Entretiens Avec Jonathan Cott:

Entretiens avec Jonathan Cott Glenn Gould, Jonathan Cott, 1990 **Music in Canada** Carl Morey, 2013-11-26 Providing access to virtually any subject related to music and musicians in Canada more than 900 annotated entries are organized under 13 topics and indexed by author subject and title Background and supplementary information and suggestions for research are presented in introductory essays The material covered reflects the broad spectrum of music in Canadian society including historical analytical and biographical studies of music derived from the European tradition First Nations and Inuit music jazz and popular works folk and ethnic music education research and bibliographical materials The reader is also directed to some important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently this information is invaluable to students and researchers interested in Canadian music the music of North America and Canadian studies Index **Entretiens avec Jonathan Cott** Glenn Gould, Karlheinz

Stockhausen, Jonathan Cott, 1988 **The Midlife Mind** Ben Hutchinson, 2020-11-05 The meaning of life is a common concern but what is the meaning of midlife With the help of illustrious writers such as Dante Montaigne Beauvoir Goethe and Beckett The Midlife Mind sets out to answer this question Erudite but engaging it takes a personal approach to that most impersonal of processes aging From the ancients to the moderns from poets to playwrights writers have long meditated on how we can remain creative as we move through our middle years There are no better guides then to how we have regarded middle age in the past how we understand it in the present and how we might make it as rewarding as possible in the future

Phantasmic Radio Allen S. Weiss, 1995 About radio and the alienation of the self **La musique des voyages** Corinne Schneider, 2019-01-16 Les voyages sont inscrits au c ur m me de la vie musicale Apr s les p r grinations du Moyen ge et de la Renaissance les musiciens sont plus autonomes et leurs d placements deviennent plus personnels Ils tudient aupr s des plus grands ma tres jouent devant les publics les plus divers et se font conna tre travers le monde Ces voyages en grande partie choisis s accompagnent de d couvertes les contr es inconnues les l ments les paysages et les habitants rencontr s ne peuvent pas tre sans incidence sur la cr ation Corinne Schneider en pr sente ici tous les aspects en s appuyant sur des r cits savoureux pour nous faire mesurer les conditions mat rielles de ces odyss es souvent p rilleuses Surtout dans un tour du monde en quatre vingts uvres elle retient ce qui au passage par tous les continents a nourri la cr ation des visions des climats des usages et des rites des rythmes des timbres et des harmonies Tel Ulysse dont le p riple a inspir tant de compositeurs on part pour revenir mais on ne revient pas le m me et on ne revient pas sans bagage pour la d lection de nos oreilles Productrice France Musique la musicologue Corinne Schneider est galemment l auteure d une biographie de Carl Maria von Weber Gisserot 1998 et d une tude de la r ception de l uvre de Franz Schubert Reflets schubertiens Fayard Mirare 2007

The Bloomsbury Handbook of the Anthropology of Sound Holger Schulze, 2020-12-10 The Bloomsbury Handbook of the Anthropology of Sound presents the key subjects and approaches of anthropological research into sound cultures What are the common characteristics as well as the inconsistencies of living with and around sound in everyday life This question drives research in this interdisciplinary area of sound studies it propels each main chapter of this handbook into a thoroughly different world of listening experiencing receiving sensing dreaming naming desiring and crafting sound This handbook is composed of six sections sonic artifacts sounds and the body habitat and sound sonic desires sounds and machines and overarching sensologies The individual chapters explore exemplary research objects and put them in the context of methodological approaches historical predecessors research practices and contemporary research gaps This volume offers therefore one of the broadest most detailed and instructive overviews on current research in this area of sensory anthropology

From Music to Sound Makis Solomos, 2019-10-28 From Music to Sound is an examination of the six musical histories whose convergence produces the emergence of sound offering a plural original history of new music and showing how music had begun a change of paradigm moving from a culture centred on the note to a culture of sound Each chapter follows a chronological progression and is illustrated with numerous musical examples The chapters are composed of six parallel histories timbre which became a central category for musical composition noise and the exploration of its musical potential listening the awareness of which opens to the generality of sound deeper and deeper immersion in sound the substitution of composing the sound for composing with sounds and space which is progressively viewed as composable The book proposes a global overview one of the first of its kind since its ambition is to systematically delimit the emergence of sound Both well known and lesser known works and composers are analysed in detail from Debussy to contemporary music in the early twenty first century from rock to electronica from the sound objects of the earliest musique concrète to current electroacoustic music from the Poème électronique of Le Corbusier Varèse Xenakis to the most recent inter arts attempts Covering theory analysis and aesthetics From Music to Sound will be of great interest to scholars professionals and students of Music Musicology Sound Studies and Sonic Arts Supporting musical examples can be accessed via the online Routledge Music Research Portal

Neo-mythologism in Music Victoria Adamenko, 2007 The Devil and the Perception of Schnittke's Early Style The Mythologems in Schnittke's First Symphony Postlude Appendix 1 An interview with George Crumb Appendix 2 The English translation of the texts by García Lorca from George Crumb's Ancient Voices of Children Appendix 3 Text excerpts from Stockhausen's Licht Selected bibliography List of Illustrations Index

Other Planets Robin Maconie, 2016-09-26 German composer Karlheinz Stockhausen was arguably the most influential figure of the European postwar avant garde and unquestionably the most elusive and enigmatic musical thinker of a generation that includes Pierre Boulez John Cage and Luciano Berio His radically new electronic and instrumental music converted Igor Stravinsky to serialism in the 1950s and has continued to inspire young composers for more than fifty years Other Planets The Complete

Works of Karlheinz Stockhausen 1950 2007 draws on more than fifty years of Maconie's close study of Stockhausen and functions as a catalogue raisonnée of Stockhausen's complete output. With plentiful citations from the history of radio film and sound recording as well as from contemporary science and technology the book is laid out in chronological order and contains ample commentary on the composer's sources of inspiration. Each composition is also fully documented within the text giving full information of each work's publisher catalog number instrumentation duration and authorized compact disc. The updated edition extends the range of the volume's contents to include the twenty-five works Stockhausen composed between 2004 and his death in 2007. Stockhausen's status in the history of music in the late twentieth century can now be appreciated with unprecedented clarity. All listeners will benefit from this work and American music lovers in particular will find it an invaluable guide to the ongoing debate and rivalry over the sources of abstract expressionism and the avant-garde.

Mutações: o silêncio e a prosa do mundo Adauto Novaes, 2015-11-30 Neste livro da série Mutações os ensaios tratam do conceito de fala que dá forma e expressa os reflexos e paixões e do silêncio diante do grande volume de informações produzidas atualmente. O silêncio pensado como forma de transgressão e a prosa como trabalho de criação de obras de arte e do pensamento. Assim em um contexto dialético são abordadas interações entre fala e sentidos imaginação e silêncio mística e silêncio à fala política a origem da fala o lugar comum o discurso político a mentira as transformações silenciosas entre outras.

No, non sono un eccentrico Glenn Gould, Bruno Monsiegeon, 1989 **Chinua Achebe** Catherine Lynette Innes, 1992-03-26 Things fall Apart is compared with Joyce Cary's Mister Johnson. Achebe's novel is seen as a more realistic portrayal of the society and culture of indigenous people of Nigeria. *Variations sur des thèmes de Gould* Ghyslaine Guertin, Livre de Glenn Gould emprunte différents moyens d'expression où les sons côtoient les mots et les images sans jamais entraver l'unité et la logique de la pensée qui s'y exprime. Toutefois c'est le pianiste qui par son art de l'interprétation continue de provoquer émotions et étonnement. Le génie de Glenn Gould est dans les sons qu'il fait entendre. La musique devient un véritable langage doté d'une rigueur d'une cohérence et d'une telle clarté qu'il devient possible pour chaque auditeur d'en cerner les principales composantes. Chaque son est articulé et distinctement perçu au sein de l'enchaînement mélodique et harmonique qui lui donne sa signification. La structure de la phrase musicale s'intègre à l'ensemble de l'œuvre avec un rythme et un tempo permettant de ne jamais perdre le contenu de son discours. Gould compare son attitude à celle d'un compositeur qui analyse et dissèque l'œuvre qu'il critique. Il n'hésite pas à se définir d'ailleurs comme artiste d'enregistrement qui cherche à reconstruire cette œuvre. Le CD qui la rend disponible à l'auditeur résulte par conséquent d'un long processus de prises et de reprises des mêmes phrases des mêmes ornements sans perdre toujours les mêmes jusqu'à ce qu'advienne un jeu absolument conforme à l'idéal qu'il s'était préalablement fixé. Un travail sans limites pour le montage de la bande sonore avec ses nombreux et minutieux raccords semblables en cela aux collures du cinéaste. Si Gould a largi les possibilités de son art par l'application des nouvelles technologies il a également contribué à révolutionner la manière de concevoir les relations avec le compositeur l'œuvre et

l'auditeur qu'il souhaitait réceptif et créateur. Il l'a toujours imaginé muni des appareils les plus perfectionnés pour le conduire avec lui directement vers l'essentiel, la découverte de l'œuvre dans une mesure que de beauté et d'extase. *Godard - Edition définitive* Antoine de Baecque, 2023-04-26 Jean-Luc Godard, le cinéaste culte d'un bout de souffle et d'Alphaville, le chef de bande de la Nouvelle Vague, l'agitateur politique des années gauchistes, le publicitaire de lui-même, le provocateur misanthrope, l'archiviste et l'ermite de Rolle, bref tous ces visages souvent contradictoires réunis en un seul, voici la grande biographie de l'impossible M. Godard dans son édition définitive. On l'aime, on ne l'aime pas, qu'importe. JLG a tissé l'histoire culturelle du vingtième siècle et ses images, le visage bleu de Belmondo dans *Pierrot le fou*, les fesses de Brigitte Bardot dans *Le mépris*, Johnny Halliday, Anne Wiazemsky dans *La Chinoise*, mais aussi un quatuor de Beethoven ou un nuage sur le lac. Les années ont marqué notre temps. Du hussard droitier, rejeton de la haute société protestante qui marche sur les mains pour pater Bardot au contestataire cinéphile qui critiquait Malraux, ministre de la Culture, une lettre sur la censure gestapo de l'esprit du réalisateur tyrannique au lauréat octogenaire de la Palme d'or spéciale pour *Le Livre d'image* en 2018, du moraliste politique en treillis de combat au King Lear, s'pulcrant un cigare en bouche, de l'historien des images relié au passé au kinoclaste shooté au show business, il file ici quatre-vingt-douze années de vie, de cinéma, de travail et de passions brûlantes. Son génie est plus fort que sa volonté d'auto-destruction, disait Daniel Cohn-Bendit. C'est la résurrection d'une époque française qui vibre d'une cinéphilie folle, osant entreprendre lentement, créativit rivalité et fraternité.

Les théories scientifiques de la musique aux XIXe et XXe siècles Laurent Fichet, 1996 La musique est-elle plus proche des sciences exactes que des sciences humaines ? Devant les prouesses réalisées chaque jour par des ordinateurs dans le domaine de la musique, on peut se demander si les études acoustiques et les progrès technologiques n'ont pas eu raison du mystère de cet art.

Les Livres disponibles, 2003 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des auteurs et la liste des collections de langue française.

Reader's Guide to Music Murray Steib, 2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music. Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic. The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay/lesbian musicology.

Mes mille et une nuits Ruwen Ogien, 2016-12-28 Faire durer le suspense comme Shakespeare en évitant de me mettre dos les soignants, c'est le mieux que je puisse espérer si j'ai bien compris la nature de ma maladie. Dans cet essai, tristes personnel, Ruwen Ogien suit et questionne avec humour et perspicacité le parcours du malade, les images de la maladie, les métaphores pour la dire, pour l'oublier ou pour en faire autre chose qu'elle n'est. Ne dit-on pas souvent qu'elle serait un défi relever un test pour se prouver une expérience qui une fois dépassée pourrait même nous enrichir ? Farouche adversaire d'un tel dolorisme, Ruwen Ogien ne trouve aucune vertu là

souffrance ses yeux ce qui ne tue pas ne rend pas plus fort et le silence n'est pas la panacée Un livre fort utile pour ceux qui nous aident à comprendre le quotidien de la maladie prendre conscience qu'elle a bien des causes mais certainement pas des raisons Canadiana, 1984

As recognized, adventure as capably as experience practically lesson, amusement, as well as union can be gotten by just checking out a book **Entretiens Avec Jonathan Cott** in addition to it is not directly done, you could receive even more on the subject of this life, vis--vis the world.

We meet the expense of you this proper as without difficulty as simple artifice to acquire those all. We offer Entretiens Avec Jonathan Cott and numerous book collections from fictions to scientific research in any way. in the midst of them is this Entretiens Avec Jonathan Cott that can be your partner.
