Elites And Democratic Consolidation In Latin America And Southern Europe

Vladimir Gel'man, Anton Steen

Elites And Democratic Consolidation In Latin America And Southern Europe:

Elites and Democratic Consolidation in Latin America and Southern Europe John Higley, Richard Gunther, 1992 A distinguished group of scholars examine recent transitions to democracy and the prospects for democratic stability in Argentina Brazil Chile the Dominican Republic Peru Portugal Spain and Uruguay They also assess the role of elites in the longer established democratic regimes in Columbia Costa Rica Italy Mexico and Venezuela The authors conclude that in independent states with long records of political instability and authoritarian rule democratic consolidation requires the achievement of elite consensual unity that is agreement among all politically important elites on the worth of existing democratic institutions and respect for democratic rules of the game coupled with increased structural integration among those elites Two processes by which consensual unity can be established are explored elite settlement the negotiating of compromises on basic disagreements and elite convergence a more subtle series of tactical decisions by rival elites which have cumulative effect over perhaps a generation

Elites and Democratic Consolidation in Latin America and Southern Europe John Higley, Richard Gunther, 1991-11-29 Employing a framework that focuses on the actions and choices of elites in creating consolidated democracies a distinguished group of scholars examines Argentina Brazil Chile Colombia Costa Rica the Dominican Republic Italy Mexico Peru Portugal Spain Uruguay and Venezuela Without ignoring the roles of mass publics and institutions the authors conclude that in independent states with long records of political instability and authoritarian rule democratic consolidation requires the achievement of elite consensual unity that is agreement among all politically important elites on the worth of existing democratic institutions and respect for democratic rules of the game coupled with increased structural integration among those elites

Elites and Democratic Development in Russia Vladimir Gel'man, Anton Steen, 2003-09-02 Investigates how elites have affected democratic development in Russia and how they influence the consolidation of the emerging political regime and post communist patterns of behaviour and attitudes

Elites and Democratic Transitions by Regime Transformation in Southern Europe Ioannis Tzortzis, 2022-09-16 This book examines three cases of democratic transitions by self transformation of the non democratic regimes in Southern Europe the Spanish reforma pactada ruptura pactada of 1976 77 the Greek Markezinis experiment of 1973 and the Turkish democratic transition of 1983 in a comparative perspective The author argues that a democratic transition initiated by the regime elites is in contrast to widely held assumptions and notwithstanding some reservations on whether democracy can be re introduced by non democrats worth viewing as a window of opportunity for democratisation It is up to the democratic counter elites to respond to it using the civil society and the international factor as allies to achieve their goal of acquiring more concessions from the regime

Politics and Political Elites in Latin America Manuel Alcántara, Mercedes García Montero, Cristina Rivas Pérez, 2020-09-22 This book presents in depth analyses of the data gathered for 26 years by the Political Elites of Latin America project PELA the most comprehensive database about the topic in the world Since 1994 PELA has conducted around

9 000 personal interviews with representative samples of the Legislative Powers of 18 Latin American countries generating a unique resource for the study of political elites in a comparative perspective Now this contributed volume brings together studies that dig into the data gathered by PELA to discuss important topics related to the challenges faced by representative democracy in Latin America After an introductory chapter that presents the potential of the PELA database the book is structured in two parts The first addresses in eight chapters important aspects of representative democracy such as political ambition political trust satisfaction with democracy clientelism and the quality of democracy It then discusses three relevant issues in Latin American political dynamics such as executive legislative relations women s participation as representatives and the meaning of China and the United States in national politics The second part addresses in five chapters studies of seven national cases that are representative of regional heterogeneity These chapters aim to examine parliamentary elites attitudes in different political systems with regard to a variety of relevant issues such as institutional trust satisfaction with democracy Executive Legislative relations clientelism and gender questions Furthermore these chapters intend to evince the evolution of such attitudes in the course of the last two decades Politics and Political Elites in Latin America Challenges and Trends will be of interest to scholars and students of comparative politics in general and more particularly to those interested in the challenges faced by representative democracy not only in Latin America but in many parts of the world *Political Representation in Southern Europe and Latin America* André Freire,Mélany Barragán,Xavier Coller,Marco Lisi,Emmanouil Tsatsanis,2020-06-03 This collective volume with contributions from experts on these regions examines broader questions about the current crises The Great Recession and The Commodity Crisis and the associated changes in political representation in both regions It provides a general overview of political representation studies in Southern Europe and Latin America and builds bridges between the two traditions of political representation studies affording greater understanding of developments in each region and promote future research collaboration between Southern Europe and Latin America Finally the book addresses questions of continuity and change in patterns of political representation after the onset of the two economic crises specifically examining issues such as changes in citizens democratic support and trust in political representatives and institutions in descriptive representation in the sociodemographic profile of MPs and in substantive representation in the link between voters and MPs in terms of ideological congruence and or policy issue orientations This book will be of key interest to scholars and students of political elites political representation European and Latin American politics studies and more broadly to comparative politics *Democratic Quality in Southern Europe* Tiago Fernandes,2024-05-15 Fueled by new data from the Varieties of Democracy project Democratic Quality in Southern Europe takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that

resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative and nuanced explanations for their diverging paths Democratic Quality in Southern Europe combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio

Political Parties in Advanced Industrial Democracies Paul Webb, David Farrell, Ian Holliday, 2002-09-26 How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world s advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer s normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research

Elites, Masses, and the Struggle for Democracy in Mexico Sara Schatz, 2000-05-30 In this book a new general model of delayed transitions to democracy is proposed and used to analyze Mexico s transition to democracy This model attempts to explain the slow gradual dynamics of change characteristic of delayed transitions to democracy and is developed in a way that makes it generalizable to other regional contexts Utilizing both qualitative and quantitative data based on an original data set of forty thousand individual interviews Schatz analyzes how the historical authoritarian corporate shaping of interests and forms of political consciousness has

fractured the social base of the democratic opposition and inhibited democratizing social action Using comparative cases of delayed transitions to democracy the author s conclusions challenge and improve upon current theories of democratization In elaborating a model for the delayed transition to democracy the author argues that the emphasis on transformative industrialism in both political modernization and class analytic theories of social bases of democratization is modeled too closely on the western European process of democratization to allow a full explanation of the case of Mexico s transition to democracy In addition she argues that a delayed transitions model provides a more adequate explanation of gradual transitions to democracy because such a model builds on a the insights of structural theories regarding the social bases of anti authoritarian mobilization To support the delayed transitions model Schatz compares Mexico with Taiwan and Tanzania countries also characterized by delayed transitions to democracy in the late twentieth century This important book fills a considerable gap in the literature on democratization at the end of the century Elite Foundations of Liberal Democracy

John Higley, Michael Burton, 2006-07-27 This compelling and convincing study represents the culmination of the authors several decades of research on the pivotal role played by elites in the success or failure of political regimes Revising the classical theory of elites and politics John Higley and Michael Burton distinguish basic types of elites and associated political regimes They canvas political change during the modern historical and contemporary periods to identify circumstances and ways in which the sine qua non of liberal democracy a consensually united elite has formed and persisted The book considers an impressive body of cases examining how consensually united elites have fostered forty five liberal democracies and how disunited or ideologically united elites have thus far prevented liberal democracy in more than one hundred other countries The authors argue that obstacles to the emergence of elites propitious for liberal democracy are more formidable than democratization enthusiasts recognize They assess prospects for the transformation of disunited and ideologically united elites where they now exist ask whether current challenges to Western liberal democracies will undermine their consensually united elites and explore what the rise of the distinctive elite clustered around George W Bush may portend for America s liberal democracy The authors powerful and important argument reframes our thinking about liberal democracy and questions optimistic assumptions about the prospects for its spread in the twenty first century **Democracy After**

Communism Larry Diamond, Marc F. Plattner, 2002-09-23 The last quarter of the twentieth century was marked by two dramatic political trends that altered many of the world s regimes the global resurgence of democracy and the collapse of communism Was the process that brought down communism in Eastern Europe and the former Soviet Union fundamentally different from the process that gave birth to new democracies in other regions of the world Were the transitions away from communism mostly like or mostly unlike the transitions away from authoritarianism that took place elsewhere Is the challenge of building and consolidating democracy under postcommunist conditions unique or can one apply lessons learned from other new democracies The essays collected in this volume explore these questions while tracing how the countries of

Eastern Europe and the former Soviet Union have fared in the decade following the fall of communism Contributors Anders slund Carnegie Endowment for International Peace in Washington D C Leszek Balcerowicz Warsaw School of Economics Archie Brown Oxford University and St Antony s College Zbigniew Brzezinski Johns Hopkins University a former U S national security advisor Valerie Bunce Cornell University Nadia Diuk National Endowment for Democracy in Washington D C M Steven Fish University of California Berkeley Charles H Fairbanks Jr the Johns Hopkins University Bronislaw Geremek former foreign minister of Poland John Higley University of Texas at Austin Judith Kullberg University of Michigan Ann Arbor Mart Laar prime minister of Estonia Michael McFaul Stanford University Ghia Nodia Tbilisi State University Jan Pakulski University of Tasmania in Australia Richard Rose University of Strathclyde in Glasgow Jacques Rupnik College of Europe in Bruges Lilia Shevtsova Carnegie Endowment for International Peace in Washington D C Aleksander Smolar Stefan Batory Foundation in Warsaw and Centre National de la Recherche Scientifique in Paris G M Tam s formerly of Georgetown University Vladimir Tismaneanu University of Maryland at College Park Grigory Yavlinsky member of the Russian State Duma parliament

Politics from Anarchy to Democracy Irwin Lester Morris, Joe A. Oppenheimer, Karol Edward So?tan, 2004 Although the study of politics dates to ancient Greece the basic questions that interested those earliest political scientists still linger with us today What are the origins of government What should government do What conditions foster effective governance Rational choice theory offers a new means for developing correctable answers to these questions This volume illustrates the promise of rational choice theory and demonstrates how theory can help us develop interesting fresh conclusions about the fundamental processes of politics Each of the book s three sections begins with a pedagogical overview that is accessible to those with little knowledge of rational choice theory The first group of essays then discusses various ways in which rational choice contributes to our understanding of the foundations of government The second set focuses on the contributions of rational choice theory to institutional analysis The final group demonstrates ways in which rational choice theory helps to understand the character of popular government

Designs for Democratic Stability Abdo I. Baaklini, Helen Desfosses, 2016-06-16 Since the 1980s and the collapse of communist military and race based regimes across the world the euphoria has given way to the question of how to enhance the viability of democratic constitutional government This text covers this issue

Democracy in Southern Europe Isabelle Calleja Ragonesi, 2019-02-28 How have Malta and Cyprus both EU members transitioned from colonial island states to independent democracies With the assistance of primary documentation this book traces the difficult path of these two states to becoming independent liberal democracies by using the pathway of democratization through decolonization Using socio economic and political data analysed through the microscope of political science and international relations theories Isabelle Calleja Ragonesi charts the progress of the two islands in the context of a number of four distinct phases Firstly decolonization independence and achieving the status of procedural democracies secondly post colonial independence consolidating democracy and regime breakdown thirdly

sovereign nation state status and second attempts at consolidating democracy and finally attempting to reach substantive democracy status and EU membership The study of these two states is contextualized within the context of democratization in Southern Europe and the cases of Malta and Cyprus provide new insights on the region for scholars of political science and international institutions

Democracy in Latin America Geraldine Lievesley, 2024-07-30 This book offers an insight into the democratic processes and institutions in Latin and Central America It analyses the different political systems and the challenges to them from the Left and popular movements Lievesley questions how far democracy is embedded in Latin and Central American and asks what constitutes citizenship in political cultures which remain highly differentiated in terms of the structures and relations of power She does this through an evaluation of the two distinct perspectives of democracy the liberal pacted and the radical participatory models Established political systems systems in transition from military to civilian rule and Socialist systems are viewed through the prism of these two models The inter relationship between state military political parties and popular movements are examined with a view to determining the possibility of the emergence of a new politics which would be inclusion rather than exclusionary and would pursue social justice The book will provide a stimulating assessment of the region s politics for undergraduates and will provoke debate for postgraduates

The Politics of Southern Europe José Magone, 2003-02-28 European integration has had a profound impact on the politics of Southern Europe a region that was initially at the margin of the decision making processes of the European Union but is gradually becoming more and more influential This volume offers a comparative overview of modern politics in Spain Portugal Italy and Greece focusing in particular on the process of integration of these countries into the European Union and on the impact of European public policy The author analyzes the development of Southern European political systems from the establishment of democratic governments to the most recent political events looking at each individual system and finding patterns similarities of development as well as differences between them Among the topics examined are the building of institutions the parties and party systems foreign policies the political culture of each country and the recent efforts towards the creation of a space of security and peace in the Mediterranean

Handbook of Politics Kevin T. Leicht, J. Craig Jenkins, 2009-11-28 Political sociology is the interdisciplinary study of power and the intersection of personality society and politics The field also examines how the political process is affected by major social trends as well as exploring how social policies are altered by various social forces Political sociologists increasingly use a wide variety of relatively new quantitative and qualitative methodologies and incorporate theories and research from other social science cognate disciplines The contributors focus on the current controversies and disagreements surrounding the use of different methodologies for the study of politics and society and discussions of specific applications found in the widely scattered literature where substantive research in the field is published This approach will solidly place the handbook in a market niche that is not occupied by the current volumes while also covering many of the same theoretical and historical developments that the other volumes cover The purpose of

this handbook is to summarize state of the art theory research and methods used in the study of politics and society This area of research encompasses a wide variety of perspectives and methods that span social science disciplines The handbook is designed to reflect that diversity in content method and focus In addition it will cover developments in the developed and underdeveloped worlds

Costa Rica John A Booth, 2018-02-19 How did Costa Rica become Central America's first successful democracy How does Costa Rican democracy work How does democracy survive despite regional turmoil foreign intervention and economic crisis Beginning with Costa Rica's history within the Central American context John Booth traces democratic development in Costa Rica through its institutions rules of the political game parties elections and interest groups After a review of socioeconomic and political forces the author examines political participation and culture political economy and foreign affairs The book's overview of Costa Rican politics is accessible and useful for students scholars and general readers

Turkey's Democratization Process Carmen Rodriguez, Antonio Avalos, Hakan Yilmaz, Ana Planet, 2013-10-30 Since the end of the 1980 coup d'état Turkey has been in the midst of a complex process of democratization Applying methodological pluralism in order to provide a comprehensive analysis of this process in a Turkish context this book brings together contributions from prominent Turkish English French and Spanish scholars Turkey's Democratization Process utilises the theoretical framework of J J Linz and A C Stepan in order to assess the complex process of democratization in Turkey This framework takes into account five interacting features of Turkey's polity when making this assessment namely whether the underlying legal and socioeconomic conditions are conducive for the development of a free and participant society if a relatively autonomous political society exists whether there are legal guarantees for citizens freedoms if there exists a state bureaucracy which can be used by a democratic government and whether the type and pace of Turkish economic development contributes to this process Examining the Turkish case in light of this framework this book seeks to combine analyses that will help assess the process of democratization in Turkey to date and will be of interest to scholars and researchers interested in Turkish Politics Democratization and Middle Eastern Studies more broadly

The Democratization Project Ashok Swain, Ramses Amer, Joakim Öjendal, 2011-07 This volume drawing on the work of a variety of scholars contributes to identifying and understanding the challenges and opportunities presented by the current wave of democratization to the peace and development of the world both at the domestic level in selected countries trends in regions of the world and in the global system of the post Cold War Era

Elites And Democratic Consolidation In Latin America And Southern Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Elites And Democratic Consolidation In Latin America And Southern Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Elites And Democratic Consolidation In Latin America And Southern Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly

interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Elites And Democratic Consolidation In Latin America And Southern Europe free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Elites And Democratic Consolidation In Latin America And Southern Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Elites And Democratic Consolidation In Latin America And Southern Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Elites And Democratic Consolidation In Latin America And Southern Europe Books

What is a Elites And Democratic Consolidation In Latin America And Southern Europe PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Elites And Democratic Consolidation In Latin America And Southern Europe PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Elites And Democratic Consolidation In Latin America And Southern Europe PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Elites And Democratic Consolidation In Latin America And Southern Europe PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Elites And Democratic Consolidation In Latin**

America And Southern Europe PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
