Entertaining Ideas Popular Philosophical Essays 1970 1990:

The Pleasures of Horror Matt Hills, 2005-06-20 Pleasures of Horror is a stimulating and insightful exploration of horror fictions literary cinematic and televisual and the emotions they engender in their audiences The text is divided into three sections The first examines how horror is valued and devalued in different cultural fields the second investigates the cultural politics of the contemporary horror film while the final part considers horror fandom in relation to its embodied practices film festivals its reading formations commercial fan magazines and fanzines and the role of special effects Pleasures of Horror combines a wide range of media and textual examples with highly detailed and closely focused exposition of theory It is a fascinating and engaging look at responses to a hugely popular genre and an invaluable resource for students of media cultural and film studies and fans of horror

Dark Thoughts Steven Jay Schneider, Daniel Shaw, 2003-09-16 Is horror a fundamentally nihilistic genre Why are those of us who enjoy horror films so attracted to watching things on screen that in real life we would almost certainly find repellent Do monster movies have a deleterious moral effect on their viewers In seeking to answer such questions as well as a host of related ones Dark Thoughts reveals that our fascination with horror cinema and the pleasure we take in it is in the end simply a natural extension of a philosopher's inclination to wonder This is a collection of highly engaging and provocative essays by top scholars in the increasingly interrelated fields of Philosophy Film Studies and Communication Arts that deal with the epistemology aesthetics ethics metaphysics and genre dynamics of horror cinema past and present Contributors include Curtis Bowman No l Carroll Elizabeth Cowie Angela Curran Cynthia Freeland Michael Grant Matt Hills Deborah Knight George McKnight Ken Mogg Aaron Smuts Robert C Solomon and J P Telotte Over the past several years one of the hottest topics in the realm of philosophical aesthetics has been cinematic horror The emotional effects it has on audiences the mysterious metaphysics of its impossible beings the controversial ethics of its violent contents these are just a few of the concerns to have drawn the attention of scholars and students alike not to mention the genre's legions of fans Since the publication of No l Carroll's groundbreaking study The Philosophy of Horror or Paradoxes of the Heart 1990 and including most recently Cynthia Freeland's The Naked and the Undead Evil and the Appeal of Horror 2000 a plethora of articles have been authored by seemingly normal philosophers about the decidedly abnormal activities of the antagonists of fright flicks

Adapting Poe D. Perry, C. Sederholm, 2012-08-06 Adapting Poe is a collection of essays that explores the way Edgar Allan Poe has been adapted over the last hundred years in film comic art music and literary criticism A major theme that pervades the study concerns the more recent re imaginings of Poe in terms of identity construction in a postmodern era

New Directions in Supernatural Horror Literature Sean Moreland, 2018-09-08 This collection of essays examines the legacy of H P Lovecraft's most important critical work Supernatural Horror in Literature Each chapter illuminates a crucial aspect of Lovecraft's criticism from its aesthetic philosophical and literary sources to its psychobiological underpinnings to its pervasive influence on the conception and course of horror and weird literature

through the twentieth and early twenty first centuries These essays investigate the meaning of cosmic horror before and after Lovecraft explore his critical relevance to contemporary social science feminist and queer readings of his work and ultimately reveal Lovecraft s importance for contemporary speculative philosophy film and literature **Comic Relief**

Kathleen Marie Higgins,2000 This book offers a lively and unorthodox analysis of Nietzsche by examining a neglected aspect of his scholarly personality his sense of humor While often thought of as ponderous and melancholy the Nietzsche of Higgins s study is a surprisingly subtle and light hearted writer She presents a close reading of The Gay Science to show how the numerous literary risks that Nietzsche takes reveal humor to be central to his project Higgins argues that his use of humor is intended to dislodge readers from their usual somber detachment and to incite imaginative thinking **Horror Film and**

Affect Xavier Aldana Reyes,2016-02-12 This book brings together various theoretical approaches to Horror that have received consistent academic attention since the 1990s abjection disgust cognition phenomenology pain studies to make a significant contribution to the study of fictional moving images of mutilation and the ways in which human bodies are affected by those on the screen on three levels representationally emotionally and somatically Aldana Reyes reads Horror viewership as eminently carnal and seeks to articulate the need for an alternative model that understands the experience of feeling under corporeal threat as the genre s main descriptor Using recent post millennial examples throughout the book also offers case studies of key films such as Hostel REC Martyrs or Ginger Snaps and considers contemporary Horror strands such as found footage or 3D Horror **Passion, Death, and Spirituality** Kathleen Higgins,David Sherman,2012-05-30

Robert C Solomon who died in 2007 was Professor of Philosophy and Quincy Lee Centennial Professor of Business at the University of Texas USA As the first book comprehensively to examine the breadth of Solomon s contribution to philosophy this volume ranks as a vital addition to the literature It includes a newly published transcript of Solomon s last talk which responded to Arindam Chakrabarti on the concept of revenge as well as the considered views of prominent figures in the numerous subfields in which Solomon worked The content analyses his perspectives on the philosophy of emotion virtue business ethics and religion in addition to philosophical history existentialism and the many other topics that held this prolific thinker s attention Solomon memorably defined philosophy itself as the thoughtful love of life and despite the diversity of his output he was most drawn by central questions about the meaning of life the essential role that emotions play in finding that meaning and the human imperative to seek emotional integrity in which one s thoughts emotions and actions all contribute to a coherent narrative The essays included here draw attention to the interconnections between the issues Solomon addressed and evince the manner in which he embodied that integrity living a life at one with his philosophy They emphasize the central themes of passion ethics and spirituality which threaded through his work and the way these ideas informed his views on how we should approach grief and death The multiplicity of topics alone make this keystone work an enlightening read for a full spectrum of students of philosophy providing much to ponder and recounting a subtle and shining example of the

emotional integrity Solomon worked so hard to define **Sparkling Creativity** Barry Kudrowitz, 2023-06-01 Blending popular culture and design theory framed by a decade of scholarly research this book highlights how play and humor fuel innovation Now more than ever we are in need of creative solutions to global problems but creative skills and abilities decline over time without intervention and practice Sparkling Creativity provides empirically supported methods for embracing the often trivialized domains of play and humor to increase our creativity It shows that topical examples such as Seinfeld's humor the Apples to Apples board game and the Adventure Time cartoon series are more closely related to innovation than you might first think The book is organized into five main parts each containing short engaging subsections and informative playful and colorful illustrations to demonstrate concepts Written in a humorous and accessible style this book is aimed toward creative minded entrepreneurs designers engineers industry leaders parents educators and students It encourages a playful approach throughout a design process to produce truly innovative solutions *Reasonings*, 1989 *The*
