**Elizabeth's Coal Camp Stories** Carrie D. Franklin Heck, 2012-06-08 It takes on a setting of a coal camp somewhere in West Virginia during the great depression days Some of the book is fictitious Most of the characters were names I had remembered as a child whether they be real in character or of a fictitious nature I used them out of due love for the families of yesteryears Judge Henry S Cato is a real character in this novel I had cared for him as his private duty nurse for a period of five years I feel like I got to know him as a nurse and as a special person His life touched

mine in a many ways as well as the lives of others

**Box Set: Ingrid Bergman, Bette Davis, Katharine Hepburn,**

**Elizabeth Taylor** Grace May Carter, 2018-10-12 Here from New York Times bestselling biographer Grace May Carter are the extraordinary lives of Ingrid Bergman Bette Davis Katharine Hepburn and Elizabeth Taylor Ingrid Bergman emerges as a devoted artist whose refusal to be a caricature caused her endless trouble but also produced brilliant performances from her early role opposite Humphrey Bogart in *Casablanca* to her profound and final appearance as Israeli Prime Minister Golda Meir In between there were four children including actress Isabella Rossellini three husbands and passionate affairs with war photographer Robert Capa Wizard of Oz director Victor Fleming and *Spellbound* co star Gregory Peck She was perhaps the most international star in the history of entertainment and without a doubt one of the most misunderstood In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on the big screen Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress and made classic films that still rank among the greatest of all time She also exerted a unique influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world So here is the full epic story of the patron saint of the independent American female as one critic described her Hepburn always lived life strictly on her own terms And oh what a life it was For a time Elizabeth Taylor was the world's biggest star but it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media facade Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson I've always admitted that I'm ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph **Elizabeth Taylor** Grace May Carter, 2018-03-23 For a time Elizabeth Taylor was the world's

biggest star winner of two Oscars and a Hollywood legend for searing performances in films such as *Who's Afraid of Virginia Woolf* and *Cat on a Hot Tin Roof*. But it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama. Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media facade. Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist. Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson. I've always admitted that I'm ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph.

**Elizabeth** Alexander Walker, 2001 Elizabeth Taylor is one of our last great movie stars. An Oscar winning actress she has lived her entire life in front of the spotlights and her glamour and smouldering sensual charisma are the stuff of legend. In *Elizabeth* Alexander Walker presents the story of a life that was lived on and off camera with a passion rarely matched by even today's outspoken celebrities. From her privileged childhood the influence of her strong willed mother and her rise to stardom in films like *National Velvet*, *A Place in the Sun* and *Cleopatra* to her husbands her obsession with jewelry and her amazing resilience in the face of public scandal and personal tragedy Walker shows us the real Elizabeth as an actress and as a person determined to live on her own terms.
