**Lasting Female Educational Leadership** Laura Hills,2012-08-14 Our colleges and universities are being led in large part by baby boomers who are now in later midlife Huge numbers of those middle aged leaders will retire within the next 10 years While we know that being in later midlife and impending retirement must influence a person in a leadership position at an institution of higher learning we don t really understand how This book is based upon an empirical study that linked higher education leadership to one aspect of midlife known as generativity This psychosocial phenomenon was described by Erik Erikson as a desire that peaks in midlife to leave something for future generations before one dies Generativity typically manifests itself in the legacy one intends to leave The author of this book has completed a multiple case study of women who are in later midlife and who hold high level leadership positions at an institution of higher learning In this work she shares more than has ever been known about the nature antecedents and support of generativity in the leadership of female higher education leaders in midlife

**Lilith: The Power of the Woman's Spirit in the Age of Aquarius** Ed Russo,2014-08-06 Embrace the darkness for there you will find the light

We all have been told in this patriarchal system that to look for salvation is to look upward and outward to a god or gods to worship. We are not here to worship but to look inside ourselves and embrace who we are and grow to our full potential. Inanna is the archetypal Goddess of love and war. Her descent into the Underworld is a reflection of our journey of going inward to face our true nature. When we fight this, we then are at war with nature. Lilith is Inanna's handmaiden, as we ourselves can also become partners with Inanna. Realizing who we are, we then embrace the balance with the female archetype with the male archetype, which will bring us wholeness as women become stronger and men and women come to love themselves. This new perspective is what is taken place as we enter into the Age of Aquarius. **The Complete Idiot's**

**Guide to Menopause** Deb Baker, Maureen Pelletier, M.D; C.C.N; F.A.C.O.G., 2000-10-12. This guide for women in their late thirties to late fifties is meant to demystify the menopause condition, symptoms, remedies, side effects, and emotional impact. The information about remedies includes both traditional and alternative treatments. The author stresses the benefits of good nutrition and fitness. **Dare to Wear Your Soul on the Outside** Gloria J. Burgess, 2008-11-03. In this inspirational

book, Gloria Burgess uses the touching story of her father's relationship with William Faulkner as a starting point to explore a classic topic: how to bring forth the character qualities of love, wisdom, trust, faith, gratitude, creative action, vision, and integrity. Burgess declares the sacred promises of legacy living as part of a transformational process that helps us connect to our past by honoring those who came before us, living with intention in the present, and freeing our talents so we can realize our potential. **Dare to Wear Your Soul on the Outside** also includes practical exercises for fostering greater authenticity and purpose in our lives. **Girl Power** Marisa Meltzer, 2024-05-01. In the early nineties, riot grrrl exploded onto the

underground music scene, inspiring girls to pick up an instrument, create fanzines, and become politically active. Rejecting both traditional gender roles and their parents' brand of feminism, riot grrrls celebrated and deconstructed femininity. The media went into a titillated frenzy, covering followers who wrote 'slut' on their bodies, wore frilly dresses with combat boots, and talked openly about sexual politics. The movement's message of revolution, girl style, now soon filtered into the mainstream as girl power, popularized by the Spice Girls and transformed into merchandising gold as shrunken T-shirts, lip glosses, and posable dolls. Though many criticized girl power as at best frivolous and at worst soulless and hypersexualized, Marisa Meltzer argues that it paved the way for today's generation of confident girls who are playing instruments and joining bands in record numbers. **Girl Power** examines the role of women in rock since the riot grrrl revolution, weaving Meltzer's personal anecdotes with interviews with key players such as Tobi Vail from Bikini Kill and Amy Ray of the Indigo Girls. Chronicling the legacy of artists such as Bratmobile, Sleater Kinney, Alanis Morissette, Britney Spears, and yes, the Spice Girls, **Girl Power** points the way for the future of women in rock. **Academic Well-Being of Racialized Students** Benita

Bunjun, 2021-04-30T00:00:00Z. Canadian universities have an ongoing history of colonialism and racism in this white settler society. Racialized students: Indigenous, Black, and students of colour who would once have been forbidden from academic

spaces and who still feel out of place must navigate these repressive structures in their educational journeys Through the genres of essay art poetry and photography this book examines the experiences of and effects on racialized students in the Canadian academy while exposing academia's lack of capacity to promote students' academic well-being The book emphasizes the crucial connections that racialized students forge which transform an otherwise hostile environment into a space of intellectual collaboration community building and transnational kinship relations Meticulously curated by Dr Benita Bunjun this book is a living example of mentorship reciprocity and resilience

Love Your Lady Landscape Lisa Lister, 2016-07-05 A powerful and timely book teaching women how to connect to the wisdom of their bodies to heal, rebalance and transform their lives There was a time roughly 5000 years ago when SHE Power reigned and lady landscapes were revered A time when the space between a woman's thighs was considered a power portal with a direct hookup to Source Love Your Lady Landscape is a healing journey through the terrain of what it is to be a woman When a woman isn't in alignment with her feminine essence she may experience exhaustion and overwhelm lack sexual desire or passion for life and generally feel out of sync In this book Lisa Lister uses a myriad of tools and practices such as Earth based spirituality shamanic teachings movement and dance and breath and sound work to teach women how to reconnect to their feminine wisdom in order to start rebalancing all aspects of their lives Based on Lisa's own 11 year journey of healing and reconnecting with her body this book will help you release guilt and shame from the past explore self pleasure and sensuality understand read and connect with your body's signs and signals learn about your menstrual cycle and its connection with the rhythms of nature and the universe discover the sacred art of receiving express your creativity find your voice to communicate your needs wants and desires Love Your Lady Landscape will move women into a fiercely loving and healing relationship with their body and will teach them how to use its cycles and signs to create a life of vitality fulfillment and creation

The New Senior Woman Barbara M. Fleisher, Thelma Reese, 2013-10-15 As people live longer and better lives both women and men may look forward to many years in retirement But living well in retirement depends on a variety of decisions people make as they prepare for and enter this new chapter of life and living This book is for and about women approaching and experiencing life in their senior years This largest and fastest growing part of the population is living in a manner very different from our mothers whose roles in life were much more predictable and circumscribed than ours Today's senior women live longer are healthier better educated more involved in the world and more active than the women who preceded us Figuring out these uncharted years without role models or guideposts can be challenging but here the authors gather the stories of today's senior women who have jumped hurdles answered questions and made decisions they never saw their mothers make Through these stories readers will find fellowship and guidance wisdom and acknowledgment of the challenges and triumphs that lie ahead Culled from women in their sixties and beyond and from a variety of backgrounds and current living situations the stories reveal the realities of life for retirement age women and demonstrate the dreams joys

concerns and fears that come along with this phase of life They address questions about living arrangements adult children loss of a spouse or partner relationships and friendships part time work social connections health concerns and more Facing these new situations with class dignity sass and smarts these women reveal the various ways today s senior women can live and love her retirement years

**Dreamers of a New Day** Sheila Rowbotham,2011-07-01 From the 1880s to the 1920s a profound social awakening among women extended the possibilities of change far beyond the struggle for the vote Amid the growth of globalized trade mass production immigration and urban slums American and British women broke with custom and prejudice Taking off corsets forming free unions living communally buying ethically joining trade unions doing social work in settlements these dreamers of a new day challenged ideas about sexuality mothering housework the economy and citizenship Drawing on a wealth of research Sheila Rowbotham has written a groundbreaking new history that shows how women created much of the fabric of modern life These innovative dreamers raised questions that remain at the forefront of our twenty first century lives

**A Woman's Journey to Freedom** Sandra Simpson Lesourd,1998-03 [There She Goes Again](#) Aviva Dove-Viebahn,2023-12-15 There She Goes Again interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By asking under what terms women protagonists are imagined envisioned embodied and replicated in media this book challenges how we should define and whether we need feminine forms of knowledge and power
