Debate as Global Pedagogy Ben Voth, 2021-03-18 Debate as Global Pedagogy Rwanda Rising illustrates that the teaching of debate offers an ideal educational approach for the prevention and remediation of genocide As the antithesis of propaganda debate and argument instruction promotes the critical thinking necessary to resist processes of propaganda that enable injustice and human rights abuses Case studies of argumentation instruction and deliberative forums worldwide demonstrate how environments of discursive complexity can be fostered through education in debate and argumentation The central example of Rwanda recovering from genocide in 1994 with help from innovative pedagogy by iDebate Dreamers Academy provides a model for how argumentation instruction can reduce and prevent social injustices

The Better Angels of Our Nature Steven Pinker, 2012-09-25 Faced with the ceaseless stream of news about war crime and terrorism one could easily think this is the most violent age ever seen Yet as bestselling author Pinker shows in this startling and engaging new work just the opposite is true

An Ethic for Enemies Donald W. Shriver, 1995 The author of this text examines how former enemies learn to live together in peaceful political association despite their suffering at each other s hands He seeks to reclaim the concept of forgiveness from personal and religious realms and restate its significance in political life

A Post-Exceptionalist Perspective on Early American History Carroll P. Kakel III, 2019-08-16 This book argues that early American history is best understood as the story of a settler colonial supplanting society a society intent on a vast land grab of American Indian space and driven by a logic of elimination and a genocidal imperative to rid the new white settler living space of its existing Indigenous inhabitants Challenging the still strongly held notion of American history as somehow exceptional or unique it locates the history of the United States and its colonial antecedents as a central part of rather than an exception to the emerging global histories of imperialism colonialism and genocide It also explores early American history

in an imperial transnational and global frame showing how the precedent of the North American West and its colonial trope of Indian wars were used by like minded American and European expansionists to inspire and legitimate other imperial colonial adventures from the late nineteenth through the mid twentieth centuries **Holocaust Novelists** Efraim Sicher,2004 Contains entries on 51 writers of Holocaust fiction each entry by a different author including a list of the published works of each writer biographical information and a brief analysis of the writings The Jewish Way Irving Greenberg,2011-03-01 Called enriching and profoundly moving by Elie Wiesel The Jewish Way is a comprehensive and inspiring presentation of Judaism as revealed through its holy days In thoughtful and engaging prose Rabbi Irving Greenberg explains and interprets the origin background interconnections ceremonial rituals and religious significance of all the Jewish holidays including Passover Yom Kippur Purim Hanukkah Holocaust Remembrance Day and Israeli Independence Day Giving detailed instructions for observance the rituals prayers foods and songs he shows how celebrating the holy days of the Jewish calendar not only relives Jewish history but puts one in touch with the basic ideals of Judaism and the fundamental experience of life Insightful original and engrossing The Jewish Way is an essential volume that should be in every Jewish home library and synagogue **The Holocaust's Ghost** F.
