*Being Heroic* Barry A. Hill, 1994      Ellet Joseph Waggoner David P. McMahon, 1979-01-01      **E.J. Waggoner** Woodrow W. Whidden, 2008      **"The Kingdom of God is at Hand"** Rolf J. Pöhler, Kerstin Maiwald, 2025-08-28 The Kingdom of God is at Hand Adventist Interpretations of Biblical Apocalypticism offers nineteen papers presented at the 4th International Symposium of the Institute of Adventist Studies at Friedensau Adventist University Germany April 26 29 2021 The contributions represent current Adventist scholarship from four continents Europe North America Africa and Australia Well versed in their fields and knowledgeable about their subjects the authors are dealing with Christian apocalypticism from biblical historical theological and practical perspectives Originating from the 19th century Millerite movement Seventh day Adventism is deeply affected by apocalyptic thinking By looking at the Adventist faith tradition from a scholarly point of view this volume hopes to contribute to an apt assessment of apocalyptic eschatology      *The General Conference Confronts Apostasy* Russell R. Standish, Colin D. Standish, 2006      **A. T. Jones** George R. Knight, 2011 Embroiled in controversy nearly his entire ministry Jones was one of the most fascinating personalities ever to grace a Seventh day Adventist pulpit This brilliantly researched biography reveals a man so powerful and charismatic that his fall seems incomprehensible yet somehow inevitable Discover the contributions Jones made to Adventism and what led him eventually to fight the faith he spent so much of his life building up      **For the Sake of the Gospel** Desmond Ford, Gillian Ford, 2008 Nearly thirty years ago the Seventh day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination s prophetic views At the same time and on the same basis many other ministers also lost their positions Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism s tertiary institutions in Australia and the U S What led him to speak out and is the debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings      The Ellen G. **Historical Dictionary of the Seventh-Day Adventists** Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

*The A to Z of the Seventh-Day Adventists* Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to

understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations *The a to Z of the Seventh-Day Adventists* Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination Crosscurrents in Adventist Christology Eric Claude Webster,1984 Like a skilled surgeon Eric C Webster has laid bare the very heart of Adventism in his work Crosscurrents in Adventist Christology The first chapter gives an illuminating historical perspective while in the next four chapters Webster dissects the Christologies of Ellen G White and E J Waggoner of the 19th and Edward Heppenstall and Herbert Douglass of the 20th Centuries The final chapter seeks to reflect on the flow and counterflow of Adventist Christology as revealed by the works of the four chosen theologians If you wish to understand Adventist Christology with its related issues then Crosscurrents in Adventist Christology is a reading must *Andrews University Seminary Studies* Andrews University. Seventh-Day Adventist Theological Seminary,1991 **From 1888 to Apostasy** George R. Knight,1987 A T Jones was one of the most fascinating personalities ever to grace a Seventh day Adventist pulpit Adventists have always had a curiosity regarding the powerful Jones who meteorically rose to denominational prominence in 1888 and sank almost as rapidly into oblivion in the early twentieth century To examine Jones s life is to study a cross section of Adventist history during one of its most formative and controversial periods Because Jones was at the center of action his biography of necessity must deal with such issues as the meaning of the 1888 General Conference session the problem of 1893 and the delay of Christ s return the nature of sanctification the Adventist holiness movement carismatic gifts the role of Ellen White the human nature of Christ the adventist crusade against a Christian America church and state relationships and the proper function of church organization Those issues have been at the focal point of Adventist discussion for nearly a century As a result the biography of A T Jones is not merely a fascinating story but is pregnant with contempory meaning Preface 1 Young Man Jones 2 The Loaded Atmosphere of 1888 3 Conflict at Minneapolis 4 Expanding the Battle Zone 5 The Meaning of Minneapolis 6 The National Sunday Law and the Image to the Beast 7 The Great Revival of 1893 8 A Second Adventist Prophet and the Revival Of 1894 9 Total Separation of Church and State 10 The Nature of Christ Seed for a Twentieth Century 11 At The Pinnacle of Power 12 Christian Anarchy God s Organizational Ideal 13 A Conference President Anyway 14 The Drift Towar Apostasy 15 Love and Hate A T Jones Relationsip to Ellen 16 The Bitter Years References Index **Enciclopedia de Elena G. de White** Denis Fortin,Jerry Moon,2020-11-30 La Enciclopedia de Elena G de White es el recurso bibliogr fico m s destacado que produjo la iglesia en los ltimos 50 a os Consta de m s de 1 300 art culos que abarcan descripciones sobre multitud de temas entre ellos los lugares donde vivi Elena de White personas que se relacionaron con ella y su postura sobre cientos de temas Tambi n encontrar s una cronolog a detallada de su vida y art culos exhaustivos sobre su ministerio su teolog a y sus declaraciones

Todo detallado con más de 15 000 referencias y citas a sus escritos Un material sencillo de usar til tanto para quienes no  
 conoces mucho sobre el tema como para un especialista      **Angry Saints** George R. Knight,1989 Angry Saints is about the  
 people and struggles that existed 100 years ago and about how the lessons of the past apply to the present Even though the  
 specific characters and surface issues have changed most of the problems opportunities dynamics personality traits and  
 bedrock controversies portrayed in Angry Saints are remarkable contemporary The book s four central crises provide  
 perspectives that speak to Adventism a century later with as much force as they should have spoken to our spiritual  
 forebears Perhaps learning the lessons of Minneapolis is even more important today than it was in 1888 since learning and  
 applying that learning seems to be the key to our future The book concludes on a positive note the infinite possibilities of God  
 s saving grace Those possibilities not fully grasped as yet hold the promises of the future A Word To The Reader A Context  
 For Crisis Crisis In Understanding Crisis In Personality Crisis In Spirit Crisis In Authority The Continuing Crisis The  
 Continuing Possibility Another Word To The Reader Index      **Education, Research and Perspectives** ,1999      **Dynamic**  
**Truth** Rolf Pöhler,2020-08-28 DYNAMIC TRUTH is a reprint of the author s groundbreaking dissertation on Change in  
 Seventh day Adventist Theology Submitted in 1995 and initially published in 1999 Part I and 2000 Part II it is the first and  
 only in depth study to date dealing with the issue of doctrinal development from an Adventist perspective Part I analyzes the  
 intricate problem of doctrinal development and presents a historical survey of theories of doctrinal change classifying them  
 in three ideal types In the author s view a dialectic approach concerned about substantial continuity as well as authentic  
 change can best avoid the pitfalls of dogmatic immobilism and revisionism Part II provides a detailed study of the problem of  
 doctrinal change in a Seventh day Adventist setting It analyzes the extent nature and direction of doctrinal developments in  
 the light of the religious background of the church and the social forces at work in it It also discusses the church s response  
 to doctrinal adjustments and Ellen G White s involvement in and conception of doctrinal change The study concludes that  
 Adventist teachings have been significantly affected by theological and hermeneutical developments under the impact of  
 social forces nudging the church closer towards evangelical Protestantism Ellen White co founder of the church was  
 personally involved in theological change Her concept of doctrinal development shows a remarkable depth of insight and  
 presents a well balanced approach to the dynamics of faith and truth      **Adventist Heritage** ,1986      *Seeker After Light*  
 Calvin W. Edwards,Gary Land,2000 In 1905 Albion Fox Ballenger a popular Seventh day Adventist preacher was released  
 from employment for advocating views in conflict with Adventist teaching about Christ s ministry in the heavenly sanctuary  
 Three quarters of a century later another popular Adventist preacher again questioned the church s sanctuary doctrine with  
 similar results In some important ways the Ballenger case may be seen as a foreshadowing historical footnote to a doctrinal  
 controversy that shook Adventism in the early 1980s Thus in this meticulously researched volume Calvin W Edwards and  
 Gary Land collaborate to provide the first in depth scholarly examination of a revealing if nearly forgotten episode in

Adventist history Acting in part as a biography of the public figure of A F Ballenger Seeker After Light also necessarily presents a portion of the history of the Seventh day Adventist Church within the context of the larger story of religion in the United States Through an investigation of the denomination s dabbling in such things as the Holiness Movement and faith healing it becomes clear that neither Ballenger nor the Seventh day Adventist Church was isolated from American religion and culture during the late nineteenth and early twentieth centuries BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
