Entering Into Gods Project Prophecy On Terror:

A Word from Above John P. Voulgaris, 2016-12-23 High mountain is a clear cut biblical metaphor for our nation USA the leader of the world Hill is ZION for God s flock in USA who are sharing His amassed Truth of pre counseling in the interim times before Final Judgment Isa 13 2 Isa 30 17 A Word inspiring hope trust and assurance in obeying God s direction Surely He has given USA dominion intervened in the election of leaders poured in us the Spirit of Prophecy with more than 22 texts the Bible reveals USA s Prominence in armies and in holiness Thus from USA God calls watchmen to blow the Trumpets of His message to all 10 virgins for repentance knowledge and wisdom how to stand on His Word We are the last of Seven Kingdoms the 7th Great Empire before an 8th government of evil people followed by their leader dictator are allowed by God to bring the world s destruction when our America is to be fallen as a degenerate called a Babylon Then God will bring as He promised final restoration to all with Christ s reign in Jerusalem Forever *Rapture: the Past, Present and What to Expect in the Future* Joseph Onyebuchi Azubuike, 2013-11-05 It is now clear the controversy on Rapture is over as God sent Joseph Onyebuchi Azubuike declares that Jesus teaching on his second coming is the ultimate He is coming Post trib immediately after not before the tribulation of those days Matt 24 29 31 All other views including the most popular Pretrib are assumption based There is no single scripture that suggests Rapture before the tribulation of those days But assumption which is not the word of God can work it out for you Therefore whose report will you believe We have swallowed enough heresies in the past but it has come to an end today because the Structures refute the heresies Do not hesitate to pick the book and you will be glad you did Introduction to the Literary Art of the Gospel of John Paul Jaesuk Jo, 2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John s message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book takes you to see John in its grand design **Where God Was on 9/11** Oluwole J. Odeyemi, 2005-08-18 The book is a classic piece that revealed critically and comprehensively on the mysteries and the spiritual underpinnings of the world changing terror events of 9 11 It promises to be a point by point blow by blow biblical analysis that are reality related and which cannot be doubted by even the most agnostic The book also endeavoured to shed light on many other topical issues

which has remained bizarre or ever since been shrouded in mystery vis a vis biblical accounts and humanity. Such other issues include the truth about the Jewish Holocaust, the angelically induced human breeding experiments in the pre-Deluvian age, the unseverable umbilical cord that tied the USA with Israel and as well the denial by God of all the omni-principles that had been fraudulently ascribed unto Him by man and his reckless philosophy. It promises to be a most intriguing journey ever made in the world of knowledge. Please visit one of my sites for more details: wleodeyemi2005@yahoo.com godon911@yahoo.co.uk

The Battle for God Karen Armstrong, 2011-08-10. In the late twentieth century, fundamentalism has emerged as one of the most powerful forces at work in the world, contesting the dominance of modern secular values and threatening peace and harmony around the globe. Yet it remains incomprehensible to a large number of people. In *The Battle for God*, Karen Armstrong brilliantly and sympathetically shows us how and why fundamentalist groups came into existence and what they yearn to accomplish. We see the West in the sixteenth century beginning to create an entirely new kind of civilization which brought in its wake change in every aspect of life, often painful and violent. Even if liberating, Armstrong argues that one of the things that changed most was religion. People could no longer think about or experience the divine in the same way they had to develop new forms of faith to fit their new circumstances. Armstrong characterizes fundamentalism as one of these new ways of being religious that have emerged in every major faith tradition. Focusing on Protestant fundamentalism in the United States, Jewish fundamentalism in Israel, and Muslim fundamentalism in Egypt and Iran, she examines the ways in which these movements, while not monolithic, have each sprung from a dread of modernity, often in response to assault, sometimes unwitting, sometimes intentional, by the mainstream society. Armstrong sees fundamentalist groups as complex, innovative, and modern rather than as throwbacks to the past, but contends that they have failed in religious terms. Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity, each impelling the other on to greater excess, she suggests compassion as a way to defuse what is now an intensifying conflict.

BONUS This edition contains an excerpt from Karen Armstrong's *Twelve Steps to a Compassionate Life*.

Images of Joshua in the Bible and Their Reception Zev Farber, 2016-07-11. The central theme of the book is the relationship between a hero or cultural icon and the cultures in which he or she is venerated. On one hand, a hero cannot remain a static character if he or she is to appeal to diverse and dynamic communities. On the other hand, a traditional icon should retain some basic features in order to remain recognizable. Joshua, son of Nun, is an iconic figure of Israelite cultural memory, described at length in the Hebrew Bible and venerated in numerous religious traditions. This book uses Joshua as a test case. It tackles reception and redaction history, focusing on the use and development of Joshua's character and the deployment of his various images in the narratives and texts of several religious traditions. I look for continuities and

discontinuities between traditions as well as cross pollination and polemic The first two chapters look at Joshua s portrayal in biblical literature using both synchronic literary analysis as well as diachronic berlieferungsgeschichte and redaction source criticism methodologies The other four chapters focus on the reception history of Joshua in Second Temple and Hellenistic Jewish literature in the medieval Arabic Samaritan Book of Joshua in the New Testament and Church Fathers and in Rabbinic literature *The 'Choephoroi' of Aeschylus* Aeschylus,1893 **The Minor Prophets** Scott Hahn,Curtis Mitch,2023-10-10 Revised Standard Version Second Catholic Edition *The Holy Bible, Containing the Old and New Testaments* ,1827
