Nowlan,2017-05-13 The original title for this work was Mathematical Literacy What Is It and Why You Need it The current title reflects that there can be no real learning in any subject unless questions of who what when where why and how are raised in the minds of the learners The book is not a mathematical text and there are no assigned exercises or exams It is written for reasonably intelligent and curious individuals both those who value mathematics aware of its many important applications and others who have been inappropriately exposed to mathematics leading to indifference to the subject fear and even loathing These feelings are all consequences of meaningless presentations drill rote learning and being lost as the purpose of what is being studied Mathematics education needs a radical reform There is more than one way to accomplish this Here the author presents his approach of wrapping mathematical ideas in a story To learn one first must develop an interest in a problem and the curiosity to find how masters of mathematics have solved them What is necessary to be mathematically literate It s not about solving

algebraic equations or even making a geometric proof These are valuable skills but not evidence of literacy We often seek answers but learning to ask pertinent questions is the road to mathematical literacy Here is the good news new mathematical ideas have a way of finding applications This is known as the unreasonable effectiveness of mathematics **Two, in One Heart** Peter W. Carbone, 2011-02 Anthony Cuero M D once a strong optimistic Christian struggles with the clash within himself He is a young physician from the University of Miami who fell hopelessly in love with and eventually married Valentina Calamia M D Their love and passion for each other strengthens with the passing of each day and it is believed to be attributed to a five hundred year old family secret Valentina s parents grandparents and ancestors successfully protected the family secret within their family home which sits on the side of Mount Etna Sicily s most powerful and mystical domain It is Anthony s and Valentina s turn to protect it But their short time together was not always blissful Her ancestor from over five hundred years past who bequeathed Valentina s lineage with this extraordinary gift of love and passion was unable to evade the envy of evil It is an evil that manipulates Anthony away from his God of Peace and toward a god of destruction as he seeks revenge for the murder of Valentina Anthony is ultimately plagued with one final question In his quest to be his family s greatest ally did he become their fiercest foe **Investigation of Racketeering in the Washington D.
