**Eliezer Ben-Yehuda** Malka Drucker,1987-01 A biography of the man who resurrected Hebrew lost for 2000 years except for reading and writing as an everyday language thus uniting Jews of the modern world by providing a common tongue **Tongue of the Prophets** Robert St. John,1972 The fascinating story of the courageous Jewish scholar Eliezer Ben Yehuda devoted his life to making Hebrew the language of Palestine and to furthering the establishment of a Jewish state there Eliezer Ben Yehuda and the Revival of Modern Hebrew Galila Whitmarsh,2009-11 The resurrection of ancient Hebrew and its transformation to a Modern Language is unparalleled in linguistic history Almost unaided and without precedent Eliezer Ben Yehuda 1858 1922 known as the father of spoken Hebrew initiated the revival of Classical Hebrew a language which for 2 000 years had not been spoken as a vernacular Affected by a time of national turmoil throughout Europe Ben Yehuda developed the idea that the key to Jewish national entity was the revival of the Jewish people on their ancestral soil via their ancestral language Hebrew While still in Europe he wrote about uniting the Jewish People using the Hebrew Language as a common tongue He felt that having their own language would be a unifying force for all Jews impeding future assimilation and ultimate annihilation This idea was furthered by his own immigration to the Holy Land and his work toward the revival of the Hebrew language and culture there The unprecedented success of the revival of Modern Hebrew will interest anyone who cares about language development and the impact one person can have as its ardent pioneer Rebirth Devorah 'Omer,1972 A biography of the turn of the century Jewish scholar and his son who were instrumental in reviving Hebrew and establishing it as a living language in Palestine *A Concise History of the Jewish People* Naomi E. **Jewish History in 100 Nutshells** Naomi Pasachoff,Robert J. Littman,1996-01-01 How does this Jewish history book differ from all others Instead of burdening the reader with endless details about every single aspect of Jewish history Pasachoff and Littman provide essential information easily digested by readers of all ages that chronicles only the major events and people of the past The history of the Jews covers a period of over 3 500 years with an overwhelming number of countries and lands It is a microcosm of the history of the world Consequently even a one volume work can be difficult to read from cover to cover to gain the sweep of Jewish history This book speaks to the reader who is interested in individual topics or periods and wants a quick reference guide to the people and places that truly shaped Jewish history At the same time if read from beginning to end these nutshells will provide a chronological history of the Jews Rothschild and Early Jewish Colonization in Palestine Ran Aaronsohn,2000-10-04 It is commonly accepted that the initial Jewish resettlement of the Holy Land in the late nineteenth century laid the foundations of the State of Israel But what were the key elements of

that process and who implemented it What did the new enterprise look like and what was its significance These important yet often poorly understood issues are reconstructed and analyzed in this unique study Ran Aaronsohn provides fresh insight into the role played by Baron Edmond de Rothschild through his many and diverse agents Othe administrationO in the Jewish settlement movement and places the endeavor in global perspective by comparing it to the phenomenon of colonization throughout the world The author draws upon a wide array of sources\_including primary archival material from Israel and France\_and illustrates his narrative with maps and historical photos to create a richly detailed picture of a crucial period in Jewish history
