Entertaining Angels Hospitality Programs For The Caring Church:

Entertaining Angels Elizabeth Rankin Geitz,1993 This nuts and bolts resource on newcomer ministry features the biblical history of hospitality tips and a workshop on the skill of listening effective newcomer programs in churches of all sizes sample forms for successful communication a suggested workshop for a Hospitality Newcomer Ministry Committee special outreach programs for the poor and the bereaved and more Hospitality and the Other Author, Amos

Yong,2015-03-04 **Soul Banquets** John Koenig,2007-04-01 A look at the ways that meals of various sorts can be more effectively integrated into parish activities promoting the emergence of new gifts for ministry as well as increasing our gratitude for God's abundance and the works of justice and mercy that follow from our expressions of thanksgiving *The Living Church* ,1993-07 *Fireweed Evangelism* Elizabeth Geitz,2004-11-01 Fireweed always the first flower to spring up and bloom in ruins and burned over places is Elizabeth Geitz's metaphor for evangelism that comes from the heart It is the motivation that makes some Christians eager to welcome the stranger and invite people into their churches while others hang back In this prequel to *Entertaining Angels Hospitality Programs for the Caring Church* Geitz explores this missing ingredient in Christian hospitality reminding us that in a multi faith world where Christians wish to honor the validity of other religious paths we may hesitate to talk about the uniqueness of Jesus Christ Her book helps both individuals and communities to understand what holds them back from evangelism and discover the path that is right for them This book unfolds in three sections In the first we look at the factors that inhibit our evangelism including the awareness that we live in a pluralistic world and do not wish to offend those with other faith commitments Geitz offers both reflection and exercises to help us discover our own motivation for evangelism Part 2 addresses the question of context Where does evangelism take place and for whose benefit To what sort of communities do we invite those to whom we reach out Section 3 focuses on the uniqueness of Christian hospitality and describes the nuts and bolts of newcomer ministry and the programs needed to sustain Christian hospitality in a pluralistic society It includes workshop and group process material **The Work of the People** Marlea Gilbert,Christopher Grundy,Eric T. Myers,Stephanie Perdew,2006-12-31 Worship is the work of the people of God Patterns of worship shape how we pray and how we live Despite its centrality to church life worship is too often taken for granted as something a congregation experiences rather than collectively creates *The Work of the People* simply and clearly explains the structure of worship the actions and words we use in liturgy the environment in which it all happens in other words what we are doing and why This book will guide congregations in worshiping in a way that encourages participants spiritual growth welcomes new participants into faith and sends people out as the body of Christ to transform the world Respectful of local custom and the traditions and practices of the Church as a whole *The Work of the People* will help worship leaders make the best use of their congregation's resources and clarify their choices about how they will worship together Built around a basic service gathering service of the Word Eucharist and sending this book is both

theological and practical and encourages all worshipers active participation in Spirit led worship of the God of all Creation

People of Bread Wolfgang Vondey,2008 Wolfgang Vondey contends that the story of the church is a story of the people of bread The image of bread is one of the richest and at the same time one of the most neglected biblical images that speak to an ecumenical understanding of the church Drawing from scripture from writers of the early church and from cutting edge debates in contemporary scholarship Vondey unfolds the social moral missiological ecumenical and eschatological dimensions of the church based on the story of bread that far exceeds a eucharistic interpretation People of Bread speaks to a growing interest in an understanding of the church by addressing the widespread revival of the theological imagination

BOOK JACKET Twelve Dynamic Shifts for Transforming Your Church E. Stanley Ott,2002-06-06 Arguing that the weakness of the church today is a loss of personal spirituality and congregational vitality Ott challenges local churches to discover how to adjust the style of their ministries to attract new people while encouraging current members **An Amos**

Yong Reader Amos Yong,2020-05-12 Amos Yong is the most prolific pentecostal theologian to date and his published works are so many that it is difficult to find an amiable entry point into his thought An Amos Yong Reader is the first introduction to Yong s theology in his own words It brings into one volume representative samples of the broad range of Yong s scholarship including theology of religions religion and science theology and disability political theology Luke Acts and theological method Christopher A Stephenson perhaps Yong s most insightful interpreter provides an introductory essay that both orients readers to Yong s extensive theological program and identifies the most important key to understanding Yong s theology as his most neglected work Spirit Word Community a book with implications far beyond the boundaries of Pentecostalism An Amos Yong Reader provides an overview of Yong s thought and a starting point for more thorough study in any of the major themes in his expansive corpus Women's Uncommon Prayers Elizabeth Geitz,2000-06-05 Looking for

ways to be strong yet tender independent yet intimate women today strive toward ever greater understanding of themselves their relationships with family and friends and their place in the world Written by clergy and lay women from all around the country this compilation of prayers and poems is the collective wisdom of contemporary women who base their search for such understanding on the belief that all of life must be seen against the backdrop of a vital faith Offered in a spirit of sharing and encouragement these prayers and poems are as rich intricate and complex as the women s lives they represent Women s Uncommon Prayers covers the full spectrum of emotions from desperate pleas for compassion in times of despair to quiet gratitude for the simple blessings of everyday living to raucous praise during moments of celebration These prayers touch on an amazing array of topics organized under the categories of identity daily life stages of life spirituality and ministry Also included are comprehensive sections of seasonal and corporate prayers **Gender and the Nicene Creed** Elizabeth

Geitz,2004-03-01 A cogent and persuasive plea for a return to the full catholic tradition which would make a critical contribution to the debate about gender in matters of faith The Most Rev Desmond M Tutu Writers of scripture and

theologians have used scores of images to describe God Jesus and the Holy Spirit Yet only the patriarchal perspective seemed to survive and be taught In this comprehensive reflection on the Nicene Creed Geitz looks to the writings of theologians mystics and scholars throughout the centuries for a balanced and scholarly approach to an often divisive issue of Christians Elizabeth Geitz writes My desire is to help us move from an initial emotional response to feminine tradition of the church to one that is based on sound biblical historical and theological principles International Mission Bibliography Norman E. Thomas,2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry *Books in Print Supplement* ,2002 **Reading 1 Peter Missiologically** Abeneazer G. Urga,Jessica A. Udall,Edward L. Smither,2024-06-24 Gaining Fresh Insights for Missions In today s world the church on mission faces the immense challenge of engaging an array of cultures and ideologies To address these issues theologians and missiologists usually focus on Jesus and Paul However the Apostle Peter s words steeped in wisdom are another vital link between foundational Christian truths and the complexities of our global context For this reason Reading 1 Peter Missiologically is a significant contribution to both biblical scholarship and mission practice Examining 1 Peter through a missiological lens unveils the apostle s strategic approach to cross cultural evangelism amidst persecution and cultural diversity It is not just an academic exercise the authors provide practical insights for missionaries church leaders and theologians helping them to contextualize the gospel in a culturally sensitive manner This book bridges the gap between theological study and real world application Reading 1 Peter Missiologically is an essential resource for anyone seeking to participate in Christian outreach more effectively It challenges readers to rethink modern missionary strategies If you want to deepen your understanding of the Bible s teaching on global mission and apply it across the world this book is a must read **Hospitality** Freddy James Clark,2007 The term hospitality describes a state of generosity accommodation and consideration towards others The Shalom Church which views hospitality as a gift seeks not to control the gift but to share and celebrate it in practice When the practice is intentional it will become embedded in one s lifestyle This adherence is reached when one considers hospitality as a biblical and moral obligation where every encounter with the other will be viewed through the lens of hospitableness Fortunately humanity always moves from host stranger to stranger host In Christian theology the giver and receiver are of equal regard Since there are no permanent positions in life persons are always moving in and out of situations where they sometimes experience being the host and other times the stranger Hospitality becomes the means by which equal regard and moral obligation are exercised Proclamation is the tool that shapes the practice and develops a committed relationship with hospitality Book jacket An Ethic of Hospitality Emily Jeptepkeny Choge,2020-07-30 In our increasingly xenophobic world countries are turning away refugees and immigrants

Based on the situation in Kenya this book offers a countercultural ethic of hospitality and welcome to the stranger an ethic fraught with dangers and yet filled with great opportunities for transforming our world Drawing on the scriptural pilgrim motif and specifically on the book of Hebrews this study paints a picture of refugees not only as needy strangers to be herded into camps but as brothers and sisters who bring with them treasures and talents that can enrich our understanding of our Christian identity and mission as pilgrims in the world The hospitality practice seen in Hebrews offers hope and promise not only for refugees themselves but also for the pilgrim church Like the ancient heroes of faith portrayed in Hebrews we too live as pilgrims and aliens who await with hope the city whose architect and founder is God Refugees in fact teach us how to live our pilgrim identity they become teachers not only for the church in Kenya but also for the body of Christ worldwide

Index to Book Reviews in Religion ,1994 **The Cumulative Book Index** ,1995 A world list of books in the English language From Judaism to Christianity: Tradition and Transition Patricia Walters,2010-09-24 The striving of Hellenistic Judaism to lay claim to its own epoch and the struggle of early Christianity to ground its pluriform beliefs in that same world represent the governing themes of this volume dedicated to Thomas H Tobin S J **Study Guide for Making Room** Christine D. Pohl,Pamela J. Buck,2001 Christine D Pohl s book Making Room Recovering Hospitality as a Christian Tradition has helped foster renewal of the central but long neglected practice of Christian hospitality This new study guide for Making Room provides a variety of ways in which people can learn more about the practice Designed for use by small groups though individuals will also profit from it the study guide is divided into nine lessons corresponding to the chapters of Making Room Each lesson begins with an introduction briefly highlighting the main points of the book followed by sections on group building Scripture discussion reflection and personal application Each lesson also provides aids for group leaders and suggested activities to help participants begin to make the practice of hospitality part of their daily life
