 Unbecoming Women unpacks the ideological baggage of the Bildungsroman and turns to conduct books and novels of development by women for a new poetics of growing up In subtle readings of works by Frances Burney Jane Austen Charlotte Bronte and George Eliot Fraiman argues that a heroine s progress toward masterful selfhood is by no means assured Focusing on counternarratives in which girls do not enter the world so much as flounder on its doorstep Fraiman suggests that becoming a woman involves de formation disorientation and the loss of authority Written with grace and theoretical mastery Unbecoming Women emphasises the dialectical as well as subversive aspects of a genre long considered homogeneous The result is a compelling contribution to feminist genre criticism that charting female destiny in Georgian and Victorian texts also postmodernizes the novel of development **Bookseller** ,1883 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series
