Phillipa Kafka

Envisioning The New Adam Empathic Portraits Of Men By American Women Writers:

Envisioning the New Adam Patricia E. Daly,1995-04-30 This anthology of poems and short stories collects sympathetic portraits of men by American women writers

Envisioning the New Adam Patricia E. Daly,1995-04-30 This anthology of poems and short stories collects sympathetic portraits of men by American women writers

Rewriting White Masculinities in Contemporary Fiction and Film Josep M. Armengol,2024-03-25 This book focuses on the construction of hegemonic masculinity as well as its representations in literature culture and film Although white heterosexual masculinity continues to be the dominant model it remains paradoxically largely invisible in gender terms While the first three chapters thus offer introductory theoretical perspectives on the latest research on white masculinities the following chapters concentrate on applying masculinity theory to the analysis of both social constructions and cultural i e literary and film representations of men s emotions with a special focus on new fatherhood models friendships between men as well as gender based violence

Literary Trauma Deborah M. Horvitz,2000-11-02 Examines representations of political psychological and sexual violence in seven novels by American women

Russian Women in Politics and Society Norma Corigliano Noonan,1996-10-21 An examination of women s roles in politics and society in the contemporary Russian Federation as it creates a new market economy and democratic course born of a millennium of history and nearly 75 years of authoritarian communist rule The stage is set in the introduction followed by an examination of the history of the Bolshevik socialist state in 1917 through the participation of women in recent multiparty elections in 1993 The tsarist and Communist gender culture is presented and the book then considers why and how the Soviet Union disintegrated Next the editors explore the reborn Russia of President Boris Yeltsin and women s rights under Soviet and post Soviet rule The book is enriched by statistical tables and glossaries of the names of leaders and terms for easy identification

Spanish Women in the Golden Age Alain Saint-Saens, Magdalen Sánchez,1996-02-13 The history of women in early modern Spain is a largely untapped field This book opens the field substantially by examining the position of women in religious political literary and economic life Drawing on both historical and literary approaches the contributors challenge the portrait of Spanish women as passive and marginalized showing that despite forces working to exclude them women in Golden Age Spain influenced religious life and politics and made vital contributions to economic and cultural life The contributors seek to incorporate the study of Spanish women into the current work on literary criticism and on the intersection of private and public spheres The authors integrate women into subfields of Spanish history and literature such as Inquisition studies the Spanish monarchy Spain s economic and political decline and Golden Age drama The essays demonstrate the necessity and value of incorporating women into the study of Golden Age Spain

New Hope Ruth Suckow,1998 A writer of wide experience Ruth Suckow nevertheless remained focused on small town life one could even call her the Jane Austen of small town America Many of her characters were the sparrows of Iowa ordinary folks whom she made extraordinary by writing about them In her 1942 novel about the little community of New

Hope written during the desperate days of World War II life is marked by unusual optimism openness mutual care trust communal spirit democracy and above all light The people in New Hope are pervaded by a fresh glow both actual and figurative

Before Equal Suffrage Robert J. Dinkin,1995-10-18 Dispelling the myth that women became involved in partisan politics only after they obtained the vote this study uses contemporary newspaper sources to show that women were active in the party struggle long before 1920 Although their role was initially limited to attending rallies and hosting picnics they gradually began to use their pens and voices to support party tickets By the late 19th century women spoke at party functions and organized all female groups to help canvass neighborhoods and get out the vote In the early suffrage states of the West they voted in increasing numbers and even held a few offices Women were particularly active this book shows in the minor reformist parties Populist Prohibitionist Socialist and Progressive but eventually came to play a role in the major parties as well Prominent suffrage leaders such as Elizabeth Cady Stanton and Susan B Anthony entered the partisan arena in order to promote their cause By the time the suffrage amendment was ratified women were deeply involved in the mainstream political process

New Perspectives on Margaret Laurence Greta M. Coger,1996-05-30 Nearly all of Laurence s works from Africa and Canada are critiqued in this volume The essays highlight Laurence s innovative narrative styles showing how her combinations of oral literary forms and unique shifts in tense and point of view help her achieve vivid character portrayals In addition viewing Laurence s prose as closely textured poetry her use of language theme and image are carefully critiqued The importance of Laurence s portrayal of women s experiences most notably that of aging women is viewed in a feminist framework These new American perspectives on Laurence will be of interest to both scholars and students

New Books on Women and Feminism ,1995

Women Shapeshifters Thelma J. Shinn,1996-09-30 An exciting study of novels by ten women writers who have combined the traditions of Romance and Realism to offer a more comprehensive view of contemporary life

Dissenting Women in Dickens' Novels Brenda Ayres,1998-07-30 Examines Dickens novels as stages for the dramatization of gender roles and conflicts

Spanish Women in the Golden Age Magdalen Sanchez,Alain Saint-Saens,1996-02-13 The history of women in early modern Spain is a largely untapped field This book opens the field substantially by examining the position of women in religious political literary and economic life Drawing on both historical and literary approaches the contributors challenge the portrait of Spanish women as passive and marginalized showing that despite forces working to exclude them women in Golden Age Spain influenced religious life and politics and made vital contributions to economic and cultural life The contributors seek to incorporate the study of Spanish women into the current work on literary criticism and on the intersection of private and public spheres The authors integrate women into subfields of Spanish history and literature such as Inquisition studies the Spanish monarchy Spain s economic and political decline and Golden Age drama The essays demonstrate the necessity and value of incorporating women into the study of Golden Age Spain

(Un)Doing the Missionary Position Phillipa Kafka,1997-06-11 While the writing of other ethnic

women has already been receiving considerable attention the writing of Asian American women has not Un Doing is the first feminist theoretical work to look at writing by such contemporary Asian American writers as Amy Tan Fae Myenne Ng R A Sasaki Gish Jen and Cynthia Kadohata Viewing them as feminist and postfeminist writers Kafka argues that gender asymmetry in all its varied forms and guises is the major issue that they confront Satirizing this world wide oppression as the missionary position Kafka urges ethnic and women of color feminist critics to focus more on commonalities rather than view differences as impenetrable barriers *Historical Nightmares and Imaginative Violence in American Women's Writings* Amy S. Gottfried,1998-04-30 A considerable number of women s novels document histories of ferocity and abuse Gottfried examines a sampling of these novels including Toni Morrison s Beloved Cynthia Ozick s The Shawl and Leslie Marmon Silko s epic Almanac of the Dead From the mrspective of social and historical conditions influencing much of contemporary women s writings she investigates the uses of violence in these novels She argues that the authors discussed wield violence both to uncover long suppressed stories and to dramatically change the perspectives from which these stories have traditionally been told and heard While focusing on American fiction the author explores narrative strategies and styles Pivotal to Gottfried s interpretive readings are the effects of gender nationality and race She particularly addresses the complicated and shifting relationships between art and violence as well as between history and memory She also identifies two types of violence the brutal acts with which these narratives originate and the fiercely imaginative acts necessary to change the histories being retold and reclaimed This book is important reading for students and scholars of women s and American studies and American literature in general **Nobody Wants to Hear Our Truth** Meredith Ralston,1996-01-30 The author conducted interviews for over five years with 20 homeless and addicted women with different experiences of sexual abuse and sexism and racism They vividly demonstrate how both neo conservative and neo liberal prescriptions for solving their problems are unworkable The work considers the linkage of homelessness and addiction provides profiles of the interviewee and outlines methodology used in the research **Friends Journal** ,1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Reescrituras de la masculinidad** Josep M. Armengol,2022-05-19 Los hombres al igual que las mujeres est n marcados por el g nero y por tanto han experimentado procesos de g nero cultural e hist ricamente espec ficos La buena noticia es que si definimos el g nero como un constructo cultural e hist rico en lugar de como una esencia interna o inmutable partimos del supuesto de que la masculinidad puede cambiar lo que ha sido construido culturalmente tambi n puede ser culturalmente deconstruido Reescrituras de la masculinidad pretende aportar un enfoque interdisciplinar de las masculinidades tan interesante como necesario no solo para entender mejor las vidas de los varones sino tambi n para poder repensarlas y en ltima instancia cambiarlas con el fin ltimo de mejorar la vida tanto de hombres como de mujeres Si el feminismo fue sin duda la mayor revoluci n social del siglo XX el cambio en los hombres y las masculinidades puede perfectamente convertirse como defendi la psic loga feminista

Victoria Sau en una de las revoluciones sociales más importantes del nuevo siglo Petticoats and White Feathers Erika Kuhlman, 1997-09-30 Kuhlman explores the reasons so many antiwar progressive reformers ended up forming the most vocal faction favoring U S intervention in World War I She argues that conceptualizations of gender and their relations to militarism democracy and citizenship were central to creating support for war U S intervention in World War I occurred in an historical context of widespread anxiety about masculine identity produced by the suffrage movement and highlighted by the election of suffragist Jeannette Rankin the only woman present in Congress during the debate over President Wilson s War Message The progressive peace movement which had reached its zenith of popularity in the U S on the eve of intervention experienced similar disruption as women formed their own pacifist organization Kuhlman explores the reasons so many progressive lawmakers and pacifists ended up forming the most vocal faction in favor of war Concepts of femininity and masculinity and their relations to militarism democracy and citizenship were central to creating support for war Initially opposed to military intervention most male progressive pacifists came to view war as an opportunity to reinvigorate the nation s sagging manhood and nationhood Some suffragists supported war because they saw war relief work as a way to prove themselves manly enough to withstand the rigors of citizenship during war and therefore worthy of the vote After the U S declared war however New York City feminists critique of militarism undermined the unity of the progressives support for war The New Yorkers type of feminism which was based on the linked oppressions of racism class bias and sexism differed from other feminist arguments based on women s moral difference from men An important study to scholars and researchers of American progressivism pacifism and feminism
