Embracing Monogamy in the Face of Temptation Richard O. Jones, 2005-08 In today's culture of anything goes it is not surprising to see so many young men in a futile search for manhood Unfortunately their desperate journey is often influenced by a poor set of examples Dragging young boys to church is not the end or beginning of the parental responsibility There are more young men in prison who were raised by religious parents and grew up regularly attending church than there are inmates raised by atheists and never attended church The problem is not with the religion in most cases but in the lack of ability in the individual to make good independent decisions Boys often grow up with the belief that to be a man means to be violent materialistic and insincere in their relationships with women This book is a lamp to the feet of all males It teaches how promiscuity leads to moral corruption and how to apply biblical principles on a real life day to day basis with supplemental instruction that every father would tell his son if he knew himself Embracing Monogamy in the Face of

Temptation Richard O. Jones, 2000 **Embracing Monogamy in the Face of Temptation** Richard Jones, 2000-07 This is a relationship book It is the Black man's guide to commitment The book teaches men how to face their responsibility as men And most importantly how to forgive themselves for their wrongful acts and how to start a new life with God's help It also helps women to understand their roles in helping men to be more accountable *The Liberation of Aunt Jemima* Richard

The Beautiful 'N' Word* Richard Jones, 2007-02

*Natural The Beautiful N Word* Breaking the Psychological Bondage of the American Standard of Beauty The American standard of beauty is an optical illusion that has mesmerized the world Artificial hair and makeup in the hands of a beautician is equivalent to a deck of cards a top hat and a magic wand in the hands of a magician The multibillion dollar beauty industry has successfully proven that the hand is quicker than the eye Hypnotically the public applauds the deception Most women even some little girls are addictive users of the hair and cosmetic charade yet few know its history Most women were convinced in childhood by subliminal messages in the media that their natural hair and facial features were substandard Ultimately acquiring the acceptance and applause from a well trained public became a subconscious ritual No civilized race

or nationality is exempt This book exposes secrets and facts about the American standard of beauty rarely revealed such as The untold truth about artificial hair Why natural beauty is heavily discouraged The cosmetic conspiracy A totally natural method of growing nappy hair What are Sisterlocks and who is its creator      **Seriously Funny #02** Adrian Plass,Jeff Lucas,2012-10-01 Adrian Plass and Jeff Lucas are renowned for their ability to express the silly side of Christian culture and to cut through our pretensions and foibles with incisive wit In this long awaited sequel to Seriously Funny the pair again join comedic forces to challenge and entertain us with candid moving hilarious excerpts from their personal correspondence

Harley,Shanon Shah,Paul Simpson,2024-07-22 This book challenges Western centric views on sex in later life by exploring diverse cultures from the majority world It advocates learning from overlooked perspectives and dismantling stereotypes about their sexual conservatism It critiques cultural binaries emphasising the need to decentre Western perspectives as the benchmark      Rewriting the Rules Meg John Barker,2018-04-09 We live in a time of uncertainty about relationships We search for The One but find ourselves staying single because nobody measures up We long for a happily ever after but break up after break up leave us bruised and confused Rewriting the Rules An Anti Self Help Guide to Love Sex and Relationships is a friendly guide through the complicated and often contradictory advice that s given about sex and gender monogamy and conflict break up and commitment It asks questions about the rules of love such as which to choose from all the rules on offer Do we stick to the old rules we learnt growing up or do we try something new and risk being out on our own And what about the times when the rules we love by seem to make things worse rather than better This new edition updated throughout considers how the rules are being rewritten in various ways for example in monogamish and polyamorous relationships different ways of understanding sex and gender and new ideas for managing commitment and break up where economics communities or child care make complete separation impossible This book considers how the rules are being rewritten in various ways giving you the power to find an approach that best fits your situation      *New Woman* ,1989      Holman Old Testament Commentary Volume 14 - Ecclesiastes, Song of Songs David Moore,Dr. Daniel L. scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach **Harper's New Monthly Magazine** ,1856 Important American periodical dating back to 1850 **F\*cked at 40** Tova Leigh,2020-03-03 For every woman that has ever felt trapped A funny raw and empowering mid life crisis with a difference vlogger mother lover businesswoman and social media phenomenon Tova Leigh explores what the hell you are supposed to do when you find yourself living a life you don t remember signing up for I was bored angry tired and sad I felt all alone yet I had nothing to complain about I had a good job a husband who as far as I could tell wasn t shagging his assistant three children who apart from being the occasional assholes were pretty good kids a house a dog and everything else we are told as little girls we should aspire to But inside I was growing restless I was sick of having the same dull conversations about meal plans and kid friendly holidays I was frustrated with having the same married sex I d been having for the past seven years or not having any sex at all I didn t want to be looked at as just a mom I wanted to be desired to make someone s hair stand on end and go crazy for me I didn t want to live by some label that didn t represent me I looked at my messy SUV after my yoga class one morning and I wanted to vomit on it all I panicked thinking about how I am slowly approaching middle age and the menopause and I wondered how many years do I have left of being f ckable before everything starts going downhill We have many sides to us most of the time we think we must choose just one character and stick to it But the truth is we can be all of them without having to choose I am finally able to show the world that I am a bit of an idiot who dances around her kitchen in her knickers and makes silly videos with her husband as well as a responsible parent and a businesswoman who runs her own company When you find authenticity it s hard to go back It s like opening a door to the truth and starting to breathe a new type of air This discovery is what prompted me to write It s my way of saying HERE I AM I don t think we should be sorry for who we are None of us *Harper's New Monthly Magazine* Henry Mills Alden,1856 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs
