

IMPACTS OF

ENVIRONMENTAL CRIMES

Environmental Crime

**Toine Spapens, Rob White, Marieke
Kluin**

Environmental Crime:

Environmental Crime Mary Clifford, 1998 Appendices include Glossary Important environmental activities Criminal sanctions outlined in federal environmental legislation environmental legal cases environmental crimes investigations for law enforcement officers *Environmental Crime and Criminality* Sally Mitchell Edwards, Terry D. Edwards, Charles B. Fields, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company *Environmental Crime* Mary Clifford, Terry Edwards, 2011-09 Updates on state and local issues *Environmental Crime in Transnational Context* Toine Spapens, Rob White, Wim Huisman, 2016-06-10 Environmental crime is one of the most profitable and fastest growing areas of international criminal activity The increasing cross border scope of environmental crimes and harms is one of the reasons why governments and the enforcement community have trouble in finding the proper responses Law enforcement cooperation between western industrialized states is often time consuming and problematic and the problems increase exponentially when environmental criminals take advantage of situations where government and law enforcement are weak This book provides an overview of the developments and problems in the field of transnational environmental crimes and harms addressing these issues from perspectives such as enforcement deterrence compliance and emission trading schemes Divided into four parts the authors consider global issues in green criminology responses to transnational environmental crimes and harms alternative methods to combat environmental crime and specific types of crimes and criminological research Discussing these topics from the view of green criminology sociology and governance this book will be of great interest to all those concerned about the transnational dimensions of crime and the environment **Environmental Crime** Yingyi Situ, David Emmons, 2000 After defining environmental crime and discussing the extent of the environmental crisis this book explores the causes investigation prosecution and prevention of all types of environmental crime *Environmental Crimes Deskbook* John F. Cooney, 1996 The Environmental Crimes Deskbook will help environmental professionals understand the rapidly growing and complex area of criminal enforcement of environmental law and avoid the field s abundant traps for the unwary *Environmental Crime* Yingyi Situ, David Emmons, 1999-10-11 After defining environmental crime and discussing the extent of the environmental crisis this book explores the causes investigation prosecution and prevention of all types of environmental crime Environmental Crime Ronald G. Burns, Michael J. Lynch, 2004 *Environmental Crime A Sourcebook* provides ideas tools and data to investigate environmental offenses Burns and Lynch urge readers to recognize the availability of a wide array of data regarding environmental offenses and provide bibliographic tools to locate this data They also provide data sets and examples of data available from the Environmental Protection Agency EPA and state agencies charged with enforcing environmental laws Specific sections describe EPA resources accessing and downloading EPA and other environmental law compliance and violation data methods of compiling EPA data actual environmental crime data sets and research that can be performed using these data Written in a non technical manner

the book is designed to provide readers from all backgrounds with an understanding of environmental crime and the avenues by which it can be recognized and researched

Environmental Crime Environmental Audit Committee, 2004 The report examines the work of central and local government agencies and departments in the fight against environmental crime The Committee applauds DEFRA for its consultations on fly tipping It is important that the person who is prosecuted for fly tipping should not be the householder if someone else is responsible for the actual fly tipping Special attention must be paid to the illegal dumping of construction excavation and demolition wastes The Environment Agency must be given appropriate levels of funding and appropriate powers For example local authorities and the Agency do not have computerised access to the records of the Driving and Vehicle Licensing Agency but have to obtain this information by post The law should facilitate the investigation and prosecution of companies which pay for illegal advertising in the form of fly posting and maximum sentences for fly posting should be raised further Local authorities should ensure that best practice is always followed when dealing with litter and graffiti and should liaise with local businesses which are known sources of litter Every local authority should ensure that data on noise nuisance is regularly compiled and sent to DEFRA or the Chartered Institute of Environmental Health this will aid policy makers

Transnational Environmental Crime Rob White, 2018-10-08 This book provides a comprehensive introduction to and overview of eco global criminology Eco global criminology refers to a criminological approach that is informed by ecological considerations and by a critical analysis that is global in scale and perspective Based upon eco justice conceptions of harm it focuses on transgressions against environments non human species and humans At the centre of eco global criminology is analysis of transnational environmental crime This includes crimes related to pollution of air water and land and crimes against wildlife including illegal trade in ivory as well as live animals It also includes those harms that pose threats to the environment more generally such as global warming In addressing these issues the book deals with topics such as the conceptualization of environmental crime or harm the researching of transnational environmental harm climate change and social conflict threats to biodiversity toxic waste and the transference of harm prosecution and sentencing of environmental crimes and environmental victimization and transnational activism This book argues that analysis of transnational environmental crime needs to incorporate different notions of harm and that the overarching perspective of eco global criminology provides the framework for this Transnational Environmental Crime will be an essential resource for students academics policy makers environmental managers police magistrates and others with a general interest in environmental issues

Environmental Crime and Restorative Justice Mark Hamilton, 2021-03-01 This book explores the use of restorative justice approaches in the context of environmental crimes It critically assesses regular criminal justice approaches with regard to green crimes and explores restorative justice conferencing as an alternative Focussing on justice approaches in Australia and New Zealand it argues that court processes following environmental offending provide minimal

to no offender and victim voice interaction and input rendering them invisible It proposes a third measure of justice that of meaningful involvement beyond that of fair procedure and outcome It suggests the use of restorative justice conferencing a facilitated dialogue between stakeholders to crime or conflict as a vehicle to operationalise and achieve justice as meaningful involvement This book speaks to those interested in green criminology victimology and environmental law

Environmental Crime in Europe Andrew Farmer, Michael Faure, Grazia Maria Vagliasindi, 2017-12-14 Environmental crime is a growing challenge for policy makers and law enforcers This is an important and timely study which examines in depth how environmental crime is treated at national level within the European Union and the impact of the 2008 EU Directive on environmental crime on national systems It will be required reading by anyone concerned with making environmental law more effective Richard Macrory Emeritus Professor University College London The aim of this important new collection is to explore how environmental crime is controlled and environmental criminal law is shaped and implemented within the European Union and its Member States It examines the legal framework looking in particular at Directive 2008 99 EC and the specific competences of the EU in this domain In addition it provides a detailed analysis of environmental criminal law in seven Member States focusing inter alia on the basic legislation the way in which environmental pollution is criminalised and the main actors in place to enforce environmental criminal law In so doing it provides a much needed explanation of the evolution of environmental criminal law in Europe at Union level and how this is implemented in selected Member States Environmental Crime and Criminality Sally M. Edwards, Terry D.

Edwards, Charles B. Fields, 2013-08-01 First published in 1996 One of the primary goals of this series has been to explore new areas of criminology and criminal justice topics that constitute the frontiers of the field This work edited by Sally Edwards Terry Edwards and Charles Fields exemplifies that purpose in its coverage of environmental crime While corporate and political crime developed slowly into mainstream criminology over the last half century environmental crime as an area of emphasis is still in its infancy It is unusual to have many varied and informative perspectives early in a subject's development This volume however demonstrates that many people are already examining environmental crime perhaps as an extension of both the greater environmental movement and the broadening of the popular parameters of crime **Environmental**

Crime and its Victims Toine Spapens, Rob White, Marieke Kluin, 2016-05-06 Environmental crime is one of the most profitable and fastest growing areas of international criminal activity These types of crime however do not always produce an immediate consequence and the harm may be diffused As such the complexity of victimization in terms of time space impact and who or what is victimized is one of the reasons why governments and the enforcement community have trouble in finding suitable and effective responses This book provides a diverse and provocative array of arguments critiques and recommendations from leading researchers and scholars in the field of green criminology The chapters are divided into three main sections the first part deals with specific characteristics of some of the major types of environmental crime and its

perpetrators the second focuses explicitly on the problem of victimization in cases of environmental crime and the third addresses the question of how to tackle this problem Discussing these topics from the point of view of green criminological theory sociology law enforcement community wellbeing environmental activism and victimology this book will be of great interest to all those concerned about crime and the environment **Elgar Encyclopedia of Environmental Crime** Rob White,2025-02-12 In the Elgar Encyclopedia of Environmental Crime contributing authors present novel ways to conceptualise environmental harm and describe its contemporary manifestations identifying how to combat these crimes to ensure a sustainable future They provide conceptual insights as well as empirical descriptions investigating crimes of contamination pollution and ecological damage **Environmental Crime and Justice: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

The Legal Regulation of Environmental Crime Valsamis Mitsilegas,Elena Fasoli,Fabio Giuffrida,Malgosia Fitzmaurice,2022-01-17 The Legal Regulation of Environmental Crime The International and European Dimension provides a comprehensive analysis of the international and EU legal regimes for tackling environmental crime The book includes an in depth analysis of the major international conventions as they relate to the regulation of environmental crime CITES Basel MARPOL and provides a holistic overview of the evolution and content of EU law in the field of environmental crime covering substantive criminal law harmonisation judicial cooperation and the role of EU criminal justice bodies and agencies Europol Eurojust and the EPPO in fighting environmental crime Further the book addresses key recent policy and legislative developments in the field and offers a timely contribution to legal reform in view of the publication of new proposals on legislation on environmental crime at EU level Following the Proceeds of Environmental Crime Gregory Rose,2014-06-27 Huge quantities of natural resources are illegally harvested and their proceeds laundered in the Asia Pacific region fostering

corruption and undermining environmental governance Most illegal exploitation and pollution occurs in countries with poor governance capacities but much of the sale for profit and money laundering occurs in mature markets with well developed governance capacities Their asymmetrical enforcement capacities can complement each other This book explores ways to combat illegal fishing and logging in Asia Pacific region by the use of cooperative legal measures particularly anti money laundering and confiscation of proceeds techniques Contributors to this volume cover themes including the nature of transnational environmental crime patterns in laundering of illicit fish and forest products networks for distribution of illicit products weaknesses in current systems for assurance of the legality of products and international legal cooperation to enforce anti money laundering laws in relation to illicit products In considering these topics the book explores how the innovative use of anti money laundering measures and the seizure of criminal proceeds can as policy options to combat transnational fishery and forestry crimes The book will be of keen interest to scholars and students of environmental law and criminal law and excellent use for practitioners in natural resources conservation law

A Research Agenda for

Environmental Crime and the Law Ricardo Pereira,Teresa Fajardo,2025-06-09 This Research Agenda evaluates the current state of scholarship in the field of environmental crime and law identifying priority areas and future trends in academic research It explores the evolution of the law accounting for current and new global environmental threats and examining ontological questions around environmental law enforcement Leading experts provide insight into research methodologies and topical themes such as transnational corporate crimes ecocide artificial intelligence biodiversity crime and climate justice

The Geography of Environmental Crime Gary R. Potter,Angus Nurse,Matthew Hall,2016-06-30

This book critically examines both theory and practice around conservation crimes It engages with the full complexity of environmental crimes and different responses to them including poaching conservation as a response to wildlife crime forest degradation environmental activism and the application of scientific and situational crime prevention techniques as preventative tools to deal with green crime Through the contributions of experts from both the social and ecological sciences the book deals with theoretical and practical considerations that impact on the effectiveness of contemporary environmental criminal justice It discusses the social construction of green crimes and the varied ways in which poaching and other conservation crimes are perceived operate and are ideologically driven as well as practical issues in environmental criminal justice With contributions based in varied ideological perspectives and drawn from a range of academic disciplines this volume provides a platform for scholars to debate new ideas about environmental law enforcement policy and crime prevention detection and punishment

Environmental Crime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Environmental Crime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Environmental Crime has opened up a world of possibilities. Downloading Environmental Crime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Environmental Crime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Environmental Crime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Environmental Crime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Environmental Crime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Environmental Crime has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Environmental Crime Books

What is a Environmental Crime PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Environmental Crime PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Environmental Crime PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Environmental Crime PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Environmental Crime PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
