**Leonard Dinnerstein**

### **Eloquent Crusader Ernestine Rose:**

Eloquent Crusader: Ernestine Rose Yuri Suhl,1970 A biography of the woman whose life long crusade for women s rights and other social reforms began at age sixteen when she went to court to prevent her marriage to a man she didn t love

**Polish Immigrants and American Reform** James S. Pula,2023-06-08 Between the American Revolution and the Civil War two of the most persistent themes in American history were immigration and the growth of reform movements among them women s rights and the antislavery crusade The front ranks of these movements were swollen with recent arrivals Eight individuals of Polish ancestry made noteworthy contributions to the betterment of women s status in the U S and to the eradication of human bondage This collection of biographical articles provides their personal background information explanation of their contributions commentary by their contemporaries and historical interpretation of their significance

Encyclopedia of Women Social Reformers Helen Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world

**Love Across Color Lines** Maria Diedrich,2000-09-25 In 1856 Otilie Assing an intrepid journalist who had left Germany after the failed revolution of 1848 traveled to Rochester New York to interview Frederick Douglass for a German newspaper This encounter transformed the lives of both they became intimate friends they stayed together for twenty eight years and she translated his autobiography into German Diedrich reveals in fascinating detail their shared intellectual and cultural interests and how they worked together on his abolitionist writings As is clear from letters and diaries Douglass was enchanted with his vivacious companion but believed that any liaison with a white woman would be fatal to his political mission Assing was keenly aware of his dilemma but certain he would marry her once his mission was fulfilled She was bitterly disappointed after his wife s death Douglass did remarry but he married another woman Assing committed suicide leaving her estate to Douglass Jacket

Antisemitism in America Leonard Dinnerstein,1995-11-02 Gracefully written and monumental in scope this important volume offers readers the first comprehensive history of antisemitism in the United States from colonial times to the present Written by one of the foremost experts on ethnic history

it traces American antisemitism from its roots in the dawn of the Christian era and the arrival of the first European settlers through the eighteenth and nineteenth centuries to its peak during World War II and its present day permutations with separate chapters on antisemitism and Jewish anxieties in the South and African American attitudes from the 1830s to the 1990s Author Leonard Dinnerstein argues convincingly that Christian viewpoints underly all American antisemitism No matter what other factors or forces may have been in play at any given time he insists the basis for prejudice towards Jews in the United States and in the colonial era before it must be Christian teachings and Christianity's portrayal of Jews Dinnerstein maintains that while the first settlers from Europe carried antisemitism as part of their intellectual and cultural baggage antisemitism in America would never grow to be as strong and vitriolic in America as it was in Europe Once separated from England the United States never had an official church and the federal government never sanctioned antisemitic policies Policies of legal equality individual liberty and civil rights for white men religious freedom for white men and women and all of these ultimately for African Americans Native Americans and Asians as well developed Unfortunately however the ancestral European Christian obsessions with Jews and their alleged attributes have also become an irrevocable art of the American heritage and periodically Jews have been accused of stubbornly refusing to embrace Jesus plotting to undermine the American government exploiting the economically less fortunate being more concerned with their international brethren than with their American compatriots and withholding patriotic fervor during the nation's battles with its enemies Drawing on a wealth of sources with meticulous scholarship Dinnerstein shows how the interplay of these various and mixed factors have contributed to Americans' perceptions of Jews over the last two hundred years and have determined as well the experiences and opportunities that Jews have had in the United States

**Skepticism and American Faith** Christopher Grasso, 2018-06-04 Between the Revolution and the Civil War the dialogue of religious skepticism and faith profoundly shaped America Although usually rendered nearly invisible skepticism touched and sometimes transformed more lives than might be expected from standard accounts This book examines Americans wrestling with faith and doubt as they tried to make sense of their world

**Women Called to Witness** Nancy Hardesty, 1999 A collection of essays that examine how foods express American cultural values

**Something about the Author** Joyce Nakamura, 1991-09-27 A collection of autobiographical essays written by prominent authors and illustrators of books for children and young adults

**In Common Cause** Susan S. Kissel, 1993 It considers the many contributions of both women to the most significant political movements of their times anti slavery women's rights and industrial reform It also traces their defining influence on the ideas and writings of Walt Whitman Harriet Beecher Stowe Elizabeth Gaskell Anthony Trollope Charles Dickens and the American suffragists

**Something about the Author** Gerard J. Senick, 1997-04 A collection of autobiographical essays written by prominent authors and illustrators of books for children and young adults

Something about the Author, 1994

**Lucy Stone** Andrea Moore Kerr, 1992 No study of women's history in the United States is complete without an account of Lucy

Stone's role in the nineteenth century drive for legal and political rights for women. This first fully documented biography of Stone describes her rapid rise to fame and power and her later attempt at an equitable marriage. Lucy Stone was a Massachusetts newspaper editor, abolitionist, and charismatic orator for the women's rights movement in the last half of the nineteenth century. She was deeply involved in almost every reform issue of her time. Charles Sumner, Frederick Douglass, William Lloyd Garrison, Julia Ward Howe, Horace Greeley, and Louisa May Alcott counted themselves among her friends. Through her public speaking and her newspaper, the *Woman's Journal*, Stone became the most widely admired woman's rights spokeswoman of her era. In the nineteenth century, Lucy Stone was a household name. Kerr begins with Stone's early roots in a poor family in western Massachusetts. She eventually graduated from Oberlin College and then became a full-time public speaker for an anti-slavery society and for women's rights. Despite Stone's strident anti-marriage ideology, she eventually wed Henry Brown Blackwell and had her first child at the age of thirty-nine. Although Kerr tells us about Stone's public accomplishments, she emphasizes Stone's personal struggle for autonomy. Lucy Stone Only was Stone's trademark signature following her marriage. Her refusal to surrender her birth name was one example of her determination to retain her individuality in an era where a woman's right to a separate identity ended with marriage. Of equal importance is Kerr's discussion of Stone's relationship with Susan B. Anthony and Elizabeth Cady Stanton, as well as her revisionist treatment of the schism which eventually divided Stone from Stanton and Anthony. Stone urged legislators not to ignore the need for women's suffrage as they rushed to enfranchise black males. Stanton and Anthony dwelt only on the need for women's suffrage at the expense of black suffrage. Women's historians, the general reader, and historians of the family will appreciate the story of Stone's attempt to balance the conflicting demands of career and family. *People in Books* Margaret E. Nichol, 1977. Susan B. Anthony. Rebel, Crusader, Humanitarian Alma Lutz, 2023-08-22. In Susan B. Anthony Rebel Crusader Humanitarian by Alma Lutz, the reader is presented with a comprehensive exploration of the life and legacy of one of the most influential figures in the women's suffrage movement. Lutz skillfully weaves together historical facts with insightful analysis, offering a vivid portrayal of the challenges faced by Anthony in her fight for gender equality. The book is written in a compelling and engaging style, making it accessible to both academic and general readers. Lutz's meticulous research contributes to a deeper understanding of the social and political context in which Anthony operated, shedding light on her motivations and strategies for social change. The book also delves into Anthony's impact on subsequent generations of feminists and social activists, cementing her place in history as a true trailblazer for women's rights. Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979.

**God's Government Begun** Thomas D. Hamm, 1995-11-22. Growing out of the most radical fringes of the abolitionist movement, the Society for Universal Inquiry and Reform set out to inaugurate a new social order based on the principles of nonresistance. The Society founded eight utopian communities which, though short-lived, were the setting for the most radical

questioning of antebellum American society The members of the Society renounced all forms of coercive relationships They attempted to live without government or private property and to model new visions of work education religion economics women s rights and roles and community This book tells the story of their impassioned attempt to transform the world and begin the Government of God     *A Selected Bibliography of Bias-free Materials, Grades K-12* Nancy R. Motomatsu,1976

*Books with Options* American Association of University Women. Boulder, Colorado Branch,1973     **Bibliography of Nonsexist Supplementary Books (K-12)** Northwest Regional Educational Laboratory. Center for Sex Equity,1984
