Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of
Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in
the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists
during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the
increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also
of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed
errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names
of artists not represented in the first edition
