Elizabeth Rex Shaw Festival:

Chicago Shakespeare Theater Regina Buccola, 2012-12-15 The Chicago Shakespeare Theater is widely known for vibrant productions that reflect the Bard's genius for intricate storytelling, musicality of language and depth of feeling for the human condition. Affectionately known to natives of the Windy City as Chicago Shakes, this vanguard of Chicago's rich theatrical tradition celebrates its silver anniversary with this bracing collection of original essays by world renowned scholars, directors, actors and critics. Chicago Shakespeare Theater unveils the artistic visions and decisions that helped shape this venerable institution and examines the theater's international reputation for staging such remarkable and provocative performances. The volume brings together works by such heralded drama critics as Terry Teachout, Jonathan Abarbanel and Michael Billington, theater industry giants like Michael Bogdanov, Edward Hall and Simon Callow, interviews with the Chicago Shakespeare Theater's own Artistic Director Barbara Gaines and Executive Director Criss Henderson, and essays by such noted figures in academe as Clark Hulse, Wendy Wall and Michael Shapiro. *Tropical Environments* Martin Kellman, Rosanne Tackaberry, 2003-09-02 *Tropical Environments* presents a comprehensive introduction to the complex systems of the tropics. Covering a broad cross regional range of humid through to semi arid tropical climate zones, the book features a wealth of case studies drawn from throughout the tropical world. The authors tackle the major problems within the tropics from complex biological interactions and soil nutrient deficiencies, offering a balanced integration of biophysical and human management issues. *World of Theatre 2003 Edition* Ian Herbert, Nicole Leclercq, 2003-09-02 A lavishly illustrated collection of on the spot and authoritative surveys of current theatrical activity from across the globe, this work covers the three seasons from 1999-2000, 2000-2001 and 2001-2002. *Theatre Record*, 2000 Shaw Fred D. Crawford, 1995-06-21 This is the annual edition of new studies of Shaw's life, influence and work. Shakespeare in the Theatre: The Stratford Festival Christie Carson, 2024-06-13 This analysis of the Stratford Festival examines the full history of one of the largest and oldest dedicated centres for the performance of Shakespeare in North America. In English speaking Canada, the Festival has become the unofficial national theatre, drawing both praise and criticism. Dividing its history into three distinct periods, the volume begins with the foundation of the company, moving through its middle years of expansion and securing stability, and ending with an exploration of staging Shakespeare in the 21st century. Through case studies of productions covering each artistic director from Tyrone Guthrie to Antoni Cimolino, it highlights issues of national identity but also the relationship between actor and audience on the Festival's unique thrust stage. It not only explores the work of international stars such as Christopher Plummer but also that of longstanding company members William Hutt and Martha Henry, emphasizing the Festival's collective spirit. This book argues that the Stratford Festival holds an influential position in the theatre world generally and in the Shakespeare performance environment specifically. Initially this was because of the original stage built for its opening but increasingly it has been due to the way that it has used Shakespeare's work to articulate complex

questions about identity and utilized technology to reach new audiences The Festival and its collaborative working methods grew out of a particular social and political climate and when the actors and directors who trained at the Festival took their training and its influences elsewhere they spread its impact The Complete Book of 1980s Broadway Musicals Dan Dietz,2016-02-18 For Broadway audiences of the 1980s the decade was perhaps most notable for the so called British invasion While concept musicals such as *Nine* and Stephen Sondheim's *Sunday in the Park with George* continued to be produced several London hits came to New York In addition to shows like *Chess* *Me and My Girl* and *Les Miserables* the decade's most successful composer Andrew Lloyd Webber was also well represented by *Cats* *The Phantom of the Opera* *Song Dance* and *Starlight Express* There were also many revivals such as *Show Boat* and *Gypsy* surprise hits *The Pirates of Penzance* huge hits *42nd Street* and notorious flops *Into the Light* *Carrie* and *Annie 2* *Miss Hannigan's Revenge* In *The Complete Book of 1980s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway during the 1980s In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Sid Caesar Barry Manilow Jackie Mason and Shirley MacLaine Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers composers directors choreographers producers and musical directors Musical numbers and the names of performers who introduced the songs Production data including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and published scripts as well as lists of Gilbert and Sullivan operettas black themed shows and Jewish themed productions A treasure trove of information *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show This significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history *Plays International* ,2000 Canadian Who's Who 2008 Elizabeth Lumley,2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools *Canadian Who's Who* is an invaluable source of general knowledge The complete text of *Canadian Who's Who* is also available on CD ROM in a comprehensively indexed and fully searchable format Search astronaut or entrepreneur of the year
