## **Environmental Policy Law Problems Cases And Readings University Casebook Series:**

*Environmental Policy Law* Holly D. Doremus, Albert C. Lin, Ronald H. Rosenberg, 2012 This casebook takes a very broad view of environmental law encompassing the regulation of private and public land use and protection of wildlife as well as pollution control and remediation It provides sufficient breadth for any introductory environmental or natural resources law course It also strikes a balance by focusing in detail on those portions of the statutes covered that raise particularly interesting or important conceptual issues Throughout it highlights perpetual controversies such as the nature of human relationships to nature and the appropriate extent of individual control over natural resource use The Fifth Edition includes problems that help students develop and test their facility with the materials in the text and the concepts underlying those materials The new edition will also have new chapters on international environmental law issues and on enforcement issues

*Environmental Policy Law* Thomas J. Schoenbaum, Ronald H. Rosenberg, Holly D. Doremus, 2002 Schoenbaum and Rosenberg's casebook provides detailed information on environmental policy law and the tools for fast easy on point research Part of the University Casebook Series it includes selected cases designed to illustrate the development of a body of law on a particular subject Text and explanatory materials designed for law study accompany the cases
