Rolfes, 2005-07-27 Graceland's Table is the first cookbook written with the full cooperation of Elvis Presley Enterprises. In addition to recipes from fans for Elvis, the book includes photographs of Elvis at home and full color food photos taken in Graceland for the book. The 175 recipes in Graceland's Table come from two sources: EPE's archives of Elvis's favorite recipes and Elvis's fans. The recipes from the fans were solicited through EPE's electronic newsletter, its catalog, and the more than 400 fan clubs. Fans submitted a recipe they would have liked to cook for Elvis should they have been invited to Graceland for a meal and explained the reason for their choice. Fans were asked to submit recipes linked to a particular song or movie title or person in Elvis's life, e.g., Love Me, Chicken Tenders, Colonel Parkerhouse Rolls, Blue Suede Berry Pie. Twelve recipes came from EPE and over 150 from the fans. The book also has 35 B/W photos of Elvis and Graceland and 20 full color food photos, trivia, and stories by those who knew Elvis, such as Joe Esposito, Elvis's road manager, Patty Perry, the only female member of the Memphis Mafia, and Marian Coker, Elvis's nurse. *Elvis Presley* Bobbie Ann Mason, 2007-07-31

A vibrant sympathetic portrait of the once and future king of rock n' roll by the award-winning author of *Shiloh* and *In Country*. To this clear-eyed portrait of the first rock n' roll superstar, Bobbie Ann Mason brings a novelist's insight and the empathy of a fellow Southerner who from the first time she heard his voice on the family radio knew that Elvis was one of us. Elvis Presley deftly braids the mythic and human aspects of his story, capturing both the charismatic boundary-breaking singer who reveled in his celebrity and the soft-spoken working-class Southern boy who was fatally unprepared for his success. The result is a riveting tragic book that goes to the heart of the American dream. *The Death and Resurrection of Elvis Presley* Ted Harrison, 2016-09-15

There is no other way to put it: Elvis is the King. Note the present tense even though Elvis supposedly died nearly forty years ago; he has lived on in our hearts as a sound, as an image, and as an especially vigorous personality. In fact, it's safe to say no other celebrity has done so quite as well. *The Death and Resurrection of Elvis Presley* is the story of that afterlife of Elvis after he left the building. Walking the eccentrically carpeted rooms of Graceland, bidding into stratospheric sums on his auctioned relics, and mingling among the some 200,000 impersonators of his likeness, Ted Harrison offers nothing less than the ultimate Elvis tribute. Harrison begins, of course, in pilgrimage to Graceland. He shows how Elvis's estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife, one Priscilla Presley. If Graceland seems holy, that's because it is. Harrison unveils in Elvis's allure a deeply spiritual dimension, showing how Elvis fans over the decades have anointed their idol with Christ-like qualities. Through Elvis's extravagance, Harrison raises fascinating links between money and faith, and through Elvis's life, he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint. Underpinning the whole story is Elvis's extraordinary charisma, and lest we forget his astonishing musical genius. Fascinating, colorful, and deeply informative, this book is a must-have for any fan, anyone who was

ever lucky enough to see Elvis alive or who hopes they might still be able to *The King's Inner Circle: Unlocking the Secrets of Elvis's World* Pasquale De Marco, 2025-05-05 Elvis Presley the King of Rock and Roll was more than just a musician He was a cultural icon who left an enduring legacy on American society From his humble beginnings in Tupelo Mississippi to his rise to fame in the 1950s Elvis's story is one of triumph tragedy and enduring popularity This book explores the life and legacy of Elvis Presley from his early days in Memphis to his rise to international stardom and beyond We will examine his music his movies his personal life and his impact on American culture Through the words of those who knew him best we will get a glimpse into the real Elvis Presley the man behind the legend Elvis's music was a blend of rock and roll blues and gospel and his energetic performances and charismatic stage presence captivated audiences around the world He was one of the first artists to achieve international stardom and his music has influenced generations of musicians Beyond his music Elvis was also a successful actor starring in over 30 films His movies were often criticized for their lack of artistic merit but they were hugely popular with his fans Elvis's personal life was often tumultuous marked by drug abuse gambling and marital problems He died in 1977 at the age of 42 but his legend lives on Elvis Presley was a complex and contradictory figure but there is no doubt that he was one of the most important and influential entertainers of the 20th century His music and his image continue to inspire and fascinate people around the world This book is the definitive guide to Elvis Presley It is packed with rare photos exclusive interviews and in depth analysis of his music movies and personal life Whether you're a lifelong fan or just discovering Elvis for the first time this book is a must read If you like this book write a review on google books
