Neibaur,2014-04-04 Elvis Presley s stature as the King of Rock and Roll will never be challenged Between his first RCA hit single in 1956 the number one smash Heartbreak Hotel and his death in 1977 Elvis amassed more than 100 hits on the music charts Presley s dominance on the music chart was paralleled only by the singer s motion picture career Between 1956 and 1969 Elvis appeared in more than thirty films further cementing his place as one of the most popular entertainers of the twentieth century While there have been countless books that explore the real Elvis tucked beneath layers of showbiz mythology such volumes often dismiss his motion picture career as insignificant or overlook his onscreen work entirely In *The Elvis Movies* James L Neibaur looks at the thirty one features that Presley made from *Love Me Tender* in 1956 to *Change of Habit* in 1969 Most of these were star vehicles tailor made for his image As Neibaur points out Elvis had a real interest in being a good actor but his initial promise was soon thwarted by anti creative decisions that sold a packaged version of the singer Despite lapsing into a predictable formula of lightweight musicals Elvis Presley s star power ensured that the films became box office successes Neibaur examines each film providing information about their production and offering assessments about their value in general as well as their place in the Presley canon Additional details include behind the scenes personnel costars DVD availability and featured hit songs An entertaining and informative look at an often underrated aspect of the singer s career *The Elvis Movies* offers readers insight into his films This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful ventures on the big screen *Elvis* Jerry Hopkins,2014-07-01 Elvis Presley is the single biggest personality in American popular culture Over three decades after his death in August 1977 he remains the undisputed king of rock n roll Featuring a wealth of first hand interviews Elvis combines Jerry Hopkins s two previous classic bestselling Elvis biographies *Elvis A Biography* and *Elvis The Final Years* with all new material to give the definitive detailed account of Presley s fantastic life **Complicated Shadows: The Life And Music Of Elvis Costello** Graeme Thomson,2013-03-07 *Complicated Shadows* paints a detailed and accurate portrait of an intensely private and complex individual It draws on nearly 50 exclusive interviews with schoolmates pre fame friends early band members journalists as well as members of The Attractions producers collaborators and musicians from all stages of his life and career Thomson also unearths many previously unknown details about Costello s early years and his personal life as

Elvis Presley's life was the ultimate rags to riches story and it was the rags as much as the riches that drove him defined him and made him the global icon he is today Born in a shack in America's Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression he sprung from a life of deprivation to one of international fame and untold wealth all before he was twenty Brought up dirt poor but surrounded by love and music from birth Elvis was infused with the sounds of gospel and the raw hard life blues of the cotton country's plantation workers And when the family radio brought country singers crooners and spiritual quartets to his young ears his musical DNA was fully formed Elvis boarding pass for the rocket ship to stardom was a voice of liquid gold and his striking appearance upgraded him to a VIP fast track ticket into the entertainment stratosphere His unique sense of style and musical talent went hand in hand in creating Elvis the Showman As a teenager before he sang a note it was his unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the spotlight and in difficult times from reality It considers how Elvis's extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Lansky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award winning producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was
