Entertaining Angels Unaware Philip A. Gottschalk,2021-01-25 The United States and many western European nations have grown by immigration What sort of reception have immigrants been given by Christians Are Christians today aware of the need of people suffering from war or persecution to immigrate to safe places In earlier times immigrants were generally like us Now many immigrants are often Muslims who not only dress distinctively but practice a different religious creed as well Many fear that terrorists will enter our country under the guise of immigrants Christians however belong to another kingdom the kingdom of Jesus the Messiah A Christian response to the needs of refugees and immigrants should reflect their commitment to Christ more than their fears or political allegiances Through stories of immigrants in the past and present this book aims to show that not only is it safe to accept them but our commitment to Christ compels us to help those less fortunate than ourselves **My Guardian Angel** Doreen Virtue,2011-01-23 Angels appearing from out of nowhere to save

Professor Edward Kapambwe, 2021-06-01. Do Angels Smooch. Do angels smooch. If not why so much obsession in lyrics, movies, and books about angels and kissing. Are there any more surprises that Edward Kapambwe unveils in his book? Well, there is more. For example, Kapambwe takes us into an in-depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before. He brings out novel elements that have never been unveiled previously. For example, he recounts how angels visit our stores. They buy the stuff they need before meeting people. Haven't you noticed that no angel has ever appeared nude or with wings in real life? They come already dressed just like us, and that is why we have been unable to identify them. We are surrounded by angels, both good and evil. Evil angels no longer transform themselves into humans. Only good angels still do. Since there are no shops in heaven where do they get the stuff they wear? Besides that, what happens to these apparels after being used? The author asserts that angels

donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they are able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It is not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list

Milton's Angels Joad Raymond, 2010-02-25 Milton's Paradise Lost the most eloquent most intellectually daring most learned and most sublime poem in the English language is a poem about angels It is told by and of angels it relies upon their conflicts communications and miscommunications They are the creatures of Milton's narrative through which he sets the Fall of humankind against a cosmic background Milton's angels are real beings and the stories he tells about them rely on his understanding of what they were and how they acted While he was unique in the sublimity of his imaginative rendering of angels he was not alone in writing about them Several early modern English poets wrote epics that explore the actions of and grounds of knowledge about angels Angels were intimately linked to theories of representation and theology could be a creative force Natural philosophers and theologians too found it interesting or necessary to explore angel doctrine Angels did not disappear in Reformation theology though centuries of Catholic traditions were stripped away Protestants used them in inventive ways adapting tradition to new doctrines and to shifting perceptions of the world Angels continued to inhabit all kinds of writing and shape the experience and understanding of the world Milton's Angels The Early Modern Imagination explores the fate of angels in Reformation Britain and shows how and why Paradise Lost is a poem about angels that is both shockingly literal and sublimely imaginative
