Censorship pervades all aspects of political social and cultural life in the Islamic Republic of Iran Faced with strict state control of cultural output Iranian authors and writers have had to adapt their work to avoid falling foul of the censors In this pioneering study Alireza Abiz offers an in depth interdisciplinary analysis of how censorship and the political order of Iran have influenced contemporary Persian literature both in terms of content and tone As censorship is unrecorded and not officially acknowledged in Iran the author has examined newspaper records and conducted first hand interviews with Iranian poets and writers looking into the ways in which poets and writers attempt to subvert the codes of censorship by using symbolism and figurative language to hide their more controversial messages A ground breaking analysis this book will be vital reading for anyone interested in contemporary cultural politics and literature in Iran      Embarrassment of Tyrannies

25 Years of Index On Censorship W L Webb, Rose Bell, 1998 Collected here are sixty two powerful and often terrifying pieces selected from Index on Censorship s twenty five years worth of issues documenting and condemning tyranny      **The Tyranny of Political Ignorance** Winston Sheekel Marsh, 2020-12-01

The Tyranny of Political Ignorance highlights cracks in the United States democratic armor beginning with the Constitution s legalization of slavery and continuing through to the Trump presidency President Trump who may be the most politically ignorant individual to hold this high office has disrupted international agreements and dismantled his predecessor s accomplishments The coronavirus pandemic and the Black Lives Matter protests have further exposed Trump s shortcomings as a leader Future generations may observe these two cataclysmic events as blessings as they revealed Trump s inability to lead and focused a bright light on the nation s social and economic disparities The author hopes that his analysis will draw attention to the nation s inequalities that have inhibited the United States progress toward the goals set forth in the Declaration of Independence and the Fourteenth Amendment of the Constitution Join the author as he explores the flaws in the United States democracy and advocates reform that will require the president and all members of Congress to demonstrate nationally approved levels of competence before they can hold office this democracy      **The Tyranny of Mormonism** Mrs. T. B. H. Stenhouse, 1888      **The Tyranny of Niceness** Evelyn Sommers, 2005-07-02

**Choice** Renata Salecl,2011-08-04 We are encouraged from all sides to view our lives as being full of choices Like the products on a supermarket shelf our careers our relationships our bodies our very identities seem to be there for the choosing But paradoxically this seeming freedom to choose can create extreme anxiety and feelings of inadequacy and guilt The Tyranny of Choice explores how late capitalism's shrill exhortations to be oneself can be a tyranny which only leads to ever greater disquiet and how insistence on choice being a purely individual matter prevents social change With wisdom humour and sensitivity Renata Salecl examines the complexity of the essential human capacity to choose which has become mired in consumerist ironies *The Ideology of Tyranny* G. Preparata,2007-09-14 The book ascribes the late state of paralysis affecting dissent in America to the adoption of a peculiar gospel of divisiveness which was promoted in the Eighties by importing from France the theories of philosopher Michel Foucault The Tyranny of Experts William Easterly,2014-03-04 In this bracingly iconoclastic book New York Times Book Review a renowned economics scholar breaks down the fight to end global poverty and the rights that poor individuals have had taken away for generations In The Tyranny of Experts renowned economist William Easterly examines our failing efforts to fight global poverty and argues that the expert approved top down approach to development has not only made little lasting progress but has proven a convenient rationale for decades of human rights violations perpetrated by colonialists postcolonial dictators and US and UK foreign policymakers seeking autocratic allies Demonstrating how our traditional antipoverty tactics have both trampled the freedom of the world's poor and suppressed a vital debate about alternative approaches to solving poverty Easterly presents a devastating critique of the blighted record of authoritarian development In this masterful work Easterly reveals the fundamental errors inherent in our traditional approach and offers new principles for Western agencies and developing countries alike principles that because they are predicated on respect for the rights of poor people have the power to end global poverty once and for all **Pink and White Tyranny** Harriet Beecher Stowe,2016-08-13 Simply one of the most charming little books that have fallen into our hands for many a day There is just enough of sadness in it to make it true to life while it is so full of honest work and whole souled fun paints so lively a picture of a home in which contentment energy high spirits and real goodness make up for the lack of money that it will do good wherever it finds its way Few will read it without lasting profit Hartford Courant Little Women By Louisa M Alcott We regard these volumes as two of the most fascinating that ever came into a household Old and young read them with the same eagerness Lifelike in all their delineations of time place and character they are not only intensely interesting but full of a cheerful morality that makes them healthy reading for both fireside and the Sunday school We think we love Jo a little better than all the rest her genius is so happy tempered with affection The Guiding Star The following verbatim copy of a letter from a little woman is a specimen of many which enthusiasm for her book has dictated to the author of Little Women Pink and White Tyranny Harriet Beecher Stowe,1896 *Pink and White Tyranny* Гарриет Бичер-Стой,2018-12-02 The Tyranny of Faith Carl
