continuum of three spiritual attitudes the person who worries about rebirth the person who wants to escape rebirth and finally the person who strives for buddhahood in order to relieve the suffering of all beings this is the supreme aspiration of the bodhisattva Given over two months to a group of Western Students in Dharamsala India Yangsi Rinpoche's commentary revitalizes our understanding of Tsongkhapa's work giving readers renewed inspiration *Entering the Path of Enlightenment the Bodhicaryavatara of Marion L. Matrics* Santideva, 1970 *Tantric Grounds and Paths* Geshe Kelsang Gyatso, 2016-01-01 A definitive manual for completing the spiritual path through the practice of Highest Yoga Tantra Actual Tantra also known as Secret Mantra or Vajrayana is a special method taught by Buddha to purify our world our self our enjoyments and our activities Although there is great interest in Tantra very few people understand its real meaning This book represents a significant milestone in revealing the profound mysteries of Tantra to the modern world Drawing from his own experience and the works of Je Tsongkhapa and other great Yogis Geshe Kelsang presents an authoritative and comprehensive guide to the four classes of Tantra in general and to the generation and completion stages of Highest Yoga Tantra in particular The Vajrayana path is like a vehicle that takes us directly to our final destination and the common paths are like the road on which the vehicle travels Therefore to extract the greatest essence from this precious human life by attaining full enlightenment we need first to train in the common paths of Lamrim and then in the uncommon Vajrayana paths Geshe Kelsang Gyatso *Entering the Way of the Great Vehicle* Rongzom Chokyi Zangpo, 2021-06-15 The first English translation of a classic treatise on how the Tibetan practice of Dzogchen or Great Perfection is in fact the culmination of the path of Mahayana Buddhism Rongzom Chokyi Zangpo wrote this treatise in the eleventh century during the renaissance of Buddhism in Tibet that was spurred by the influx of new translations of Indian Buddhist texts tantras and esoteric transmissions from India For political and religious reasons adherents of the new schools of Tibetan Buddhism fostered by these new translations cast the older tradition of lineages and transmissions as impure and decadent Rongzompa composed the work translated here in order to clearly and definitively articulate how Dzogchen was very much in line with the wide variety of sutric and tantric teachings espoused by all the Tibetan schools Using the kinds of philosophic and linguistic analyses favored by the new schools he demonstrates that the Great Perfection is indeed the culmination and maturation of the Mahayana the Great Vehicle The central topic of the work is the notion of illusory appearance for when one realizes deeply that all appearances are illusory one realizes also that all appearances are in that respect equal The realization of the

equality of all phenomena is said to be the Great Perfection approach to the path which frees one from both grasping at and rejecting appearances However for those unable to remain effortlessly within the natural state in the final chapter

Rongzompa also describes how paths with effort are included in the Great Perfection approach **Tantric Grounds and Paths** Kelsang Gyatso,1994 The mysteries of Tantra have engrossed countless meditators for centuries Since the time of Buddha these secrets have been passed down from accomplished master to disciple largely by word of mouth Now drawing from his own experience and the works of Je Tsongkhapa and other great Tibetan Yogis Geshe Kelsang clearly sets out all the stages of the four classes of Tantra giving a full explanation of generation and completion stages Tantra is revealed as the gateway to a blissful new world The book represents a significant milestone in revealing these profound mysteries to the contemporary world Paths to the Divine Vensus A.
