

# Elizabethan York

**Patrick Collinson**

## **Elizabethan York:**

**Elizabethan Essays** Patrick Collinson, 1994-04-01 The age of Elizabeth I exercises a fascination unmatched by other periods of English history Yet while the leading figures may seem familiar many Elizabethan personalities including the queen herself remain enigmatic their attitudes to life politics and religion often difficult to comprehend Patrick Collinson redraws the main features of the political and religious struggle of the reign In engaging with the virgin queen herself he tackles the old conundrum was she a religious woman He also investigate the no less inscrutable religious position adopted by the by the notorious turncoat Andrew Perne the reliability as a historian of the martyrologist John Foxe whose religion is in no doubt and the religious environment which shaped William Shakespeare **Elizabethan Episcopal Administration**

Church of England, William Paul McClure Kennedy, 1924 **Women Players in England, 1500-1660** Peter Parolin, 2019-06-04 Offering evidence of women's extensive contributions to the theatrical landscape this volume sharply challenges the assumption that the stage was all male in early modern England The editors and contributors argue that the pervasiveness of female performance affected cultural production even on the professional London stages that used men and boys for women's parts English spectators saw women players in professional and amateur contexts in elite and popular settings at home and abroad Women acted in scripted and improvised roles performed in local festive drama and took part in dancing singing and masquing English travelers saw professional actresses on the continent and Italian and French actresses visited England Essays in this volume explore the impact of women players outside London the relationship between women's performance on the continent and in England working women's participation in a performative culture of commerce the importance of the visual record the use of theatrical techniques by queens and aristocrats for political ends and the role of female performance on the imitation of femininity In short **Women Players in England 1500 1660** shows that women were dynamic cultural players in the early modern world **Elizabethans** Patrick Collinson, 2003-04-01 The age of Elizabeth I

continues to exercise a fascination unmatched by other periods of English history Yet while the leading figures may seem familiar many Elizabethan figures including the queen herself remain enigmatic In **Elizabethans** Patrick Collinson examines the religious beliefs both of Elizabeth and of Shakespeare as well as redrawing the main features of the political and religious structure of the reign He understands the characters of the period as individuals but is also sensitive to the attitudes and beliefs of the day *Elizabethan Drama, 1558-1642* Felix Emmanuel Schelling, 1908 The Age of Elizabeth D.M.

Palliser, 2014-02-04 This famous book was the first up to date survey of its field for a generation even today when work on early modern social history proliferates it remains the only general economic history of the age This second edition substantially revised and expanded is clear in outline rich in detail stressing continuity as well as change balancing the glamour of privilege with the misery and privation of the poor and dealing with the dark side of Tudor life vagabondage starvation superstition and cruelty as well as its heroic achievements The Elizabethan Stage Edmund Kerchever

Chambers,1923 E K Chambers s seminal four volume account of the private public and court stages together with other forms of drama and spectacle surviving from earlier times from the beginning of the reign of Elizabeth until the death of Shakespeare Haled as a comprehensive compendium of practically all the discoverable evidence upon the various parts of the subject collected weighed sorted classified and built up with immense care into a logical and beautiful structure New Statesman the work is still much consulted by today s scholars and historians

**Towns and Local Communities in Medieval and Early Modern England** David M. Palliser,2024-10-28 Professor Palliser focuses here on towns in England in the centuries between the Norman Conquest and the Tudor period on which he is an acknowledged authority Urban topography archaeology economy society and politics are all brought under review and particular attention is given to relationships between towns and the Crown to the evidence for migration into towns and to the vexed question of urban fortunes in the 15th and 16th centuries Two essays set urban history in a broader framework by considering recent work on town and village formation and on the development of parishes The collection includes two hitherto unpublished studies and is introduced and put in context by a new survey of English towns from the 7th to the 16th centuries

Martyrs and Players in Early Modern England David K. Anderson,2016-05-13 Focusing on Christopher Marlowe William Shakespeare John Webster and John Milton Martyrs and Players in Early Modern England argues that the English tragedians reflected an unease within the culture to acts of religious violence David Anderson explores a link between the unstable emotional response of society to religious executions in the Tudor Stuart period and the revival of tragic drama as a major cultural form for the first time since classical antiquity Placing John Foxe at the center of his historical argument Anderson argues that Foxe s Book of Martyrs exerted a profound effect on the social conscience of English Protestantism in his own time and for the next century While scholars have in recent years discussed the impact of Foxe and the martyrs on the period s literature this book is the first to examine how these most vivid symbols of Reformation era violence influenced the makers of tragedy As the persecuting and the persecuted churches collided over the martyr s body Anderson posits stress fractures ran through the culture and into the playhouse in their depictions of violence the early modern tragedians focused on the ethical confrontation between collective power and the individual sufferer Martyrs and Players in Early Modern England sheds new light on the particular emotional energy of Tudor Stuart tragedy and helps explain why the genre reemerged at this time

**The Oxford Dictionary of the Christian Church** Frank Leslie Cross,Elizabeth A. Livingstone,2005 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable one volume reference work on all aspects of the Christian Church It contains over 6 000 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject including theology churches and denominations patristic scholarship the bible the church calendar and its organization popes archbishops saints and mystics In this revision innumerable small changes have been made to take into account shifts in scholarly opinion recent developments such as the

Church of England's new prayer book Common Worship RC canonizations ecumenical advances and mergers and where possible statistics A number of existing articles have been rewritten to reflect new evidence or understanding for example the Holy Sepulchre entry and there are a few new articles Perhaps most significantly a great number of the bibliographies have been updated Established since its first appearance in 1957 as an essential resource for ordinands clergy and members of religious orders ODCC is an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

**Elizabethan England** William Harrison,1890      **Skeleton Tours Through England, Scotland, Ireland, Wales, Denmark, Norway, Sweden, Russia, Poland, and Spain** Henry Winthrop Sargent,1871      **Elizabethan Episcopal Administration: Visitation articles and injunctions, 1575-1582** Church of England,1924      **Skeleton Tours Through England, Scotland, Ireland [etc.]** Henry Winthrop Sargent,1896      **Freemasonry in England from 1567 to 1813** Leon Hyneman,1877      *Henry VIII* Clayton Drees,2022-04-15 Henry VIII was one of the most volatile and unpredictable monarchs in English history Despite his famously explosive temper his overbearing bluster and his appalling disregard for human life he also proved himself at times to be a caring husband a loyal friend a compassionate ruler and a pious believer as well Henry VIII A Reference Guide to His Life and Work captures his eventful life his works and his legacy It features a chronology an introduction a comprehensive bibliography and the dictionary section lists entries on all the locales events and personalities associated with King Henry from the years before his birth through the nearly 38 years of his reign to the subsequent regimes of his three royal children and successors

*Hendrix* Gillian G. Gaar,2017-10-01 This definitive illustrated biography explores the life and career of the rock music legend with photographs posters and other ephemera Every music critic to rank the Greatest Rock Guitarists of All Time agrees on one thing Jimi Hendrix is number one Hendrix enjoyed the international limelight for less than four years but his innovative guitar playing and imaginative interpretations of blues and rock continue to inspire generations of musicians and music lovers In *Hendrix* music journalist Gillian Gaar explores the guitarist's life from his childhood in Seattle to his service as an Army paratrooper his role as a sideman on the chitlin circuit his exile in the United Kingdom his rise to superstardom and his untimely death in 1970 The volume is enhanced throughout with rare archival photographs as well as posters picture sleeves and other assorted memorabilia

**England's Story** Eva March Tappan,1901      [Saint Margaret Clitherow](#) Katharine M. Longley,1986      *Cassell's History of England: From the Wars of the Roses to the Great Rebellion* ,1905
