Murder Stuart M. Kaminsky, 2005-08-02 Behind the velvet ropes and closed curtains buried in the back lots you'll find the darker side of the spotlight. It's where stars are created overnight and burn out just as quick. Where deals are made to be broken and fame and fortune are paid for in blood. With an outstanding ensemble cast of today's brightest talents, Mystery Writers of America presents this collection of all new short stories of movies, music, murder, and mayhem. It will take you from vaudeville to Vegas, from the bright lights to the back alleys and make it chillingly clear that in the world of entertainment, if you want to make it, you may have to step on some people or over their dead bodies.

Maui Mysteries Box Set Rick Ludwig, 2024-11-03 Frustrated, conflicted, and faced with deadly threats to himself and those he cares about, Keone uncovers truths and theories that challenge his views of life, police work, and reality in these three mystery novels.

EYE OF THE BEHOLDER A wrong way driver causes a devastating collision in paradise. Even police detective Keone Boyd, born and raised on the spirit-filled island of Maui, is not prepared for the investigation that follows. The facts lead him to an abused wife, an oily drug distributor, an observatory atop a dormant volcano, and a man who claims he's traveled to Maui through an invisible passageway between universes. Here in paradise, Boyd knows the facts can take you far from where you want to go, but this case takes him where he's never gone before.

VOICE OF THE VICTIM Detective Sergeant Keone Boyd travels to the Mediterranean with his new bride, while in Maui, his boss Tony Alcalá investigates a horrific shooting in the normally peaceful Iao Valley. Since the victim is a former neighbor of Keone's protégé, Sgt. Angela Beyers, Alcalá gives her the case. During her investigation, Angela discovers a file on the victim's computer with clues to the shooting. But the file was saved while the victim was in a coma, and no one else had access. So, who left the clues? And how?

SOUL OF A SLEUTH Now partners, Maui PD Detective Sergeants Keone Boyd and Angela Beyers investigate the brutal murder of a local drug pusher. The body is found across the street from Maui PD headquarters, with its tongue cut out and its lips sewn together. For Keone and Angela, the murder stirs echoes of their former cases. This time, Keone has no choice: Either he ends this evil, or the evil ends him and everyone he loves.

Cassandra's Crossing Stephen Fredrick, 2011-09 There is a serial killer loose on Maui, one with a very particular twist. Cassandra Yeats Thomason is married to one of the world's richest men, and to the outside world, her life is a dream set on the tropical island of Maui. Anything she desires, she can have. But what she really wants is a new future. And that requires Cassandra to first shed her present. The problem is the dream is in reality a nightmare filled with secrets, the type of secrets from which a person cannot just walk away. So, Cassandra formulates a plan and reaches into her distant past for help. William Langdon is an ex-Chicago cop with a notorious past and a personal life turned upside down. William is operating a small private detective agency in New Orleans with his partner and ex-wife Sandy, when Cassandra saunters into his office seeking his assistance years after she turned her back on him and walked out of his life. Mesmerized by Cassie from the day they met in high school, William considers her the one unfinished chapter in his life. And she considers him the perfect man for her plan.
