Catalog of the Gerald K. Stone Collection of Judaica Gerald K. Stone, 2021-01-05 Gerald K. Stone has collected books about Canadian Jewry since the early 1980s. This volume is a descriptive catalog of his Judaica collection comprising nearly 6 000 paper or electronic documentary resources in English, French, Yiddish, and Hebrew. Logically organized, indexed, and selectively annotated, the catalog is broad in scope, covering Jewish Canadian history, biography, religion, literature, the Holocaust, antisemitism, Israel, and the Middle East, and more. An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada. An informative bibliographical resource, this book will be of interest to scholars and students of Canadian and North American Jewish studies. *An Enterprising Life* Cyril Edel, Leonard Frank, 1990. **Wish You Were Here** Peter Grant, 2002. The images that Peter Grant has collected are mostly previously unpublished and provide fascinating insights into the social history of life on Vancouver Island from 1904 to 1918. The views capture the life and times, particularly the parties and pleasures in the Island of this long ago vanished era. These remarkable photographs were created by artistic photographers, sometimes amateurs, who would wander the streets or backcountry looking for business. The images were often produced by cameras the likes of which have not been seen for ages and are now collectors' prized items. *Wish You Were Here* also gives the reader a full understanding of the process and the history of this overlooked art form. *Image and Inscription* Gallery 44, 2005. *Image and Inscription* features the work of many of Canada's distinguished authors, critics, curators, and artists who are recognized for their contribution to the discourse and practice of photography; it presents the diversity and the changeable milieu of photographic practice and evokes an unanticipated moment in Canadian photography. It also represents an important step in expanding the contemporary authorship on photography in Canada, adapted from the Introduction by Robert Bean. *Western States Jewish History*, 1993. **BC Studies**, 1995. **Quill & Quire**, 1990. **Canadian Book Review Annual**, 1998. **America, History and Life**, 1994. **The Surface of Meaning** Robert Bringhurst, 2008. The design and manufacture of books can tell as much about a people or a culture as the ambience of its streets and the architecture of its buildings. In our everyday lives, books surround us even if we are among the many who never read another one after high school. Their very jacket design asks us to make meaning of their presence, and when we open them, the layout of words and stories within their covers makes us readers even before we begin to read. To Robert Bringhurst, typographer, poet, and writer, the presence of books and the story of books in Canada are preludes to understanding our culture. From the tattered book of Canadian poetry your moody cousin carried everywhere to the pristine hardcover book of Atwood's latest work in your brainy co-worker's hands, book design says much about who and where we are as Canadians. In *The Surface of Meaning*, Robert Bringhurst takes us on another of his walking tours, this time through the bramble of English and French Canadian books and book design from the mid-18th Century to the present day. Along the way, he discovers a true image trove of identity, culture, and history. And he does what no other work on

books and publications does He creates a truly national survey of Canadian books by bringing Canada s long history of Aboriginal story telling into a context of book It is a context that goes into the depths of our prehistory far beyond the printed page The Surface of Meaning is a tribute to Canadian books and publishing It is irresistible to readers who love books as well as to designers and others who may simply prefer to look at them International Books in Print ,1990 Canadiana ,1990
